Supertoys Last All Summer Long Brian W. Aldiss, 1998-12-01 *Supertoys Last All Summer Long* Brian W. Aldiss, 2001-06-27 A collection of science fiction tales including the story of a robot boy who wants nothing more than to be loved by his parents *A Companion to Steven Spielberg* Nigel Morris, 2017-01-30 A Companion to Steven Spielberg provides an authoritative collection of essays exploring the achievements and legacy of one of the most influential film directors of the modern era Offers comprehensive coverage of Spielberg's directorial output from early works including *Duel* *The Sugarland Express* and *Jaws* to recent films Explores Spielberg's contribution to the development of visual effects and computer games as well as the critical and popular reception of his films Topics include in depth analyses of Spielberg's themes style and filming techniques commercial and cultural significance of the Spielberg brand and his parallel career as a producer and collaborative projects with artists and composers Brings together an international team of renowned scholars and emergent voices balancing multiple perspectives and critical approaches Creates a timely and illuminating resource which acknowledges the ambiguity and complexity of Spielberg's work and reflects its increasing importance to film scholarship **Short Story Index**, 2004 **Challenging Anthropocentrism in Eco-Science Fiction Novels** Fatma Gamze Erkan, 2024-01-03 This book explores the relationship between humanity and nature while challenging the notion that anthropocentric behaviour causes the environmental catastrophes depicted in the four selected British eco science fiction novels These novels are John Christopher's *The Death of Grass* 1956 J G Ballard's *The Drought* 1965 Brian Aldiss's *Earthworks* 1965 and John Brunner's *The Sheep Look Up* 1972 all of which fictionalise the fact that the consequences of environmental problems can be diverse but equally serious This book examines how even the smallest damage caused by

human beings to the environment negatively affects them other living beings and the ecosystem they need to live and flourish In conjunction with these the factors and conditions that push characters in the novels to ignore and harm the environment are also scrutinised While examining how and why the environmental problems in the novels have arisen it is evaluated whether the authors propose solutions to these problems and if so what they are *Kubrick's Story, Spielberg's Film* Julian Rice,2017-06-16 In 1963 Stanley Kubrick declared Dr Strangelove came from my desire to do something about the nuclear nightmare Thirty years later he was preparing to film another story about the human impulse for self destruction Unfortunately the director passed away in 1999 before his project could be fully realized However fellow visionary Steven Spielberg took on the venture and A I Artificial Intelligence debuted in theaters two years after Kubrick s death While Kubrick s concept shares similarities with the finished film there are significant differences between his screenplay and Spielberg s production In Kubrick s Story Spielberg s Film A I Artificial Intelligence Julian Rice examines the intellectual sources and cinematic processes that expressed the extraordinary ideas of one great artist through the distinctive vision of another A I is decidedly a Kubrick film in its concern for the future of the world and it is both a Kubrick and a Spielberg film in the alienation of its central character However Spielberg s alienated characters evolve through friendships while Kubrick s protagonists are markedly alone Rice explores how the directors disparate sensibilities aligned and where they diverged By analyzing Kubrick s treatment and Spielberg s finished film Rice compares the imaginations of two gifted but very different filmmakers and draws conclusions about their unique conceptions Kubrick s Story Spielberg s Film is a fascinating look into the creative process of two of cinema s most profound auteurs and will appeal to scholars of film as well as to fans of both directors **Artificial Intelligence and Social Computing** Tareq Z. Science Fiction Authors Maura Heaphy,2008-11-30 For students scholars readers advisors and curious SF readers and fans this guide provides an easy to use launch pad for researching and learning more about science fiction writers and their work Emphasizing the best popular and contemporary authors this book covers 100 SF writers providing for each a brief biographical sketch including a quote from theauthor awards etc a list of the author s major works including editions and other writings research sources biographies criticism research guides and web sites In addition you ll find read alike lists for selected authors For anyone wanting to find information on popular SF authors this should be the first stop [Necroculture](#) Charles Thorpe,2016-06-24 In this book the author draws on Karl Marx s writings on alienation and Erich Fromm s conception of necrophilia in order to understand these aspects of contemporary culture as expressions of the domination of the living by the dead under capitalism Necroculture is the ideological reflection and material manifestation of this basic feature of capitalism the rule of dead capital over living labor The author argues that necroculture represents the subsumption of the world by vampire capital *Obituaries in the Performing Arts, 2017* Harris M. Lentz III,2018-05-03 The entertainment world lost many notable talents in 2017 including iconic character actor Harry Dean Stanton comedians Jerry

Lewis and Dick Gregory country singer Glen Campbell playwright Sam Shepard and actor singer Jim Nabors Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2017 are included Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers *Brian W. Aldiss* Paul Kincaid,2022-07-12 Brian W Aldiss wrote classic science fiction novels like *Report on Probability A* and *Hothouse Billion Year Spree* his groundbreaking study of the field defined the very meaning of SF and delineated its history Yet Aldiss s discomfort with being a guiding spirit of the British New Wave and his pursuit of mainstream success characterized a lifelong ambivalence toward the genre Paul Kincaid explores the many contradictions that underlay the distinctive qualities of Aldiss s writing Wartime experiences in Asia and the alienation that arose upon his return to the cold austerity of postwar Britain inspired themes and imagery that Aldiss drew upon throughout his career He wrote of prolific nature overwhelming humanity believed war was madness even though it provided him with the happiest period of his life and found parallels in the static lives of Indian peasants and hidebound English society As Kincaid shows contradictions created tensions that fueled the metaphorical underpinnings of Aldiss s work and shaped not only his long career but the evolution of postwar British science fiction **Citizen Spielberg** Lester D. Friedman,2022-02-15 Steven Spielberg s extraordinary career redefined Hollywood but his achievement goes far beyond shattered box office records Rejecting the view of Spielberg as a Barnumesque purveyor of spectacle Lester D Friedman presents the filmmaker as a major artist who pairs an ongoing willingness to challenge himself with a widely recognized technical mastery This new edition of *Citizen Spielberg* expands Friedman s original analysis to include films of the 2010s like *Lincoln* and *Ready Player One* Breaking down the works by genre Friedman looks at essential aspects of Spielberg s art from his storytelling concerns and worldview to the uncanny connection with audiences that has powered his longtime influence as a cultural force Friedman s examination reveals a sustained artistic vision a vision that shows no sign of exhausting itself or audiences after Spielberg s nearly fifty years as a high profile filmmaker Incisive and discerning *Citizen Spielberg* offers a career spanning appraisal of a moviemaking icon *Science Fiction and Climate Change* Andrew Milner,J. R. Burgmann,2020 This is a timely comprehensive and thoroughly researched study of climate fiction from around the world including novels short stories films and other formats Informed by a sociological perspective it will be an invaluable resource for students and scholars looking to enter and expand the field of climate fiction studies Representing the New AI in Film and Television Graham Allen,2025-05-29 The 21st century has witnessed rapid advances in artificial intelligence giving rise to a society at once hopeful but also mistrustful of the possibilities that this technology offers Our hopes and anxieties have played out across a variety of media in recent times but arguably nowhere more significantly than on our screens This book explores a phenomenon which it calls the new AI cinema and television arguing that since the mid 2010s a distinctly new phase in the representation of AI has occurred Discussing films such as *Blade Runner 2049* *Ex Machina* and

Ghost in the Shell alongside television series such as Westworld and Humans it argues that they have moved away from apocalyptic scenarios towards questions of personhood consciousness and social inclusion and exclusion In doing so it intervenes in some of today s most pressing debates including gender representation AI ethics climate catastrophe and the rights of artificially intelligent beings
