Contemporary Marriage Kingsley Davis, 1986-08-20 This fascinating symposium is based on an assumption that no longer seems to need justification that the institution of marriage is today experiencing profound changes But the nature of those changes their causes and consequences is very much in need of explication The experts contributing to this volume bring a wide range of perspectives sociological anthropological economic historical psychological and legal to the problem of marriage in modern society Together these essays help illuminate a form of relationship that is both vulnerable and resilient biological and social a reflection of and an influence on other social institutions Contemporary Marriage begins with an important assessment of the revolution in marital behavior since World War II tracing trends in marriage age cohabitation divorce and fertility The focus here is primarily on the United States and on industrial societies in general Later chapters provide intriguing case studies of particular countries There is a recurrent interest in the impact on marriage of modernization itself but a number of essays probe influences other than industrial development such as strong cultural and historical patterns or legislation and state control Beliefs and expectations about marriage are explored and human sexuality and gender roles are also considered as factors in the nature of marriage Contemporary Marriage offers a rich spectrum of approaches to a problem of central importance The volume will reward an equally broad spectrum of readers interested in the meaning and future of marriage in our society Farm Journal ,1920 Feminism and the Periodical Press, 1900-1918 Lucy Delap, Maria DiCenzo, Leila Ryan, 2006 The Edwardian period experienced a particularly vibrant periodical culture with phenomenal growth in the numbers of titles published that were either aimed specifically at women or else saw women as a key section of their readership or contributor group It was an era of political ferment in which a number of progressive traditions were formulated shaped or abandoned including socialism feminism modernism empire politics trade unionism and welfarism Organized around some of the central themes of political thought and utopian thinking this impressive collection gathers together classic articles from key periodicals The set presents a comprehensive sourcebook of readings on Edwardian Progressive era feminist thought exploring the intervention of the radical public intellectuals working in these traditions in North America and the UK from 1900 1918 ... Journal of the Department of Labour ... New Zealand. Department of Labour (1891-1947), 1897 **Hands on Film** Barry Monahan, 2025-10-01 Hands on Film is a comprehensive study of the representations and on screen uses of the human limb spanning the history of the cinema from its birth to

contemporary times It examines how filmmakers have framed the hand for a variety of effects from stylistic to thematic and for the development of characterisation and narrative The book offers insights into how films have created meaning by focusing on that part of the anatomy and in turn proposes a variety of ways in which its on screen appearances might shed light on what it means to be sentient cultured and creative beings in the world *The Annalist* ,1922 [The Encyclopedia of the Sri Lankan Diaspora](#) Peter Reeves,2013 Well over a million people of Sri Lankan origin live outside South Asia The Encyclopedia of the Sri Lanka Diaspora is the first comprehensive study of the lives culture beliefs and attitudes of immigrants and refugees from this island The volume is a joint publication between the Institute of South Asian Studies NUS and Editions Didier Millet It focuses on the relationship between culture and economy in the Sri Lanka diaspora in the context of globalisation increased transnational culture flows and new communication technologies In addition to the geographic mapping of the Sri Lanka diaspora in the various continents thematic chapters include topics on long distance nationalism citizenship Sinhala Tamil and Burgher diaspora identities religion and the spread of Buddhism as well as the Sri Lankan cultural impact on other nations
