1990

The Gay Theology

Patrick S. Cheng

The Gay Theology:

Radical Love Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However Radical Love is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians

Defying the Darkness J. Michael Clark, 2010-01-01 Clark's work is original in that he has inserted himself precisely as a gay scholar in the midst of an ongoing conversation far larger than that of the gay world including ecofeminism Judaism and Native American and shows especially how queer theory and ecofeminism can illuminate each other Richard L Smith author of AIDS Gays and the American Catholic Church The Pilgrim Press

Gay Theology without Apology Gary David Comstock, 2009-12-01 fresh and bold a charter of hope In these fresh and bold essays Gary David Comstock finds God's liberating connection in scripture from the underside in nontraditional traditions and in body experience Candidly self-revelatory he shows how only in taking our own lives seriously can we be lovers of the world Gay Theology without Apology is both judgment on churchly oppression and a charter of hope for gay lesbian bisexual Christians on the edges of the church It is also truly an apologia a persuasive case for the richer more erotic more just and loving humanness of everyone of us James B Nelson Professor of Christian Ethics United Theological Seminary of the Twin Cities an important contribution a creative search for meaning Gary Comstock has taken the initiative to reconstruct Christian tradition out of his experience of mutuality and relationship as a gay man and has made an important contribution to the growing field of gay liberation theology His critique of heterosexism in the Bible leads to a creative search for meaning in the lives of those struggling for wholeness and new life in community Letty M Russell Professor of Theology Yale Divinity School a gripping testimonial all of us are enriched Starting from the ground of his own unfolding experience as a gay man Gary Comstock critically assesses Christian Scripture tradition and church practice as fragile but valued resources rather than monolithic authorities for nurturing a more inclusive human community This book is a gripping testimonial to the integrity of the gay way of being in the world At the same time it is a convincing demonstration of how all of us are enriched by fully honoring gayness as a valid way of being human and Christian Norman K Gottwald Professor of Biblical Studies New York Theological Seminary the real deviants are the homophobes Gay people generally will draw hope and support from this book and a lot of Christians will find in the author's thoughtfulness and humanity a real asset in battling their own Victorian resistance and rigidity Comstock reconfirmed my conviction that the real deviants are the homophobes William Sloane Coffin

Former Senior Minister Riverside Church New York **The Gay Theology** Kent Philpott, 1977-01-01 **From Sin to Amazing Grace** Patrick S. Cheng, 2012-03 This book provides a unique synthesis of liberation queer and postcolonial theologians over the last few decades within a unified theological framework It Will advance the inclusion of LGBT people within church and society This book is a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the 21st century Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God s saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ Publisher **The Gay Gospel?** Joe Dallas, 2007-02-01 In this updated edition of A Strong Delusion author and counselor Joe Dallas helps readers understand what pro gay theology is and how to confront it In a biblical manner Dallas examines believers personal responses and the need for bold love and commitment as they become familiar with the movement s background and beliefs study a clear scriptural response to each belief extend Christ s love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro gay Christian movement **The Queer God** Marcella Althaus-Reid, 2004-06 In The Queer God Marcella Althaus Reid reflects on Latin American spiritual traditions and considers the need for a Queer concept of holiness and a theology of grace outside colonial parameters Gay and Lesbian Theologies Elizabeth Stuart, 2017-09-08 Gay and lesbian theology has been one of the most distinctive voices to have emerged in Christian theology in the last 30 years It has placed lesbian and gay experience at the heart of the theological process Elizabeth Stuart one of the most prominent theologians in this field presents the first critical survey of gay and lesbian theology arguing that its emergence was nothing short of miraculous Gay and lesbian theologians managed to take a dominant Christian discourse which rendered them sinful sick and harmful to the common good and transform it into a theology which argued that a person s sexuality provided the point of contact between God and themselves Stuart argues that miraculous though this was gay and lesbian theology has revealed itself to be bankrupt incapable of providing universally convincing reasons for the inclusion of lesbian and gay people and their relationships in the Church and unable to deal with the defining experience of lesbian and gay communities in the late twentieth century AIDS Stuart concludes that

lesbian and gay people and their opponents in the Church have too easily bought into modern constructions of sexual identity and cut themselves off from a Christian tradition which is far more queer in that it refuses to accept the stability of gender and sexual desire Stuart argues that the only way out of the current deadlock on the issue of homosexuality in the Churches is for both sides to embrace this ancient queer tradition a Christian tradition which teaches that in the end gender and sexual identities have no ultimate importance Jonathan's Loves, David's Laments Dirk von der Horst, 2017-03-24 Jonathan s Loves David s Laments uses early modern musical interpretations of David s Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium thus reinforcing queer possibilities for meaning making from the biblical text and staying attuned to the fact that the history of interpretation reinforces the indeterminacy of the text thus keeping queer interpretations aware of the relativizing function of historical difference *Controversies in Queer Theology* Susannah Cornwall, 2011 An introduction to one of the most challenging areas of contextual theology Queer theology is a significant new development and central to much current teaching and thinking about gender sexuality and the body

The book delves into The Gay Theology. The Gay Theology is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Gay Theology, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The Gay Theology
- Chapter 2: Essential Elements of The Gay Theology
- Chapter 3: The Gay Theology in Everyday Life
- Chapter 4: The Gay Theology in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The Gay Theology. This chapter will explore what The Gay Theology is, why The Gay Theology is vital, and how to effectively learn about The Gay Theology.
3. In chapter 2, this book will delve into the foundational concepts of The Gay Theology. This chapter will elucidate the essential principles that must be understood to grasp The Gay Theology in its entirety.
4. In chapter 3, the author will examine the practical applications of The Gay Theology in daily life. The third chapter will showcase real-world examples of how The Gay Theology can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of The Gay Theology in specific contexts. The fourth chapter will explore how The Gay Theology is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Gay Theology. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Gay Theology.
