The Germans Public Opinion Polls 1947 1966:

The Germans Elisabeth Noelle-Neumann, Erich Peter Neumann, 1981-12-10 This is a condensed version of three yearbooks of German public opinion for the period 1947 1966 It joins the forces of psychology and statistics in public opinion research for the purpose of measuring political economic social and cultural data crystallized into the hard language of figures

The Germans: Public Opinion Polls 1947-1966 Elisabeth Noelle-Neumann, Erich Peter Neumann, 1967 **A History of the German Public Pension System** Alfred C. Mierzejewski, 2016-03-04 A History of the German Public Pension System Continuity amid Change provides the first comprehensive institutional history of the German public pension system from its origins in the late nineteenth century to the major reform period in the early twenty first century Relying on a wide range sources including many used for the first time this study provides a balanced account of how the pension system has coped with major challenges such as Germany's defeat in two world wars inflation the Great Depression the demographic transition political risk reunification and changing gender roles It shows that while the pension system has changed to meet all of these challenges it has retained basic characteristics particularly the tie between work contributions and benefits that fundamentally define its character and have enabled it to survive economic and political turmoil for over a century This book also demonstrates that the most serious challenge faced by the pension system has consistently been political intervention by leaders hoping to use it for purposes unrelated to its mission of providing the insured with secure and adequate retirement income

Europe Since 1945 Bernard A. Cook, 2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos

The German Question Dirk Verheyen, 2018-05-04 The German Question long a subject of debate is considered here at the close of a turbulent century after Germany's defeat in two world wars the Weimar failure and Nazi disaster Cold War division and the nation's unexpected recent reunification This book systematically explores the issue in terms of its four central dimensions Germany's identity national unity power and role in world politics Ambitious in conception and meticulous in execution Dirk Verheyen's wide ranging analysis incorporates historical and geopolitical considerations in an intellectually rigorous yet accessible discussion

Germany's Foreign Policy of Reconciliation Lily Gardner Feldman, 2014-07-16 Since World War II Germany has confronted its own history to earn acceptance in the family of nations Lily Gardner Feldman draws on the literature of religion philosophy social psychology law and political science and history to understand Germany's foreign policy with its moral and pragmatic motivations and to develop the concept of international reconciliation Germany's Foreign Policy of Reconciliation traces Germany's path from enmity to amity by focusing on the behavior of individual leaders governments and non governmental actors The book demonstrates that at least in the cases of France Israel Poland and

Czechoslovakia the Czech Republic Germany has gone far beyond banishing war with its former enemies it has institutionalized active friendship The German experience is now a model of its own offering lessons for other cases of international reconciliation Gardner Feldman concludes with an initial application of German reconciliation insights to the other principal post World War II pariah as Japan expands its relations with China and South Korea **Parameters** ,1988

Selling the Economic Miracle Mark E. Spicka,2007-08-01 Through an examination of election campaign propaganda and various public relations campaigns reflecting new electioneering techniques borrowed from the United States this work explores how conservative political and economic groups sought to construct and sell a political meaning of the Social Market Economy and the Economic Miracle in West Germany during the 1950s The political meaning of economics contributed to conservative electoral success constructed a new belief in the free market economy within West German society and provided legitimacy and political stability for the new Federal Republic of Germany National Symbols, Fractured Identities Michael E. Geisler,2005 A fascinating look at national symbols worldwide and the important role they play in creating and maintaining individual and collective identity **"Getting History Right"** Mark Wolfgram,2011 Collective memory politics and culture Victims and perpetrators the view from the East Victims and perpetrators the view from the West Collaboration and resistance blood and redemption Division and unity a revolutionary people unites itself Defeat and liberation ending the war Conclusion Mourning loss and the difficulty of remembering Appendix Charts and chart notes Filmography
