## **The Genesis Factor The Amazing Mysteries Of The Bible Codes:**

The Genesis Factor Yacov A. Rambsel, 2000 Beginning with the very first verse of Genesis and continuing through its entire first chapter Yacov Rambsel has found a magnificent matrix of insights which are cryptologically structured words phrases and even statements that reach beyond time and space as we know it Without the aid of modern computers he has utilized the code technique known as equidistant letter sequence ELS to discover an immense mine of deeply embedded jewels of biblical revelation in this foundational chapter of Genesis     The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study     **The Shadow of the Apocalypse** Paul Crouch, 2004-10-05 What if the Bible prophecies are true What if the anti Christ is among us now What if the end of the world is at hand Are you prepared Paul Crouch minister television personality and cofounder of Trinity Broadcasting Network provides answers as he reveals shattering truths found in the hidden prophecies of the Bible As the most overwhelming and frightening Last Day prophecies are beginning to cast their shadows on an unsuspecting world Crouch offers an opportunity to find meaning in current world events and reminds us that everything ultimately leads to the Second Coming of Jesus Christ Reading The Shadow of the Apocalypse is like reading tomorrow's news headlines Read this book today Dr Jack Van Impe author of Revelation Revealed This book is about an alarming topic and yet Paul Crouch infuses it with the eternal promise from Christ Tim LaHaye co author of Left Behind
