The Golden Age of Tongue Kissing Stan Pollack, 2002-03-26 The Golden Age of Tongue Kissing weaves a memorable story of a growing up experience spiced with laugh out loud humor A word of caution do not begin to read this book at bedtime unless you are prepared to stay up all night and laugh your head off [Experiencing Spirituality](#) Ernest Kurtz, Katherine Ketcham, 2015-06-16 A great master once said The shortest distance between a human being and truth is a story In *Experiencing Spirituality* Ernest Kurtz and Katherine Ketcham take readers on a journey through storytelling as a means of self discovery Recounting and interpreting great wisdom stories from all ages and all cultures as well as telling many of their own the authors shed light on such experiences as awe wonder humor confusion and forgiveness In story after story seekers look to those whose lives reveal a special quality sometimes called spirituality and ask the masters what they must do to attain that same quality The answer is simple Come follow me and see how I live *Experiencing Spirituality* teaches through the example of human experience *Spiritual Growth* Paul Steinberg, 2018-09-30 This book began with Paul Steinberg's realization that although religions are struggling to meet the needs and trends of our modern age spirituality is not Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts terms and expressions from many other spiritual traditions *Spiritual Growth A Contemporary Jewish Approach* provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real i e not dumbed down for anyone It is a work that emerged out of Rabbi Steinberg's own personal experiences pains and spiritual journey the trials and growth documented in his highly successful book *Recovery the 12 Steps and Jewish Spirituality* There are not a lot of works like this There are books on Jewish scholarship history and theology But books on Jewish spirituality tend usually to focus on a particular motif such as the feminine grief aging or Kabbalistic biblical interpretations *Spiritual Growth A Contemporary Jewish Approach* presents its message through the psycho spiritual world view of 2018 but without the language and narrative of a therapist It is an important contribution to the spiritual seeking community at large to Jews who have become alienated from their faith and to anyone interested in learning more about what a historically vibrant spirituality can bring to today's troubled world [New York Magazine](#) , 1994-09-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to
