

In 1943 England, when all hope was threatened by the inhumanity of war, C. S. Lewis was invited to give a series of radio lectures addressing the central issues of Christianity. More than half a century after the original lectures, they continue to retain their poignancy. First heard as informal radio broadcasts, the lectures were then published as three books and subsequently combined as *Mere Christianity*. C.S. Lewis proves that "at the center of each there is something, or a Someone, who, against all divergences of belief, all differences of temperament, all memories of mutual persecution, speaks with the same voice, rejecting the boundaries that divide Christianity's many denominations." This twentieth-century masterpiece provides an unequalled opportunity for believers and nonbelievers alike to hear a powerful, rational case for the Christian faith.
