Mekeel McBride

The Going Under Of The Evening Land:

The Going Under of the Evening Land Mekeel McBride, 1983 *Eveningland* Michael Knight, 2017-03-07 A New York Times Editors Choice short story collection hailed as a fresh masterpiece of Southern fiction touching haunting and brilliant Dallas News Long considered a master of the form and an essential voice in American fiction Michael Knight delivers a deft and wonderful wholly original collection of interlinked stories set among the members of a Mobile Alabama family in the years preceding a devastating hurricane The New York Times Book Review Grappling with dramas both epic and personal from the Deepwater Horizon oil spill to the unspeakable misgivings of contentment *Eveningland* captures with perfect authenticity of place the ways in which ordinary life astounds us with its complexity A teenaged girl with a taste for violence holds a burglar hostage in her house on New Year's Eve a middle aged couple examines the intricacies of their marriage as they prepare to throw a party and a real estate mogul in the throes of grief buys up all the property on an island only to be accused of madness by his daughters These stories infused with humor and pathos excavate brilliantly the latent desires and motivations that drive life forward in a luminous collection from a writer of the first rank **Esquire**

The Collected Poems of Anselm Hollo Anselm Hollo, 2023-08-08 Wry and witty poems from an avant garde great collected in one volume for the first time The Collected Poems of Anselm Hollo gathers over five decades of the poet's multifaceted work into one elegant volume All of Hollo's trademark humor wisdom and charm is on display here for students and fans of contemporary poetry Warm insightful and delightfully observant this comprehensive collection from the author of over forty books serves as a reminder that poetry isn't just an aspiration or avocation but a way of life

The Moviegoer Walker Percy, 2011-03-29 In this National Book Award winning novel from a brilliantly breathtaking writer a young Southerner searches for meaning in the midst of Mardi Gras The New York Times Book Review On the cusp of his thirtieth birthday Binx Bolling is a lost soul A stockbroker and member of an established New Orleans family Binx's one escape is the movie theater that transports him from the falseness of his life With Mardi Gras in full swing Binx along with his cousin Kate sets out to find his true purpose amid the excesses of the carnival that surrounds him Buoyant yet powerful *The Moviegoer* is a poignant indictment of modern values and an unforgettable story of a week that will change two lives forever This ebook features an illustrated biography of Walker Percy including rare photos from the author's estate

Four Points of the Compass Jerry Brotton, 2024-11-12 From the New York Times bestselling author of *A History of the World in 12 Maps* this is the revelatory history of the four cardinal directions that have oriented and defined our place on the globe for millennia North south east and west almost all societies use these four cardinal directions to orientate themselves and to understand who they are by projecting where they are For millennia these four directions have been foundational to our travel navigation and exploration and are central to the imaginative moral and political geography of virtually every culture in the world Yet they are far more subjective and sometimes contradictory than we might realize *Four Points of the Compass* leads us on a journey of directional

discovery Societies have understood and defined directions in very different ways based on their locations in time and space Historian Jerry Brotton reveals why Hebrew culture privileges east why Renaissance Europeans began drawing north at the top of their maps why early Islam revered the south why the Aztecs used five color coded cardinal directions and why no societies primitive or modern have ever orientated themselves westwards In doing so politically loaded but widely used terms such as the Middle East the Global South the West Indies the Orient and even the western world take on new meanings Who decided on these terms and what do they mean for geopolitics How have directions like east and west taken on the status of cultural identities or more accurately stereotypes Yet today because of GPS capability cardinal points are less relevant Online we place ourselves at the center of the map as little blue dots moving across geospatial apps we have become the most important compass point though in the process we ve disconnected ourselves from the natural world Imagining what future changes technology may impose Jerry Brotton skillfully reminds us how crucial the four cardinal directions have been to everyone who has ever walked our planet For anyone interested in history geography or surprising new ways to think about the world at large Four Points of the Compass will be a stimulating experience Walker Percy's Voices Michael Kobre,2000 Walker Percy s novels are fraught with characters struggling toward a destiny and purpose in life who must sort through conflicting inner voices and the voices of family friends therapists and mentors until they finally find their own paths Through trial error and retrial Percy s characters continuously reinvent themselves struggling until they reach solutions satisfaction and maturity In this multifaceted work Michael Kobre analyzes Walker Percy s major fiction works The Moviegoer The Last Gentleman Love in the Ruins Lancelot The Second Coming and The Thanatos Syndrome in terms of the Russian philosopher and literary scholar Mikhail Bakhtin s critical theory Kobre begins with an introduction to Percy s view of language and consciousness and a clear accessible explanation of Bakhtin s ideas His subsequent discussion of the novels connects each work in turn with Percy s advancing career and explores the deepening conflict in Percy s fiction between his desire to express his own religious and moral beliefs and his commitment to the essential freedom of his art the play of many voices in his narratives **Fears and Fascinations** Thomas Fredrick Haddox,2005 Looking at the works of diverse writers as the gens de couleur libre poets of antebellum New Orleans this book focuses on the shifting and contradictory ways Catholicism has signified within southern literature and culture It contributes to a more nuanced understanding of American and southern literary and cultural history *Stories from the Night Land Revised* William Hope Hodgson, Heidegger and Homecoming Robert Mugerauer,2008-10-21 Martin Heidegger s philosophical works devoted themselves to challenging previously held ontological notions of what constitutes being and much of his work focused on how beings interact within particular spatial locations Frequently Heidegger used the motifs of homelessness and homecoming in order to express such spatial interactions and despite early and continued recognition of the importance of homelessness and homecoming this is the first sustained study of these motifs in his later works Utilizing both literary and philosophical analysis Heidegger and

Homecoming reveals the deep figural unity of the German philosopher's writings by exploring not only these homecoming and homelessness motifs but also the six distinctive voices that structure the apparent disorder of his works. In this illuminating and comprehensive study Robert Mugerauer argues that these motifs and Heidegger's many voices are required to overcome and replace conventional and linear methods of logic and representation. Making use of material that has been both neglected and yet to be translated into English, Heidegger and Homecoming explains the elaborate means with which Heidegger proposed that humans are able to open themselves to others while at the same time preserve their self-identity.

Peculiar Crossroads Farrell O'Gorman, 2004-12-01 In *Peculiar Crossroads* Farrell O'Gorman explains how the radical religiosity of both Flannery O'Connor's and Walker Percy's vision made them so valuable as southern fiction writers and social critics. Via their spiritual and philosophical concerns, O'Gorman asserts these two unabashedly Catholic authors bequeathed a postmodern South of shopping malls and interstates imbued with as much meaning as Appomattox or Yoknapatawpha. O'Gorman builds his argument with biographical, historical, literary, and theological evidence, examining the writers' work through intriguing pairings such as O'Connor's *Wise Blood* with Percy's *The Moviegoer* and O'Connor's *A Good Man Is Hard to Find* with Percy's *Lancelot*. An impeccable exercise in literary history and criticism, *Peculiar Crossroads* renders a genuine understanding of the Catholic sensibility of both O'Connor and Percy and their influence among contemporary southern writers.

Decoding **The Going Under Of The Evening Land**: Revealing the Captivating Potential of Verbal Expression
