The Giving Gift The Holy Spirit In Person:

The Giving Gift Thomas Allan Smail, 2004 **The Giving Gift** Tom Smail, 2004-11-02 This major study breaks new ground going beyond the issue most discussed in charismatic circles the working of the Holy Spirit to tackle questions relating to the person of the Holy Spirit and his relationship to the Father and the Son as well as his relationship to people Tom Smail's theological horizons are impressively broad embracing historical orthodoxy and including the Roman and Eastern Orthodox traditions as well as contemporary theology He combines full theological literacy with personal insight into renewal thus illuminating a contemporary experience of the Holy Spirit with the sovereignty of God in salvation In *The Giving Gift* he offers a positive understanding of Christian tradition in its relation to Scripture and a new approach to prayer as a gift that God makes by his Spirit He also provides an attempt to understand the work of the Spirit in the church throughout the ages and in different traditions emphasising in particular the role and contribution of the Eastern Orthodox churches **The Holy Spirit** F. LeRon Shults, Andrea Hollingsworth, 2008-08-20 This introductory text by F LeRon Shults and Andrea Hollingsworth outlines the major movements and figures in the historical unfolding of the doctrine of the Holy Spirit with special attention on the role of philosophical interpretation and spiritual transformation showing how historical developments have shaped contemporary trends in pneumatology **Pentecostal Theology and the Christian Spiritual Tradition** Simon Chan, 2011-07-12 This book deals with the problem of Pentecostal traditioning Traditioning has been ineffective thus far because the richness of Pentecostal faith and experience has been inadequately captured in the classical Pentecostal doctrines of Spirit baptism and glossolalia A more adequate understanding of the key theological symbol of Pentecostalism glossolalia emerges when it is interpreted in the light of Christian spiritual tradition Within this larger tradition glossolalia can be seen as bringing together both the ascetical and contemplative dimensions of the Christian life Chan thus explores the shape of Pentecostal ecclesiology as traditioning community *The Humble God* D. Densil Morgan, 2005-11-30 The author a university teacher of theology has taken his basic introductory course and adapted it for a lay audience It addresses the questions that every Christian ought to be asking how did the Bible come together Why do we believe it to be true What is faith How do we know God What does it mean to belong to the Church and much more Drawing on 2000 years of theological writing and insight this is a fluent guide to Christian faith **The People of God's Presence** Terry L. Cross, 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's Presence* will focus on the role of leadership in the church **The Cambridge Companion to Evangelical Theology** Timothy Larsen, Daniel J. Treier, 2007-04-12 Evangelicalism a vibrant and growing expression of historic Christian orthodoxy

is already one of the largest and most geographically diverse global religious movements This Companion first published in 2007 offers an articulation of evangelical theology that is both faithful to historic evangelical convictions and in dialogue with contemporary intellectual contexts and concerns In addition to original and creative essays on central Christian doctrines such as Christ the Trinity and Justification it breaks new ground by offering evangelical reflections on issues such as gender race culture and world religions This volume also moves beyond the confines of Anglo American perspectives to offer separate essays exploring evangelical theology in African Asian and Latin American contexts The contributors to this volume form an unrivalled list of many of today s most eminent evangelical theologians and important emerging voices **Pastoral**

Ethics W. Ross Hastings, 2022-06-15 Ethics is freedom in Christ to pursue the good true and beautiful Pastors regularly face concrete ethical questions And they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one s ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In Pastoral Ethics W Ross Hastings provides pastors an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God s life and God s work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love Pastoral Ethics is an essential guide for Christians in all ministry contexts The Progressive

Mystery Myk Habets, 2019-05-22 A careful exploration of how the identity and mission of the Holy Spirit have been progressively revealed throughout Holy Scripture and then interpreted by the Church The Progressive Mystery describes how the Spirit has been revealed understood and interpreted throughout the sweep of Holy Scripture and the ways in which the orthodox understanding of the mission of the Holy Spirit has developed An ideal entrance into the study of pneumatology it introduces readers to the complex history of the theology of the Holy Spirit Ideal for students it takes its place among other introductions to pneumatology as a readable and reliable guide to an elusive topic **The Faith Explained Today** Joe
