The Intertexture Of Apocalyptic Discourse In The New Testament Sbl Symposium 14

**Jon Ma. Asgeirsson, April
DeConick, Risto Uro**

The Intertexture Of Apocalyptic Discourse In The New Testament Sbl Symposium 14:

The Intertexture of Apocalyptic Discourse in the New Testament Duane Frederick Watson, 2002 These essays examine the intertexture of apocalyptic discourse in the New Testament what the discourse represents refers to and uses of outside phenomena Intertexture includes references in the Hebrew Bible intertestamental and Greco Roman texts and social and cultural phenomena Paperback edition is available from the Society of Biblical Literature www.sbl-site.org *International Review of Biblical Studies, Volume 49 (2002-2003)* Bernhard Lang, 2004-02-01 Formerly known by its subtitle Internationale Zeitschriftenschau f r Bibelwissenschaft und Grenzgebiete the International Review of Biblical Studies has served the scholarly community ever since its inception in the early 1950 s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered

The Oxford Handbook of Hebrews and the Catholic Epistles Patrick Gray, 2024 The study of Hebrews and the Catholic Epistles was never truly confined to their place in fraught ecclesiastical disputes Recent decades have witnessed a resurgence of interest in these writings The present volume seeks to assess the relevance of these works to various questions that are often posed to other parts of the New Testament canon to report on the current state of scholarship devoted to the interpretive issues they raise and to survey their rich and often overlooked afterlives *Qumran Wisdom and the New Testament* Benjamin Wold, 2022-12-22 In this book Benjamin Wold builds on recent developments in the study of early Jewish wisdom literature and brings it to bear on the New Testament This scholarship has been transformed by the discovery at Qumran of more than 900 manuscripts including Hebrew wisdom compositions many of which were published in critical editions beginning in the mid 1990s Wold systematically explores the salient themes in the Jewish wisdom worldview found in these scrolls He also presents detailed commentaries on translations and articulates the key debates regarding Qumran wisdom literature highlighting the significance of wisdom within the context of Jewish textual culture Wold s treatment of themes within the early Jewish and Christian textual cultures demonstrates that wisdom transcended literary form and genre He shows how and why the publication of these ancient texts has engendered profound shifts in the study of early Jewish wisdom and their relevance to current controversies regarding the interpretation of specific New Testament texts *The Eschatological Implications of Isa 65 and 66 as the Conclusion of the Book of Isaiah* Emmanuel Uchenna Dim, 2005 What can one say about eschatology in the Old Testament For a number of scholars there is no eschatology in the Old Testament and

for many others eschatology only occurs at the fringes of that section of the Bible Biblical Studies have tried to clarify the issues around eschatology but different views remain It is from this general background that this book examines the eschatology of the unit of Isa 65 and 66 The author throws new light on what Old Testament eschatology really is and offers a practical view of the unit of Isa 65 and 66 situating it within the larger Isaian tradition **Inaugurated Resurrection in**

Earliest Christianity Daniel W. Hayter,2025-09-04 Daniel W Hayter explores the concept of inaugurated resurrection within earliest Christianity the view that believers have experienced a present resurrection with Christ in advance of their final resurrection at his return He argues that belief in inaugurated resurrection is already discernible in Paul s own writings in large part due to the influence of Scripture suggesting that the influence of Ezekiel 36 37 on Paul s understanding of the gift of the Spirit helps to explain this belief Paul saw inaugurated resurrection as a way of speaking of receiving the Spirit Hayter thus examines the reception of Ezekiel 36 37 in Second Temple Jewish literature in order to situate Paul s own understanding of these chapters in the wider Jewish context and follows with an extensive exploration of Ezekiel 36 37 in Paul s own writings He argues that Paul understood Ezekiel s vision of the resurrection of dry bones to have been fulfilled in the present in the gift of God s Spirit to those in Christ that Paul s understanding of Ezekiel is then brought to bear on a close exegesis of Romans 6 1 14 and that Paul s view of the Spirit in light of Ezekiel 36 37 helps to explain the strong connection between inaugurated resurrection and baptism Hayter concludes that far from being non bodily inaugurated resurrection by baptism in one Spirit implies incorporation into the resurrected body of Christ *Rhetoric, Ethic, and Moral Persuasion in Biblical*

Discourse Thomas H. Olbricht,Anders Eriksson,2005-10-27 A collection of essays from the Heidelberg conference on rhetoric and the New Testament Paul and the Rhetoric of Reversal in 1 Corinthians Matthew R. Malcolm,2013-07-25 The first

letter to the Corinthians is one of the most discussed biblical books in New Testament scholarship today Despite this there has been no consensus on its arrangement and central theme in particular why the topic of the resurrection was left until the end of the letter and what its theological significance would have been to the Corinthian church Matthew R Malcolm analyses this rhetoric of reversal examines the unity of the epistle and addresses key problems behind particular chapters He argues that while Jewish and Greco Roman resources contribute significantly to the overall arrangement of the letter Paul writes as one whose identity and rhetorical resources of structure and imagery have been transformed by his preaching or kerygma of Christ The study will be of interest to students of New Testament studies Pauline theology and early Christianity

Discovering Revelation David A. deSilva,2021-04-29 The book of Revelation has been received over the past several centuries with both fascination and aversion but one thing is certain it has profoundly shaped Christian history and culture And the way it has shaped history and culture has been determined in large part by how the book has been variously and sometimes irresponsibly interpreted David A deSilva addresses the interpretation and reception history of Revelation in this compact up to date and student friendly introduction to the book of Revelation focusing on its structure content theological

concerns key interpretive debates and historical reception Discovering Revelation draws on a range of methodological approaches author text and reader centered as complementary rather than mutually exclusive ways of interpreting the text DeSilva pays special attention to defining features of Revelation such as its use of sequences of seven as a major structuring device its nonlinear plotline and its deployment of contrast and parody As deSilva writes A text as rich and multidimensional as Revelation calls for its readers to adopt a rich and multidimensional approach that draws upon a variety of interpretative angles and skills

Thomasine Traditions in Antiquity Jon Ma. Asgeirsson, April DeConick, Risto Uro, 2020-10-26 This volume is a selection of papers presented to the Society of Biblical Literature Thomasine Traditions Group from 1996 to 2001 The papers focus on the early Christian writings attributed to the apostle Thomas with particular emphasis on the Gospel of Thomas The collection offers an extensive discussion of the social and cultural world of the gospel particularly examining its relationship to other contemporary Christian writings and Graeco Roman literature The essays give a helpful survey of recent developments and discussions in the field of Thomasine studies Among many topics dealt with in the volume are the issue of Thomas community the gospel s enigmatic exhortation to become passers by and Thomas relation to the Hebrew epic Platonic philosophic traditions Valentinus as well as to early gospel harmonies The volume also proposes a hypothesis of the earliest layer of the Thomasine traditions and presents analyses of Thomas argumentative rhetology and portrait of Jesus One essay focuses on the role of the apostle Thomas in the Acts of Thomas Thomasine Traditions in Antiquity will be a valuable tool for all those interested in Nag Hammadi Studies Gnosticism Early Christianity and the history of religion
