

The Golden Country

A Play about Martyrs in Japan

by Shusaku Endo

translated by Francis Mathy

The Golden Country A Play About Martyrs In Japan

Chao Zhang

The Golden Country A Play About Martyrs In Japan:

Golden Country Shusaku Endo, 2012-01-09 The events described in this exciting and provocative three act play a companion piece to Endo's highly acclaimed novel *Silence* take place in 1633 nearly a hundred years after Christianity was introduced into Japan. By this time Japanese Christians were being cruelly persecuted by the government every Christian searched out was made to apostatize or suffer a slow agonizing death. The central character of *The Golden Country* is Father Christopher Ferreira a Portuguese Jesuit missionary. Given shelter by a Christian farming community everyone looks to him for help including one of his chief persecutors. When after cruel torture Father Ferreira apostatizes to the disbelief of his Japanese converts the play reaches a climax that is later capped only by the courage nobility and love of the martyrs. Father Francis Mathy's detailed Introduction to this tightly constructed drama which poses basic questions about the meaning of faith love and fate provides valuable historical background. *The Golden Country* Shūsaku Endō, *The Samurai and the Cross* M. Antoni J. Üçerler, 2022 M. Antoni J. Uçerler examines how the Jesuit missionaries sought new ways to communicate their faith in an unfamiliar linguistic cultural and religious environment and how they sought to re-invent Christianity in the context of samurai Japan. Based on little known primary sources in various languages *The Samurai and the Cross* explores the moral and political debates over religion law and reason of state that took place on both the European and the Japanese side.

River with No Bridge Sue Sumii, 2011-12-27 *The River With No Bridge* Hashi no nai kawa explores with outspoken frankness a subject still taboo in Japan the intolerance and bigotry faced daily by Japan's largest minority group the burakumin. Racially no different from other Japanese over the centuries burakumin have been cruelly ostracized for their association with occupations considered defiling. Spanning the years 1908 to 1924 the original six volumes of this novel trace the developing awareness of burakumin of their rights and dignity as human beings. Volume 1 translated into English for the first time in 1990 is a story about childhood in a burakumin village. It tells of young Koji Hatana's questioning of the rigid social order and his growing sense of injustice as he meets prejudice from other children at school and from his teachers who try to instill in him their belief that since he was born defiled he should resign himself to his fate. Told against the backdrop of Japan's struggle to shed its feudalistic past and enter the modern age the novel is a courageous work and a compelling read.

The Jesuits and Globalization Thomas Banchoff, José Casanova, 2016-05-25 The Society of Jesus commonly known as the Jesuits is the most successful and enduring global missionary enterprise in history. Founded by Ignatius Loyola in 1540 the Jesuit order has preached the Gospel managed a vast educational network and shaped the Catholic Church society and politics in all corners of the earth. Rather than offering a global history of the Jesuits or a linear narrative of globalization Thomas Banchoff and Jos Casanova have assembled a multidisciplinary group of leading experts to explore what we can learn from the historical and contemporary experience of the Society of Jesus what do the Jesuits tell us about globalization and what can globalization tell us about the Jesuits. Contributors include comparative theologian Francis X. Clooney SJ historian

John W O Malley SJ Brazilian theologian Maria Clara Lucchetti Bingemer and ethicist David Hollenbach SJ They focus on three critical themes global mission education and justice to examine the historical legacies and contemporary challenges Their insights contribute to a more critical and reflexive understanding of both the Jesuits history and of our contemporary human global condition *Tales of Old Japan* A.B. Mitford, 2011-12-27 One of the first and in many ways still one of the best books on Japan The Japan Times First published in 1871 *Tales of Old Japan* has withstood the test of time and taken its place as one of the classic volumes of Japanese literature The book presents a broad cross section of Japanese prose historical tales like the famous story of the Forty seven Ronin nonfiction reporting on marriage funerals and the author s gory eyewitness account of hara kiri fairy tales and stories of superstition featuring vampire cats and magic foxes even three sermons written by a priest belonging to the Shingaku sect which professes to combine Buddhist Confucian and Shinto teachings The books thirty three chapters cover practically every sector of Japanese life Thirty one reproductions of woodblock prints illustrate the various tales and essays Author Robert Louis Stevenson cited *Tales of Old Japan* in his essay *Books Which Have Influenced Me* Over a hundred years have passed since Stevenson justly praised A B Mitford s book but his work remains an important and fascinating sourcebook on Japan and the Japanese *Annual Review of English Books on Asia* ,1974

Silence and Beauty Makoto Fujimura, 2016-04-01 Internationally renowned artist Makoto Fujimura reflects on Shusaku Endo s novel *Silence* and grapples with the nature of art pain and culture Showing that light is yet present in darkness he uncovers deep layers of meaning in Japanese history and finds connections to how faith is lived in contexts of trauma

Kojiki ,2012-06-19 Written by imperial command in the eighth century The *Kojiki* Records of Ancient Matters is Japan s classic of classics the oldest connected literary work and the fundamental scripture of Shinto A more factual history called the *Nihongi* or *Nihon Shoki* Chronicles of Japan was completed in A D 720 but The *Kojiki* remains the better known perhaps because of its special concern with the legends of the gods with the divine descent of the imperial family and with native Shinto Both works have immense value as records of the development of Japan into a unified state with a well defined character Indeed even the mythological aspects were accepted as fact throughout most of subsequent Japanese history until the defeat and disillusionment of the nation in 1945 This classic text is a key to the historical roots of the Japanese people their early life and the development of their character and institutions as well as a lively mixture of legend and history genealogy and poetry It stands as one of the greatest monuments of Japanese literature because it preserves more faithfully than any other book the mythology manners language and traditions of Japan It provides furthermore a vivid account of a nation in the making The work opens when chaos had begun to condense but force and form were not yet manifest and there was nought named nought done It recounts the mythological creation of Japan by the divine brother and sister Izanami and Izanagi tales of the Sun Goddess and other deities the divine origin of Jimmu the first emperor and the histories of subsequent reigns Epic material is complemented by a fresh bucolic vein expressed in songs and poetry This famous

translation by the British scholar Basil Hall Chamberlain is enhanced by notes on the text and an extensive introduction discussing early Japanese society as well as The Kojiki and its background Important for its wealth of information The Kojiki is indispensable to anyone interested in things Japanese *Asian Literature in English* George Lincoln Anderson,1981

Books on Japan Shin'ichi Ichimura,Tōru Yano,1974 **Midamerica** ,1991 **Far Eastern Economic Review** ,1989-10

Japan's Hidden Christians, 1549-1999 Stephen R. Turnbull,2000 This volume is by the author of *The Kakure Kirishitan* of Japan A study of their development beliefs and rituals to the present day widely seen as the landmark study on this subject Stephen Turnbull here brings together in two volumes the most significant scholarly writings on Japan's hidden Christians published in recent times encompassing a span of some 450 years of the Christian tradition in Japan Remarkably in many respects the inheritors of this tradition continue to remain hidden at the dawn of the new millennium The author contributes a full introduction in which he reviews the key elements of the collected writings and at the same time takes the opportunity to bring his own study up to date *Japan English Publications in Print* ,1998 **Beauty Will Save the World** Gregory Wolfe,2014-04-08 Culture Not Politics We live in a politicized time Culture wars and increasingly partisan conflicts have reduced public discourse to shouting matches between ideologues But rather than merely bemoaning the vulgarity and sloganeering of this era says acclaimed author and editor Gregory Wolfe we should seek to enrich the language of civil discourse And the best way to do that Wolfe believes is to draw nourishment from the deepest sources of culture art and religious faith Wolfe has been called one of the most incisive and persuasive voices of our generation and this penetrating and wide ranging book makes a powerful case for the importance of beauty and imagination to cultural renewal He begins by tracing his own journey from a young culture warrior bent on attacking the modern world to a career devoted to nurturing the creation of culture through contemporary literature and art that renew the Western tradition Along the way Wolfe finds in Renaissance Christian humanists like Erasmus and Thomas More and their belief that imagination and the arts are needed to offset the danger of ideological abstractions a distant mirror in which to see our own times Comparative Literature ,1967 ThirdWay ,1991-09 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Mennonite Life** Cornelius Krahn,1971 Silence Shusaku Endo,2016-01-05 Originally published in Japanese under the title *Chinmoku* by Monumenta Nipponica Title page verso

The Golden Country A Play About Martyrs In Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Golden Country A Play About Martyrs In Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Golden Country A Play About Martyrs In Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Golden Country A Play About Martyrs In Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Golden Country A Play About Martyrs In Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
