The Jesus Revolution Dr Leith Anderson, 2010-09-01 The story of Jesus cannot be contained in a history of 33 years on an ancient strip of land along the

eastern shore of the Mediterranean Sea The group of 120 followers Jesus empowered transformed the world with the good news of redemption and reconciliation he preached In this journey through the book of Acts discover the leaps of faith taken by the early church to spread the news of the miracles they d witnessed and the message they d received Their story carries us his current followers into our future Their devotion and perseverance challenges us to step out in faith and make a difference in Jesus name We can experience Jesus presence and power as the early church did and be part of the ongoing movement to change the world with his revolutionary message <http://www.cokesbury.com/media/video/abingdonpress/LeithsInterview.aspx>
