The Jesuit Heritage In New England:

The Jesuit Heritage in New England Vincent A. Lapomarda, 1977-01-01 *The Jesuit Heritage in New England* Vincent A., 1977 *Roman Sources for the History of American Catholicism, 1763-1939* Matteo Binasco, 2018-05-15

Roman Sources for the History of American Catholicism 1763-1939 is a comprehensive reference volume researched and compiled by Matteo Binasco that introduces readers to the rich content of Roman archives and their vast potential for U S Catholic history in particular. In 2014 the University of Notre Dame's Cushwa Center for the Study of American Catholicism hosted a seminar in Rome that examined transatlantic approaches to U S Catholic history and encouraged the use of the Vatican Secret Archives and other Roman repositories by today's historians. Participants recognized the need for an English language guide to archival sources throughout Rome that would enrich individual research projects and the field at large. This volume responds to that need. Binasco offers a groundbreaking description of materials relevant to U S Catholic history in fifty-nine archives and libraries of Rome. Detailed profiles describe each repository and its holdings relevant to American Catholic studies. A historical introduction by Luca Codignola and Matteo Sanfilippo reviews the intricate web of relations linking the Holy See and the American Catholic Church since the Treaty of Paris of 1763. Roman sources have become crucial in understanding the formation and development of the Catholic Church in America and their importance will continue to grow. This timely source will meet the needs of a ready and receptive audience which will include scholars of U S religious history and American Catholicism as well as Americanist scholars conducting research in Roman archives.

A Catholic Pilgrimage through American History Kevin Schmiesing, 2022-04-08

Awarded third place in pilgrimages. Catholic travel by the Catholic Media Association. Historian Kevin Schmiesing takes you to more than two dozen sites and events that symbolize and embody America's rich and sometimes tumultuous Catholic past including the Santa Fe Trail, Gettysburg, and the Bourbon Trail. You'll also meet both famous and infamous Catholics including Augustus Tolton, Dr. Samuel Mudd, and Frances Cabrini, who impacted our nation's history. The idea for *A Catholic Pilgrimage through American History* came from Schmiesing's mother; he says she turned every childhood vacation into a pilgrimage, purposely inserting religious sites into the family's journey to places such as Niagara Falls, Washington DC, or Myrtle Beach. Catholics have been part of the American experiment since the beginning, in founding the colonies and expanding the west, building education and health care systems, abolishing slavery, fighting on the front lines, and advancing science, technology, and space exploration. Each of the twenty-seven sites on Schmiesing's virtual itinerary, including the Washington Monument, Wounded Knee Creek, the University of Notre Dame, and Mission San Diego de Alcalá, transports you to a significant time in US history and connects the dots to our Catholic heritage. You will meet notable Catholics such as John F. Kennedy, Black Elk, and Katharine Drexel, and learn more about their contributions to history. You will explore the various and sometimes conflicting roles Catholics have played in key periods and events through the stories of shrines, memorials, and other historic places, including the Catholic Plymouth Rock.

St Mary's City Maryland the Bourbon Trail Church of St Thomas Bardstown Kentucky the Pope's Stone the Washington Monument in the District of Columbia a Catholic mission and a Native American tragedy Wounded Knee Creek South Dakota and the home of the first Black priest the churches of Quincy Illinois
