

After reading THE UNIVERSAL ONE i Nikola Tesla's advice for Walter

I would gladly help you if I could, but it would be useless. Science me to be as crazy as it thinks you are. Besides that, if you are a book of science would have to be scrapped - and that would mean dollars lost and every physics professor would have to learn over again. You are so hopelessly ahead of your time that I believe your knowledge can be saved is to write it down and digress it in a sepulcher with instructions that it be opened in a thousand years.
