Salomon,2006 Medieval Hypertext is not only an introduction to the Glossa Ordinaria itself It also proposes a theory of reading the Glossa Ordinaria in the light of contemporary work on hypertext theory **An Introduction to the 'Glossa Ordinaria' as Medieval Hypertext** David A Salomon,2012-01-05 The Glossa Ordinaria the medieval glossed Bible first printed in 1480 81 has been a rich source of biblical commentary for centuries Circulated first in manuscript the text is the Latin Vulgate Bible of St Jerome with patristic commentary both in the margins and within the text itself This study the first of its kind introduces the reader to the Glossa Ordinaria both historically and through the lens of contemporary hypertext theory arguing that the Glossa Ordinaria is a hypertext of the mind By application of ancient medieval and modern theories this study encourages the reader to engage the Glossa Ordinaria in new and exciting ways This book serves both as primer on the Glossa Ordinaria and examination of the text in light of modern theories

Illuminating Jesus in the Middle Ages,2019-09-24 In Illuminating Jesus in the Middle Ages editor Jane Beal and other scholars analyse the reception history of images and ideas about Jesus in medieval cultures 6th 15th c They consider representations of Jesus in the liturgy of the medieval church Psalters and psalm commentaries bestiaries the Glossa ordinaria and Middle English vitae Christi as well as among the English the Irish and Europeans adherents to the cult of the Holy Name participants in the Feast of Corpus Christi and medieval contemplatives including Bede Theophylact of Ochrid Saint Francis Gertrude the Great Dante Julian of Norwich and medieval English and European visionaries among others Contributors are Jane Beal George Hardin Brown Aaron Canty Tom s Cathasaigh Thomas Cattoi Andrew Galloway Julia Bolton Holloway Michael Kuczynski Rob Lutton Vittorio Montemaggi Paul Patterson Linda Stone Lesley Sullivan Marcantonio Larry Swain Donna Trembinski Nancy van Deusen and Barbara Zimbalist The Letter and Spirit of Biblical Interpretation Keith D. Stanglin,2018-08-21 For the better part of fifteen centuries Christians read Scripture on two complementary levels the literal and the spiritual In the modern period the spiritual sense gradually became marginalized in favor of the literal sense The Bible came to be read and interpreted like any other book This brief accessible introduction to the history of biblical interpretation examines key turning points and figures and argues for a retrieval of the premodern spiritual habits of reading Scripture Out of the Cloister: Scholastic Exegesis of the Song of Songs, 1100-1250 Suzanne LaVere,2016-03-11 The Song of Songs was one of the most frequently interpreted biblical books of the Middle Ages Most scholarly studies concentrate on monastic interpretations of the text which tend to be contemplative in nature In Out of the Cloister Suzanne LaVere reveals a particularly scholastic strain of Song of Songs exegesis in which cathedral school masters and mendicants

in and around 12th and 13th century Paris read the text as Christ exhorting the Church and clergy to lead an active life of preaching instruction conversion and reform This new interpretation of the Song of Songs both reflected and influenced an era of far reaching Church reform and offered a program for secular clergy to combat heresy and apathy among the laity

Separating Abram and Lot Dan Rickett,2019-10-01 In Separating Abram and Lot The Narrative Role and Early Reception of Genesis 13 Dan Rickett presents a fresh analysis of two of Genesis most important characters Many have understood Lot as Abram s potential heir and as an ethical contrast to him Here Rickett explores whether these readings best reflect the focus of the story In particular he considers the origin of these readings and how a study of the early Jewish and Christian reception of Genesis 13 might help identify that origin In turn due attention is given to the overall purpose of Genesis 13 as well as how Lot and his function in the text should be understood **Birkat Kohanim** David

Birnbaum,Martin S. Cohen,2016-04-03 Given the prominence of prayer in traditional Jewish life it is surprising to note how few prayers the Torah actually ordains be recited by the pious as part of their ongoing effort to foster a relationship with the Divine Indeed some of the most famous of all Jewish prayers that do have their origin in Scripture are not presented as liturgical texts in that context at all The Shema for example the confession of faith par excellence which rabbinic tradition ordains be recited twice daily appears in the Bible as part of a larger literary unit with no indication that it is intended to be featured prominently in the prayer lives of the faithful Other prayer texts are presented in situ as features of an ongoing narrative for example the prayer of Damesek Eliezer that he find a wife for his master s son Genesis 24 12 14 or Moses prayer that Miriam be healed of her skin disease Numbers 12 13 have not come to be a part of the fixed Jewish liturgical tradition And still others like the prayer ordained for recitation by farmers presenting their first fruits at the sanctuary Deuteronomy 26 3 10 are presented as liturgical texts to be recited on a specific occasion but with no hint that they may licitly be recited in circumstances other than the ones specifically ordained by Scripture The Medieval Internet Jakob

Linaa Jensen,2020-09-11 This book sheds light on the world of the Internet and social media and their relationship with surveillance and control through a historical prism drawn from the Medieval Age **Microliteratures** Jesús R. Velasco,2025-07-15 Microliteratures is an innovative examination of writings done in the margins of medieval manuscripts and early modern books Not always as formal as glosses sometimes feverish and abbreviated these marginal writings or microliteratures are the product of readers thinking with the text at the center of the page Jes s R Velasco argues that microliteratures are not private annotations but rather a humanistic activity performed in the public sphere These marginal engagements with texts are made public to future readers of the same book Surveying the microliteratures of a wide range of medieval and early modern Iberian genres legal religious chivalric and political texts Velasco finds that in the shared space and time of reading microliterary actions and artifacts are also models of public humanities work that connects texts to contemporary issues Microliteratures emerge from this ambitious book as a way of understanding the self as a reflective and

politically engaged reader in conversation with past present and future readers as contemporaries
