The Gentleman Of Fifty:

The Gentleman of Fifty and The Damsel of Nineteen (An early uncompleted fragment) George Meredith, 2019-04-10 *The Gentleman of Fifty and The Damsel of Nineteen; (An early uncompleted fragment)* George Meredith, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Gentleman of Fifty George Meredith, 2020-09-28 Passing over Ickleworth Bridge and rounding up the heavily shadowed river of our narrow valley I perceived a commotion as of bathers in a certain bright space immediately underneath the vicar's terrace garden steps My astonishment was considerable when it became evident to me that the vicar himself was disporting in the water which reaching no higher than his waist disclosed him in the ordinary habiliments of his cloth I knew my friend to be one of the most absent minded of men and my first effort to explain the phenomenon of his appearance there suggested that he might have walked in the victim of a fit of abstraction and that he had not yet fully comprehended his plight but this idea was dispersed when I beheld the very portly lady his partner in joy and adversity standing immersed and perfectly attired some short distance nearer to the bank As I advanced along the bank opposed to them I was further amazed to hear them discoursing quite equably together so that it was impossible to say on the face of it whether a catastrophe had occurred or the great heat of a cloudless summer day had tempted an eccentric couple to seek for coolness in the directest fashion without absolute disregard to propriety I made a point of listening for the accentuation of the my dear which was being interchanged but the key note to the harmony existing between husband and wife was neither excessively unctuous nor shrewd and the connubial shuttlecock was so well kept up on both sides that I chose to await the issue rather than speculate on the origin of this strange exhibition I therefore as I could not be accused of an outrage to modesty permitted myself to maintain what might be invidiously termed a satyr like watch from behind a forward flinging willow whose business in life was to look at its image in a brown depth branches trunk and roots The sole indication of discomfort displayed by the pair was that the lady's hand worked somewhat fretfully to keep her dress from ballooning and puffing out of all proportion round about her person while the vicar who stood without his hat employed a spongy handkerchief from time to time in tempering the ardours of a vertical sun If you will consent to imagine a bald blackbird his neck being shrunk in apprehensively as you may see him in the first rolling of the thunder you will gather an image of my friend's appearance

The Gentleman of Fifty George Meredith, 2014-11-05 laughter at the parents and concern for them Now pull Alice shouted the vicar No not yet screamed Mrs Amble I'm sinking Pull Alice Now Mama Oh Push Papa I'm down Up Ma am Jane woman up Gently Papa Abraham I will not My dear but you must And that man opposite What Pollingray He's fifty I found myself walking indignantly down the path Even now I protest my friend was guilty of bad manners though I make every allowance for him I excuse I pass the order but why what justifies one man's bawling out another man's age What

purpose does it serve I suppose the vicar wished to reassure his wife on the principle I have heard him enunciate it that the sexes are merged at fifty by which he means I must presume that something which may be good or bad and is generally silly of course I admire and respect modesty and pudeur as much as any man something has gone a recognition of the bounds of division There is if that is a lamentable matter a loss of certain of our young The Gentleman's Magazine, and Historical Chronicle, for the Year ... ,1868 The Gentleman of Fifty and the Damsel of Nineteen George Meredith,2004-06 Dans la cinquantaine The reflection should produce a gravity in men Such a number of years will not ring like bridal bells in a man s ears I have my books about me my horses my dogs a contented household I move in the centre of a perfect machine and I am dissatisfied I rise early I do not digest badly What is wrong **The Gentleman's Magazine: Or, Monthly Intelligencer** Edward Cave,1799 The Gentleman's Magazine ,1888 The Gentleman s magazine section is a digest of selections from the weekly press the Trader s monthly intelligencer section consists of news foreign and domestic vital statistics a register of the month s new publications and a calendar of forthcoming trade fairs **The Gentleman of Fifty and the Damsel of Nineteen** George Meredith,2017-07-31 The Gentleman of Fifty and the Damsel of Nineteen by George Meredith 1909 George Meredith 1828 1909 was an English novelist and poet of the Victorian era He was nominated for the Nobel Prize in Literature seven times He had a keen understanding of comedy and his Essay on Comedy 1877 remains a reference work in the history of comic theory Though he had difficulty achieving popular success he was well regarded by other writers His contemporary Sir Arthur Conan Doyle paid him when Sherlock Holmes says to Dr Watson And now let us talk about George Meredith if you please and we shall leave all minor matters until tomorrow Oscar Wilde said of him Ah Meredith Who can define him His style is chaos illumined by flashes of lightning The Gentleman's and London Magazine ,1741
