The Gender Of Democracy Citizenship And Gendered Subjectivity:

The Gender of Democracy Maro Pantelidou Maloutas, 2007-05-07 As developments in the European Union and elsewhere make the re examination of citizenship a pressing issue this book reflects on the persisting masculine character of contemporary democracy and the measures taken in the EU to combat it Combining a theoretical approach with a specific critique of EU gender policy The Gender of Democracy argues that substantial democracy as a social project cannot co exist with the existing system of gender relations which are inherently dichotomous and thus demarcate social categories of superior and inferior status Drawing on utopian thought Maro Pantelidou Maloutas proposes a re examination of the notion of the gendered subject and a revision of the dominant perceptions of the relations between sex sexuality and gender The book contains a critique of specific EU gender policies and shows how in seeking to do away with gender inequality simply formulating policies that are pro women is not enough In order to approach democracy s emancipatory component far reaching policies which deconstruct rather than modernize gender relations are needed **Handbook of Political**

A Philosophical Investigation of Rape Louise du Toit, 2009-05-07 This book offers a critical feminist perspective on the widely debated topic of transitional justice and forgiveness Louise Du Toit examines the phenomenon of rape with a feminist philosophical discourse concerning women's or feminine subjectivity and selfhood She demonstrates how the hierarchical dichotomy of male active versus female passive sexuality which obscures the true nature of rape is embedded in the

dominant western symbolic frame Through a Hegelian and phenomenological reading of first person accounts by rape victims she excavates an understanding of rape that also starts to open up a way out of the denial and destruction of female sexual subjectivity
