The Gliders:

The Gliders Alan Lloyd, 1982 **World War II Glider Pilots**, 1991 History of the Glider Pilot Regiment Claude Smith, 2014-01-09 The untold story of this tiny little known British Army regiment and the daring men who piloted engineless aircraft to WWII's major battlefields The Glider Pilot Regiment having been raised as the first element of the new Army Air Corps in 1942 and disbanded in 1957 can probably claim the dubious distinction of having been the smallest and shortest lived regiment ever to form part of the British Army Nevertheless in those few years the regiment gained as much distinction as it has taken other units hundreds of years to achieve Yet strangely enough the story of these heroic men who piloted their flimsy gliders to most of the important battlefields of the Second World War has never before been told It is indeed a remarkable story and no one is better qualified to tell it than Claude Smith who himself served with the regiment and took part in the invasion of Normandy on D Day June 6 1944 and later in the ill fated landing at Arnhem where he was taken prisoner Smith tells the story of these supremely brave men factually and dispassionately but it is impossible to read this book without being moved by their courage As General Sir John Hackett says in his foreword Those who went to battle in gliders and above all those who got them there the Glider Pilots deserve our enduring esteem Includes maps and illustrations

Among Heroes: Tales of the Jungle Skippers Philip Brinson, 2012-01-10 Formed just two months after Pearl Harbor and rushed to the Pacific by General MacArthur the 317th Troop Carrier Group entered combat at Wau New Guinea just one week after landing in Australia For over two and a half years the men of the 317th flew their unarmed transports over enemy held territory while living in the hot humid disease infested jungles of New Guinea and the Philippines many times subjected to Japanese bombings and ground attacks Their reputation of getting the job done at all costs resulted in the Group being chosen by the 5th AF's General Kenney as the Troop Carrier Group to drop paratroopers in the SWPA participating in all five major parachute drops in the Pacific Nadzab Noemfoor Tagaytay Ridge Corregidor and Aparri These stories told by the men themselves chronicle the actions of both the air crews and the often forgotten men on the ground during and immediately following the war in the Pacific Revenge of the Ritchie Boys Carl L. Steinhouse, 2022-09-14 German Jews who could escape the extermination frenzy of Hitler against the Jews They had lost relatives murdered by the Nazis and fled to America The men were drafted into the U S Army Many of these were ordered to Camp Ritchie and its Military Intelligence Center because of their ability to speak native German Intensively trained to use their native language abilities they became known as the Ritchie Boys These Ritchie Boys were trained to interrogate German prisoners of war to obtain current battlefield information and plans to help the Army commanders anticipate the German military moves and defeat them they translated and interpreted German documents taken off prisoners and dead Germans reflecting current German military thinking They risked their lives sneaking behind the German lines to capture prisoners and documents They turned out to be a tremendous asset to Generals like George Patton commander of the Third Army and John Gavin commander of the 82nd

All American, All the Way Phil Nordyke, 2005 The 82nd Airborne Division known as the All Americas parachuted into history as America's first airborne division to see combat Always at the forefr Green Light!: A Troop Carrier Squadron's War From Normandy to the Rhine, **Flying Magazine**, 1942-02 **Screaming Eagle Gliders** G.
