**Governing Children, Families and Education** M. Bloch, Thomas S. Popkewitz, K. Holmlund, I. Moqvist, 2016-09-27 This is a collection of essays that address the international changes in welfare policy. The book discusses the new patterns of governing associated with the notions of welfare, care, and education that emerge during the late Twentieth and early Twenty-first centuries. The issues examined are among others the role of international donors and their emphasis on efficiency and lower social subsidies, international migration and its impact on welfare policy, inclusions and exclusions, and national policy change. While representing many different locations and traditions, contributors work within a variety of critical theoretical perspectives that critique our cultural ways of reasoning about the care and education of the child, the role and practice of the state, and the social and cultural construction of citizenship and nationhood.

*Superhero, The Unauthorized Bible Exposé of Superman: 20 Ways the World's Most Famous Comic Book Hero Mimics God, Jesus Christ, Satan, Fallen Angels, & the Nephilim!* Jeffrey W. Mardis, 2025-06-25 The Bible warns us to be vigilant, to not be deceived. Yet deception rarely comes in the form we expect. Sometimes it wears a cape. Superhero. The Unauthorized Bible Expos of Superman is more than a book. It's a wake up call. With over thirty thought provoking, spiritually charged, bite-sized chapters, this short, compelling work uncovers how the iconic Superman figure may be more than just a fictional comic book hero. He may be part of a powerful End Times narrative, subtly shaping hearts and minds. With over twenty spiritual indictments leveled against the character, you'll discover how Superman mirrors divine attributes that apply only to God. Imitates the glory and works of the Lord Jesus Christ. Imitates various aspects of Satan. Echoes behaviors of the fallen sons of God, the fallen angels. Shockingly mimics traits of the Nephilim, the offspring of the angels that sinned. And more. This isn't about fear; it's about clarity. It's about protecting yourself and your loved ones from the lies the Devil plants in plain sight. Whether you're a Christian curious about pop culture's spiritual impact, a lifelong comic book fan, or someone seeking to understand the invisible battle unfolding in our entertainment, this book is for you. Don't just consume culture. Discern it. Don't just soak up entertainment. Know the signs of the times. Read this book and see what's been hiding in plain sight. Packed with important Bible verses and commentary, you'll never see Superman or the world around you the same way again. Makes an excellent Christian resource on spiritual discernment of pop culture and media influence. Great for Sunday school lessons, youth group discussions, or personal Bible studies for young and old alike.
