Brewer, 2003 Presents a collection of short stories from such authors as Tom Franklin Donald Hays Suzanne Hudson and Michelle Richmond **The Marriage Pact** Michelle Richmond, 2017 Picture perfect newlyweds Alice and Jake are

unexpectedly initiated into a mysterious organization designed to keep marriages happy and intact through seemingly sensible rules that become increasingly exacting and subject to brutal enforcement *The May Queen* Andrea N.

Richesin, 2006 With original essays by women in their thirties this intriguing collection celebrates this often maligned period in a woman's life as productive dynamic and vibrant **Golden State** Michelle Richmond, 2014-02-04 The state of California

votes on secession in the wake of a divisive presidential election in this gripping prescient novel of marriage family and the profound moments that shape our lives Doctor Julie Walker has just signed her divorce papers when she receives news that her younger sister Heather has gone into labor Though theirs is a strained relationship Julie sets out for the hospital to be at her sister's side no easy task since the streets of San Francisco are filled with tension and strife Today is also the day that Julie will find herself at the epicenter of a violent standoff in which she is forced to examine both the promising and the painful parts of her past her Southern childhood her romance with her husband Tom her estrangement from Heather and the shattering incident that led to her greatest heartbreak Infused with emotional depth and poignancy *Golden State* takes readers on a journey over the course of a single unforgettable day through an extraordinary landscape of love loss and hope Praise for *Golden State* A stirring look at the ties that bind husband wife mother child and even sisters and what happens when they're torn asunder Set in a San Francisco chafing with unrest both political and personal the world Richmond creates is exquisitely charged with regret and hope *Family Circle* A riveting read that can be recommended to fans of Jodi Picoult and Jacquelyn Mitchard Mesmerizing and intricate Richmond's dissection of a California on the violent brink of secession from the nation provides the backdrop to her deeper inspection of the uneasy fragile relationship between siblings *Booklist* starred review An amazing turbulent novel woven of disparate threads Nearly every feature of this mesmerizing novel is provocative as Richmond explores the fragmented hopeful lives of complex characters This is gripping multilayered must read fiction *Library Journal* starred review An exciting premise skillfully written Julie's past and her relationship with the other characters are scrutinized as the clock ticks It's an interesting and sometimes disturbing study *Kirkus Reviews* Richmond takes readers through a bittersweet heartwarming tale of a woman on the cusp of life changing events in both her personal and professional lives Once invested the reader is carried away by this action packed poignant story making this a tale that

will live in the heart of the reader once the last page is read RT Book Reviews This is a thoughtful book about how past circumstances change us into the people we are today for the good or bad Julie is a sympathetic and relatable character and readers will definitely feel for her as she goes through her life changing day The Parkersburg News and Sentinel Richmond delivers a page turner San Jose Mercury News A breathtaking read and one I ll not soon forget Melanie Benjamin author of The Aviator s Wife Look for special features inside Join the Random House Reader s Circle for author chats and more

**When I Was a Loser** John McNally, 2007-03-06 For Anyone Who s Ever Been a Teenager Who s teenage years weren t terrible Remember the scary older kids The sadistic gym teacher The smelly kid who sat next to you in science class Your first fumbling kiss That time you threw up in the cafeteria Your first attempt at putting on a condom The period that arrived unexpectedly That awful fight with your parents The first time you got drunk That note you wrote that you shouldn t have written The day you forgot to zip your fly That monster zit When you wondered would it all end In *When I Was a Loser* John McNally author of the novel *America s Report Card* assembles twenty five original essays often hilarious sometimes tenderhearted always evocative about defining moments of high school loserdom Brad Land Julianna Baggott Owen King Johanna Edwards and many more fresh talented writers explore their own angst humiliation heartache and other staples of teen life These essays perfectly capture what it was like to be in high school to experience so many things for the first time to assert independence while desperately trying to fit in to feel misunderstood and unable to articulate the wild swings between heartbreak anger and euphoria One writer recalls how his grandmother helped him with his home perm in preparation for the Senior Class picture another recounts her discovery sometime after hitting puberty of the power she held over boys and men while at the same time she felt herself at their mercy a third remembers the casual cruelties visited on him by the cooler kids and the cruelties he in turn inflicted on kids below him on the social ladder Utterly candid and compulsively readable these essays conjure up and untangle those raw and formative years The writers cringe and laugh at the teenagers they were but at the same time they honor their adolescence and the way it shaped their lives Because in truth beneath the layers of adult respectability we all still carry a little bit of our teenage selves around with us *The Year of Fog* Michelle

Richmond, 2008 Heartbreaking uplifting and beautifully told this riveting story relates how life can change in an instant and how one woman s faith in the redemptive power of love is strengthened *No One You Know* Michelle

Richmond, 2008-06-24 Michelle Richmond dazzled readers and critics alike with her luminous novel *The Year of Fog* Now Richmond returns with an intensely emotional multilayered family drama a woman s search for her sister s killer that spirals into a journey of secrets revelations and damaged lives All her life Ellie Enderlin had been known as Lila s sister Until one day without warning the shape of their family changed forever Twenty years ago Lila a top math student at Stanford was murdered in a crime that was never solved In the aftermath of her sister s death Ellie entrusted her most intimate feelings to a man who turned the story into a bestselling true crime book a book that both devastated her family and identified one of

Lila's professors as the killer. Decades later two Americans meet in a remote village in Nicaragua. Ellie is now a professional coffee buyer, an inveterate traveler and incapable of trust. Peter is a ruined academic. And their meeting is not by chance. As rain beats down on the steaming rooftops of the village, Peter leaves Ellie with a gift: the notebook that Lila carried everywhere, a piece of evidence not found with her body. Stunned, Ellie will return home to San Francisco to explore the mysteries of Lila's notebook filled with mathematical equations and begin a search that has been waiting for her all these years. It will lead her to a hundred-year-old mathematical puzzle, to a lover no one knew Lila had, to the motives and fate of the man who profited from their family's anguish and to the deepest secrets even sisters keep from each other. As she connects with people whose lives unknowingly swirled around her own, Ellie will confront a series of startling revelations from the eloquent truths of numbers to confessions of love, pain and loss. A novel about the stories and lies that strangers, lovers and families tell, and the secrets we keep even from ourselves.

Michelle Richmond's new novel is a work of astonishing depth and beauty, at once heartbreaking, provocative and impossible to put down. Bad Girls Ellen Sussman, 2007. Women writers celebrate and meditate on their acts of defiance from using well-chosen expletives and engaging in less-than-ideal parenting techniques to getting back at an ex and wearing a stolen Girl Scout badge. *The Wonder Test* Michelle Richmond, 2021-07-06. A widowed FBI agent grows suspicious of her son's new school in this thriller by the New York Times bestselling author of *The Marriage Pact*. Lina is on leave from her job in New York at the FBI in order to clean out her father's home in Silicon Valley. As though letting go of her father isn't hard enough, Lina has also recently lost her husband in a freak traffic accident. Still reeling, she and her teenage son Rory must make their way through this strange new town and the high school around which it all seems to revolve. Rory soon starts coming home with reports of the upcoming Wonder Test, a general aptitude assessment that appears increasingly inane, and Lina is shaken out of her grief by a sense that something is amiss in Hillsborough. When she discovers that a student disappeared last year and was found weeks later walking on a beach, shaved and traumatized, Lina can't help but be sucked into an impromptu investigation. Another kidnapping hits closer to home and reveals a sinister link between the Wonder Test and the rampant wealth of Silicon Valley's elite. A searing view of a culture that puts the wellbeing of children at risk for advancement and prestige, and a captivating story of the lengths a mother will go for her son: this is *The Wonder Test*. Praise for *The Marriage Pact*: A fun, can't-stop-eating-the-potato-chips kind of premise. The New York Times. A smart, searing and frightening look at modern love. Today. A high-concept, fast-moving thriller, a gripping and intriguing read. Sunday Mirror.
