A Handbook of Integration with Refugees Esa Aldegheri, Dan Fisher, Alison Phipps, 2025-07-24 This Handbook brings together the viewpoints of academics practitioners artists and people seeking refuge in Scotland to explore the global learnings that can be gained from this context The book engages with the challenge of supporting integration as multi directional processes within a broader setting in which forced migration is often criminalised Situating its analysis of integration in Scotland the book combines chapters based in theory which explore issues ranging from the concept of integration to law borders and integration policy with creative and practical responses to these issues The book offers hopeful alternatives to current realities of forced migration and a compelling challenge to dominant narratives related to refuge and integration It will be of interest to practitioners policymakers and scholars working with refugees and asylum seekers around the world This book is open access under a CC BY ND licence

Migration and the Education of Young People 0-19 Mabel Ann Brown, 2015-11-24 Migration and the Education of Young People 0 19 investigates migration from a number of perspectives to consider the changing dynamics of society within different countries Examining the data associated with global migration by focusing on case studies from a wide range of countries it provides detailed and balanced coverage of this politically sensitive topic to explore the educational needs of migrant young people the impact of large scale migration to and from countries and the policy challenges that individual countries face when ensuring

adequate provision for migrant young people within their education systems Chapters cover The reasons why people might move Social and emotional learning in Britain a tool to guard against cultural pollution Migration into a global city the economic and educational success of London Latvian people on the move and the impact on education People s movement Greece Return migration in Lithuania incoming challenges for children s education The United States Latin America immigration and education Tanzanian street children victims ordinary lives or extraordinary survivors This book explores the changing social dynamics through an extensive range of case studies and will be an essential resource for students taking undergraduate and postgraduate courses in education sociology and international relations Citizenship Revisited Peter Herrmann,2004 Strangely citizenship has usually been considered as a matter of interest when it is questioned or even withheld The other way round usually citizenship is taken for granted as it is not being defined as such In consequence we find only a negative definition rather than a clear way of spelling out the meaning As globalisation spreads and deepens the question of citizenship becomes crucial for society It is already possible to see changes in voting patterns in such a country as France due to its immigration policies This has long been the case in America as well and is being felt there yet again by the effects of the citizenships of its newest immigrants The contributions in this volumes are dealing with different aspects of defining citizenship though not necessarily conceptualising it as such i e under this term These are burning questions which this book explores in this explosive national and international issue Contents Introduction Citizenship Revisited Threats and Opportunities of Shifting Boundaries Globalisation as Seen from the Local Level Self Improved Citizens Citizenship Social Inclusion and the Self in the Politics of Welfare Citizen Participi **Diversity and Marginalisation in Childhood** Paula Hamilton,Author,2021-03-17 This core text offers you an accessible foundation to the topics of diversity inclusion and marginalisation Not only will you develop an understanding of how marginalisation happens you will be encouraged to question and challenge policy and practice through case studies reflective questions and activities The book analyses issues encountered by marginalised groups and the impact these may have on the lives of those concerned together with how you as a practitioner can help to empower these individuals and groups With key chapters bringing attention to less cited marginalised groups such as transgender children children with mental health conditions and looked after children the author critically analyses the difficulties and challenges of inclusive ideology in practice the role of mass media in reinforcing prejudice and examines theoretical frameworks and concepts related to marginalisation inclusion and diversity The Trade in Human Beings Great Britain. Parliament. House of Commons. Home Affairs Committee,2009 Incorporating HC 318 i vi session 2007 08 **Social Work with Looked After Children** Christine Cocker,Lucille Allain,2008-05-15 Written for social work degree students this practical book looks at the experience of children in need who live in state care and the social worker s role in working with these children Topics include relevant studies and legislation residential care foster care adoption and leaving care The book also looks at the needs of children and young people living away from home and

The Palgrave Handbook of Britain and the Holocaust Tom Lawson, Andy Pearce, 2021-01-19 This handbook is the most comprehensive and up to date single volume on the history and memory of the Holocaust in Britain It traces the complex relationship between Britain and the destruction of Europe's Jews from societal and political responses to persecution in the 1930s through formal reactions to war and genocide to works of representation and remembrance in post war Britain Through this process the handbook not only updates existing historiography of Britain and the Holocaust it also adds new dimensions to our understanding by exploring the constant interface and interplay of history and memory The chapters bring together internationally renowned academics and talented younger scholars Collectively they examine a raft of themes and issues concerning the actions of contemporaries to the Holocaust and the responses of those who came after At a time when the Holocaust related activity in Britain proceeds apace the contributors to this handbook highlight the importance of rooting what we know and understand about Britain and the Holocaust in historical actuality This the volume suggests is the only way to respond meaningfully to the challenges posed by the Holocaust and ensure that the memory of it has purpose

Social Work, Immigration and Asylum Debra Hayes, Beth Humphries, 2004-01-19 The practical and ethical challenges facing human service professionals working with refugees asylum seekers and other people subject to immigration controls are discussed in this book The contributors explore the tensions that exist between anti oppressive values and the role professionals increasingly play as gate keepers to services

Family reunification for refugee and migrant children Florence Boreil, Ellen Desmet, Georgia Dimitropoulou, Mark Klaassen, A practical guide to assist legislators and legal practitioners in facilitating the reunification of refugee and migrant children with their families As a result of the sharp increase in the refugee and migrant population in recent years many children and their families have experienced family separation Member states are bound by various obligations related to family reunification and the practical reunification of refugee and migrant children with their family members has proved complex This handbook is a practical guide both to key legal standards and to promising practices in the field of family reunification and restoring family links This publication is conceived as a point of reference for capacity building material technical assistance co operation projects and new practices for and with relevant authorities and institutions It focuses on the reunification of families with children in the context of international migration and in particular on reunification possibilities for unaccompanied and separated refugee and migrant children It presents an overview of legal principles of human rights children's rights refugee law and EU law relevant to family reunification and then discusses key features of family reunification procedures with promising examples of law and practice and relevant applicable standards The handbook contributes to achieving the objectives of the Action Plan on Protecting Refugee and Migrant Children in Europe 2017 2019

Children of Refugees Aida Alayarian, 2018-05-08 There is a wide gap between the psychological needs

of the children of refugees and the services provided Refugees home countries cultures and social make up are widely diversified and their needs cannot be readily consolidated This diversity of interest and need goes unacknowledged by the service providers who may treat them as a single homogenous group Some refugees needs are exaggerated while others are ignored This approach often ignores the justifiable and legitimate interest of refugees psychological wellbeing Many children of refugees may struggle with questions of race ethnicity language barriers and other socio political and economic issues that can influence their mental health and psychological wellbeing Preoccupations of the child s emotions with those issues therefore have effects on child personality formations Apart from having an overview of the relevant processes involved in therapeutic work and possible challenges therein it is also important for the therapist to have an overview of the child s situation in the past and any current issues which this book provides
