Hearings, Reports and Prints of the House Committee on Armed Services United States. Congress. House. Committee on Armed Services,1972 *New Masters of Poster Design* John Foster,2008-04-30 New in Paperback In much the way that the CD replaced the album the poster has waned as a messaging vehicle The poster has now become a postcard and e mail blast leaving many to long for the lost age when posters were not only major promotional vehicles but also artwork worthy of framing Some of the world s best designers just could not stand idle while the poster fell by the wayside They turned to the poster for personal expression and as an outlet from more restrictive mediums This book showcases their breathtaking artwork which has proven that the poster can still serve as a worthy communications tool In doing so they ve brought the poster back to prominence In this book John Foster has compiled the world s finest new work at the height of this rebirth There is currently no book on the market that can claim it features a definitive poster collection Normal Instructor and Primary Plans ,1921 Catalogue of prints and drawings in the British museum.
