Itosu no Rohai Shodan

The Rohai (鷺牌) originated from the Tomari-te school of Okinawan martial arts. It was called Matsumora Rohai, after Kosaku Matsumora, who was presumably its inventor. Master Itosu later took this kata and developed three kata from it: Rohai shodan, Rohai nidan, and Rohai sandan. Itosu Rohai Shodan has different way of standing of "Sagi Ashi Dachi" which refers to its application of "Nami Gaeshi". Itosu no Rohai Shodan is a short kata and it's Embusen is a straight line.

The Itosu Kata Of Seito Shitoryu:

Okinawa Kata Encyclopedia Nathan Batson, 2025-10-01 *Okinawa Kata Encyclopedia Exploring Ryukyu's Martial Secrets* is a comprehensive reference work dedicated to the history, terminology, and practice of Okinawan kata in both karate and kobud. Drawing on decades of study, direct training in Okinawa, and extensive historical research, this volume presents an in-depth examination of kata as the living core of Okinawa's martial culture. Organized in an accessible encyclopedia format, the book explores over two dozen classical forms, including empty hand kata such as Sanchin, Pinan, and Kusanku, alongside kobud weapon forms with the bō, sai, tonfa, nunchaku, kama, eku, tekko, and tinbe. Each entry addresses the name's meaning and etymology, historical roots, cultural context, characteristic stances and techniques, major lineages, and stylistic variations, and the kata's enduring legacy. Where sources conflict, multiple perspectives are presented with careful attention to oral tradition, documentary evidence, and modern interpretation. Beyond technical description, the encyclopedia situates kata within the broader history of the Ryukyu Kingdom and Okinawa's social and political transformations, including Chinese tributary exchanges, the Satsuma occupation, and the 20th-century evolution of karate and kobud as global arts. Glossary entries clarify cultural and technical terminology, while biographies of key historical figures connect each form to the individuals who preserved and transmitted it. Intended for both practitioners and scholars, the work balances accessibility with academic rigor. Martial artists will find clear explanations of stances, movement principles, and combative strategies, while historians and cultural enthusiasts will appreciate the careful contextualization of kata within Okinawa's unique heritage. The result is a resource that bridges practice and scholarship, offering readers a structured and authoritative guide to one of the world's most influential martial traditions. At once a reference, a teaching aid, and a cultural history, *Okinawa Kata Encyclopedia* preserves the richness of kata as both a physical discipline and a repository of Ryukyu's martial spirit. *Shotokan's Secret* Bruce D. Clayton, 2004. Reveals the origins and purpose of the art of shotokan. This book describes how karate was invented by the world's only unarmed bodyguards to protect the world's only unarmed king, the king of Okinawa, against Americans.

Classical Kata of Okinawan Karate Pat McCarthy, 1987. Pat McCarthy, a shorinji ryu stylist and triple crown winner of the North American Karate Championships in 1974, demonstrates 11 karate kata. A detailed history of Okinawan karate and biographies of 37 of its greatest patriarchs are also included. *Karate as the Art of Killing* Masayuki Shimabukuro, Leonard J. Pellman, 2022-05-24. This comprehensive overview of karate connects the dots between its philosophical and spiritual foundations with its original purpose to kill an attacker swiftly and brutally. Prior to 1900, karate was exclusively an art of unarmed self-defense. Its practice was designed for life-or-death situations, effectively an art of killing. Here, authors Leonard Pellman and the late Masayuki Shimabukuro restore karate to its original intent. They move karate away from its popular, modern-day sporting applications back to its deadly origins and to the restraining philosophy of peace, self-sacrifice, compassion, and service to others that necessarily accompanied it. Readers will learn the purpose and meaning of karate.
