Scott, MA, LMFT, 2025-05-19 Love Spirit and Mental Health examines love relationships and mental health from four perspectives 1 recent scientific findings 2 relevant theories 3 the author s observations and experiences as a psychotherapist and 4 related principles from A Course in Miracles Specific topics include 1 the relationship between religion spirituality and mental health 2 keys to healthier relationships 3 the meaning of and approaches to forgiveness 4 healthier ways to raise and guide your children 5 causes of and treatments for depression and 6 a more integrated approach to psychotherapy This book is also available in Kindle paperback and hardcover editions on Amazon and epub and audio editions on Kobo *The Story of Jesus* William H. Kautz, 2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their

unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history

The Universe Is a Dream Alexander Marchand, 2010-09-30 Have you ever contemplated the cause of the universe beyond simply attributing it to God or The Big Bang If so in that causal contemplation have you ever entertained the idea that the universe is but a dream Which is to say have you ever considered that the cause of the universe is that you dreamt it up At first glance the idea that you dreamt up the universe perhaps seems implausible However what if you really took that idea seriously and followed it to its logical conclusion What would you discover Well this book answers that question Using the unique form of a graphic novel artist and writer Alexander Marchand takes you on an artistic humorous irreverent and extremely informative romp through the advanced nondualistic metaphysics of the contemporary spiritual document known as A Course in Miracles In the end you'll not only have a coherent picture of the true nature of the universe and existence but you'll also have essential practical knowledge of what you'll need to do to if you are ready to wake up

The Alchemy of Prayer Loretta M. Siani Ph.D., 2011-04-15 The Alchemy of Prayer offers an eminently readable step by step spiritual guide that puts the complex metaphysics of prayer taught in A Course in Miracles into everyday terms If you're skeptical about the power of prayer or have little faith in the traditional Christian approach to prayer this book is for you Its central thesis is that prayer is not an act of communication that begins with us and ends with God but rather that it is an act of communication that begins with God and ends with us were it not for this fact we'd be oblivious to prayer Indeed The Alchemy of Prayer proposes that we were actually created out of prayer The power surge that emanated out of God's first prayer not only sparked us into existence it forever established our minds as natural channels for receiving and sending His same kind of prayer This explains why today eons after creation we were still wired for prayer Moreover it also explains why prayers not modeled after God's primal prayer seemingly go unanswered All of this begs the question how is it that we've forgotten how to pray the way God wired us to pray How is it that the apple has fallen so far from the tree This intellectually engaging book seeks to answer these questions for you and aims to provoke a sea change in your fundamental thinking about the kind of God in which you believe as well as what true prayer really is

Forgiveness Michael Dawson, 2011-06 True forgiveness asks us to stop pointing our finger at the people and events in the world as the cause of our pain and turn instead to the unforgiven thoughts in our own minds Here we can create change which will lead to an ever increasing sense of inner peace The book outlines

simple practical steps and techniques we can use to help us in our efforts to learn and practise forgiveness with ourselves and others in our daily lives Illustrative case histories and stories of forgiveness and healing are also included as well as methods and approaches for helping others to forgive This book gives a clear framework for understanding the true nature of forgiveness as well as discussing the implications for us when we do aspire to that path In every situation in which we lose our peace we have found a reflection of what is unhealed within us what we have not forgiven ourselves for Our world is a reflection of our consciousness life constantly reflecting back what is in our minds So rather than getting upset when things aren't going the way we would like we can pause and use the techniques in this book to draw our attention to what is going on inside Though the underlying philosophy is inspired by A Course in Miracles this book is applicable to us all and is readily understandable by those not familiar with the Course The Publishers Weekly ,1996 The Lifetimes When Jesus and Buddha Knew Each Other Gary R. Renard,2017-11-14 These stories about the multiple shared lifetimes of Jesus and the Buddha's reincarnations offer startling revelations about the universe A Course in Miracles and the path to enlightenment Two and a half decades ago Ascended Master Teachers Arten and Pursah appeared to Gary Renard and held a series of conversations with him that elaborated on the teachings of two spiritual classics The Gospel of Thomas and A Course in Miracles Gary immortalized what he learned in the books of his best selling series The Disappearance of the Universe Your Immortal Reality and Love Has Forgotten No One This fourth book is a companion to the original trilogy yet written to stand alone an invitation for new readers into this fascinating work This book explores six of the lifetimes in which the incarnations of Jesus and Buddha lived together beginning in 700 B C when they were known as Saka and Hiroji Through the spiritual lessons that Jesus and Buddha learn on their path Arten and Pursah clarify the difference between duality and nonduality When you are able to internalize these lessons you will be saved countless years in your spiritual development Jesus's Teachings about Love, Forgiveness, and Relationships in the Christian Bible and A Course in Miracles David A. Scott, MA, LMFT,2023-01-23 Jesus was an enlightened spiritual master who lived and taught in the Middle East over two thousand years ago The Gospels of Matthew Mark Luke and John are four of the many gospels that claim to describe his life and contain his teachings More recently the spirit of Jesus dictated A Course in Miracles to Dr Helen Schucman a psychologist in New York City The Course when it was published included three volumes 1 a theoretical Text 2 a Workbook for Students and 3 a Manual for Teachers A Preface and two supplements were received by the same process and added to it later So now we have two ways to study and explore what Jesus taught This book examines his teachings from both sources regarding 1 love and spirit 2 giving getting and receiving 3 spiritually guided forgiveness and 4 our relationship with God and each other You will discover as the author did that the Gospels and the Course are largely in agreement as one would expect if they came from the same teacher This book is also available in Kindle and paperback editions on Amazon and epub and audio editions on Kobo **Closing the Circle** Rogier Fentene Vlissingen,2010-05-11 An open invitation for a fresh look at Jesus inspired
