The Gone Shots:

Girl Head Genevieve Yue,2020-11-10 Girl Head shows how gender has had a surprising and persistent role in film production processes well before the image ever appears onscreen For decades feminist film criticism has focused on issues of representation images of women in film But what are the feminist implications of the material object underlying that image the filmstrip itself What does feminist analysis have to offer in understanding the film image before it enters the realm of representation Girl Head explores how gender and sexual difference have been deeply embedded within film materiality In rich archival and technical detail Yue examines three sites of technical film production the film laboratory editing practices and the film archive Within each site she locates a common motif the vanishing female body which is transformed into material to be used in the making of a film The book develops a theory of gender and film materiality through readings of narrative film early cinema experimental film and moving image art This original work of feminist media history shows how gender has had a persistent role in film production processes well before the image ever appears onscreen **Shot Girls** Vanity Wonder,2012-03-31 Shot Girls is the real life raw accounting of Vanity Wonder s 5 year journey with black market butt injections Commonly called shots pumping or work illegal butt injections are quickly on the rise and not just for strippers or women in the entertainment industry Known for her jaw dropping 34 23 45 curves Vanity tells no lies about how she obtained them In this book Vanity takes you on a gripping ride through her 16 injection procedures drug abuse and the lessons she learned along the way Without a doubt this book will answer any questions you may have about this procedure and satisfy your curiosity on the subject **Time Shot** R. Baily's Magazine of Sports and Pastimes, 1907 **The Wolf's Time** Oskar Östlund, 2024-09-21 In the tranquil Swedish coastal town of Skutskär the summer of 2004 turns into a nightmarish apocalyptic fever dream Inspired by the atmospheric tension of *Stranger Things* the visceral horror of the *Alien* trilogy and the relentless brutality of *Koushun Takami's Battle Royale* *The Wolf's Time* is a raw unforgiving and macabre tale of friendship love and brutal survival As the sun sets and darkness creeps in the once familiar surroundings of their hometown become a battleground The friends summer plans of LAN parties mopeds and youthful rebellion are shattered by an unknown enemy that descends upon them with merciless ferocity Forced to confront their deepest fears and darkest nightmares they must band together to survive a foe unlike anything anyone has ever seen With every page turn the tension mounts and the body count rises This is a story of friendship tested by fire of loyalty pushed to its limits and of courage forged in the crucible of terror *The Wolf's Time* is not for the faint hearted It is a chilling journey into the unknown where the lines between reality and nightmare blur and the only certainty is that no one is safe Prepare yourself for a tale that is as haunting as it is relentless and as beautiful as it is brutal
