The Irish Americans Political Class The Irish Americans

William E. Watson, Eugene J. Halus Jr.

The Irish Americas Political Class The Irish Americans:

Ireland and Irish America Kerby A. Miller, 2008 Between 1600 and 1929 perhaps seven million men and women left Ireland and crossed the Atlantic Ireland and Irish America is concerned with Catholics and Protestants rural and urban dwellers men and women on both sides of that vast ocean Drawing on over thirty years of research in sources as disparate as emigrants letters and demographic data it recovers the experiences and opinions of emigrants as varied as the Rev James McGregor who in 1718 led the first major settlement of Presbyterians from Ulster to the New World Mary Rush a desperate refugee from the Great Famine in County Sligo and Tom Brick an Irish speaking Kerryman on the American prairie in the early 1900s Above all Ireland and Irish America offers a trenchant analysis of mass migration s causes its consequences and its popular and political interpretations In the process it challenges the conventional two traditions Protestant versus Catholic paradigm of Irish and Irish diasporan history and it illuminates the hegemonic forces and relationships that governed the Irish and Irish American worlds created and linked by transatlantic capitalism **Irish Americans** William E. Watson, Eugene J. Halus Jr., 2014-11-25 Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants This encyclopedia tells the full story of the Irish American experience covering immigration assimilation and achievement The Irish have had a significant impact on America across three centuries helping to shape politics law labor war literature journalism entertainment business sports and science This encyclopedia explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed Well known Irish Americans are profiled but the work also captures the essence of everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups The approximately 200 entries in this comprehensive one stop reference are organized into four themes the context of Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture Each section offers a historical overview of the subject matter and the work is enriched by a selection of primary documents *The Irish Americans* Jay P. Dolan, 2010-06-01 Jay Dolan of Notre Dame University is one of America s most acclaimed scholars of immigration and ethnic history In THE IRISH AMERICANS he caps his decades of writing and teaching with this magisterial history of the Irish experience in the United States Although more than 30 million Americans claim Irish ancestry no other general account of Irish American history has been published since the 1960s Dolan draws on his own original research and much other recent scholarship to weave an insightful colorful narrative He follows the Irish from their first arrival in the American colonies through the bleak days of the potato famine that brought millions of starving immigrants the trials of ethnic prejudice and No Irish Need Apply the rise of Irish political power and the heyday of Tammany politics to the election of John F Kennedy as president a moment of triumph when an Irish American ascended to the highest office in the land Dolan evokes the ghastly ships crowded with men and women fleeing the potato blight the vibrant life of Catholic parishes in cities like New York and Chicago the world of machine

politics where ward bosses often held court in the local saloon Rich in colorful detail balanced in judgment and the most comprehensive work of its kind yet published THE AMERICAN IRISH is a lasting achievement by a master historian that will become a must have volume for any American with an interest in the Irish American heritage **Immigration**

Reconsidered Virginia Yans-McLaughlin, 1990-11-15 Providing an interdisciplinary and global perspective on immigration to the United States this collection of essays brings together the work of leading scholars in the field including the work of such distinguished historians sociologists and political scientists as Charles Tilly Philip Curtin Kirby Miller Sucheng Chan Alejandro Portes Lawrence Fuchs and Aristide Zolberg and represents an important step forward in the development of immigration studies The book helps redirect thinking on the subject by giving a summary of the current state of immigration studies and a coherent new perspective that emphasizes the international dimensions of the immigrant experience from the time of the slave trade to present day movements of Asian and Latin American peoples Immigration Reconsidered challenges ethnocentric American or European perspectives on immigration disputes the classical assimilation model of a linear progression of immigrant cultures toward a dominant American national character questions human capital theory as an explanation of ethnic group achievement reveals conflicting ethnic and racial attitudes toward immigration restriction and examines the revival of interest in oral history immigrant autobiographies and other subjective documents Offering a new approach to immigration studies for the 1990s Immigration Reconsidered is important reading for anyone who wants to know how the America came to be as it is today Race, Politics, and Irish America Mary M. Burke, 2022 Considers three

centuries of writers and creatives of mostly Scots Irish and post Famine Irish descent whose work examines moments of entwined racial social and political transformation for those of that identity in America **Encyclopedia of U.S. Labor and Working-class History** Eric Arnesen, 2007 Publisher Description **A Nation of Peoples** Elliott Robert

Barkan, 1999-05-30 The debate over America s multiculturalism has been intense for nearly three decades dividing opponents into those insisting on such recognition and those fearing that such a formal acknowledgment will undermine the civic bonds created by a heterogeneous nation Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America s ethnic groups in a format that is readable current and authoritative The chapters in this reference book demonstrate that America has been far more than a nation of immigrants it has been a nation of peoples of virtually all races religions and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others To understand the American experience the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South Southwest West and even Alaska and Hawaii As a reference book this volume provides thorough coverage of more than two dozen racial ethnic and religious groups in the United States Each chapter is written by an expert contributor and overviews the

experiences of one group or a cluster of related groups The chapters are arranged alphabetically and cover groups such as African Americans American Indians Filipinos Hawaiians Mexicans Mormons and Puerto Ricans To the extent possible each chapter discusses the initial arrival of the group in America the adaptation of the first generation of immigrants the economic political and cultural integration of the group and the status of the group in contemporary American society Each chapter closes with a bibliographical essay and the volume concludes with a review of the most important general works on America's multicultural heritage

Seán MacBride, A Life Elizabeth Keane, 2007-10-16 An exceptional man an extraordinary career a life of Seán MacBride Ireland's most distinguished statesman Sean MacBride 1904-1988 was at different times the Chief of Staff of the IRA a top criminal lawyer leader of Clann na Poblachta Irish Foreign Minister UN Commissioner and a founding member of Amnesty International He is the only person to have won both the Nobel Peace Prize 1974 and the Lenin Peace Prize 1977 Seán MacBride A Life by accomplished historian Elizabeth Keane is the first complete biography of this multifaceted complex and internationally renowned Irish politician From revolutionary terrorist to conservative constitutional politician to liberal elder statesman and international humanitarian Seán MacBride uncovers the political and personal story of one of twentieth century Ireland's most controversial figures Seán MacBride begins with MacBride's birth in Paris in 1904 With icons of the nationalist movement in Ireland for parents MacBride's future as a politician was fated his father John MacBride was a Boer War hero executed for his role in the Easter Rising of 1916 his mother Maud Gonne was an outspoken revolutionary and the lost love and muse of Ireland's most famous poet W B Yeats Seán MacBride then looks at MacBride's membership of the IRA which he joined as teenager He fought in both the Irish War of Independence and the Irish Civil War Seán MacBride charts his rapid rise through the ranks looking at how he became the Director of Intelligence and later Chief of Staff of the IRA before relinquishing his position and becoming a top criminal barrister MacBride entered Dáil Éireann for the first time in 1947 as the leader of Clann na Poblachta and formed the first coalition government in Irish history in 1948 Appointed Minister for External Affairs Foreign Minister Seán MacBride considers MacBride's tenure in office which included overseeing the acceptance of the European Convention on Human Rights the rejection of NATO and Ireland's exit from the Commonwealth His refusal to support fellow Clann na Poblachta TD Noel Browne's Mother and Child Scheme in the face of the opposition of the Catholic bishops led to the collapse of the coalition MacBride lost his seat in the 1957 election retired officially from Irish party politics and entered the third phase of his life international statesman and human rights activist Seán MacBride looks at the pivotal role MacBride played in European and international politics and human rights over the course of his later years including founding Amnesty International opposing apartheid in South Africa and agitating against nuclear armament Few Irish politicians have had such an impact domestically and internationally From MacBride's violent IRA beginnings to his later advocacy of peace in politics Seán MacBride A Life captures the twists and turns of a fascinating career A figure of national and international importance one of the most distinguished Irish people of the twentieth century

he has found a biographer of authority and assurance in Elizabeth Keane whose survey of his life and times is astute insightful and convincing Praise for Elizabeth Keane A singular voice in Irish history The Sunday Business Post Se n MacBride A Life Table of Contents Preface Man of Destiny A Sort of Homecoming From Chief of Staff to Chief Counsel Fighting Your Battles The Harp Without the Crown Rattling the Sabre Coming out of the Cave Catholic First Irishman Second A Statesman of International Status Never Lost His Fenian FateConclusion **America's Dark History** H. H. Charles,2021-07-12 Trump s Make America Great Again was a crass slogan intended to appeal to the most antiquated and base emotions resentments and bigotry that plague far too many Americans who still believe in white supremacy Using historical sources found on various research platforms Part I reviews the genocide persecution and bigotry practiced from Columbus to Trump on natives immigrants Africans and others There is no review of Trump as what he has done and is doing is well covered by present day media Acknowledging it is hardly an exhaustive compilation Part II lists the contributions made by those who suffered from their not being white Anglo immigrants to America The book is an attempt to have Americans who will listen and care recognize that America does not need to be made great again America needs to be made great **Two Irelands beyond the Sea** Lindsey Flewelling,2018-04-11 Uncovers the transnational movement by Ireland s unionists as they worked to maintain the Union during the Home Rule era The book explores the political social religious and Scotch Irish ethnic connections between Irish unionists and the United States as unionists appealed to Americans for support and reacted to Irish nationalism
