The Gatekeeper Terry Eagleton, 2024-08-06 Oxford professor best selling author preeminent literary critic playwright screenwriter and novelist Terry Eagleton knows all about the claims of competing worlds One of his earliest roles growing up Catholic in Protestant England was as the gatekeeper the altar boy who at reverend mother's nod literally closed the door on young women taking the veil separating the sanctity of the convent from earthly temptations and family obligations Often scathingly funny frequently tender and always completely engaging *The Gatekeeper* is Eagleton's memoirs his deep etched portraits of those who influenced him either by example or by contrast his father headmasters priests and Cambridge dons He was a shy bookish asthmatic boy keenly aware of social inferiority yet determined to make his intellectual way Our aim in life he writes of his working class Irish immigrant descended family was to have the words *We Were No Trouble* inscribed on our tombstones But Eagleton knew trouble was the point of it all Opening doors sometimes meant rattling the knobs At both Cambridge and Oxford he gravitated toward dialectics and mavericks countering braying effete-ness with withering if dogmatic dissections of the class system *The Gatekeeper* mixes the soberly serious with the downright hilarious skewer sharp satire with unashamed fondness the personal with the political Most of it all it reveals a young man learning to reconcile differences and oppositions a double edged portrait of the intellectual as a young man
