The Jewish Labor Bund In Poland:

Twenty Years with the Jewish Labor Bund Bernard Goldstein, 2016-03-15 Bernard Goldstein's memoir describes a hard world of taverns, toughs, thieves and prostitutes of slaughterhouse workers, handcart porters and wagon drivers and of fist and gunfights with everyone from anti Semites and Communists to hostile police which is to say that it depicts a totally different view of life in prewar Poland than the one usually portrayed. As such, the book offers a corrective view in the form of social history, one that commands attention and demands respect for the vitality and activism of the generation of Polish Jews so brutally annihilated by the barbarism of the Nazis. In Warsaw, a city with over 300,000 Jews, one third of the population, Bernstein was the Jewish Labor Bund's enforcer, organizer and head of their militia, the one who carried out daily on the street organization of unions, the fighting off of Communists, Polish anti Semitic hooligans and antagonistic police, marshaling and protecting demonstrations and even settling family disputes, some of them arising from the new secular socialist culture being fostered by the Bund. Goldstein's is a portrait of tough Jews willing to do battle, worldly modern individuals dedicated to their folk culture and the survival of their people. It delivers an unparalleled street level view of vibrant Jewish life in Poland between the wars, of Jewish masses entering modern life, of Jewish workers fighting for their rights, of optimism, of greater assertiveness and self confidence, of armed combat and even of scenes depicting the seamy, semi criminal elements. It provides a representation of life in Poland before the great catastrophe of World War II, a life of flowering literary activity, secular political journalism, successful political struggle, immersion in modern politics, fights for worker rights and benefits, a strong social democratic labor movement, creation of a secular school system in Yiddish and a youth movement that later provided the heroic fighters for the courageous Warsaw Ghetto Uprising.

The Jewish Labor Bund in Poland Schreiber Publishing, Incorporated, Shengold Publishers, N.Y., 2001. The Jewish Labour Bund, which was founded in 1879 as the General Workers Union in Russia, won the overwhelming support of the Jewish population in Poland as it emerged as the Polish Bund after World War I. This book chronicles its history between the world wars.

The International Jewish Labor Bund after 1945 David Slucki, 2012-01-17. The Jewish Labor Bund was one of the major political forces in early twentieth century Eastern Europe. But the decades after the Second World War were years of enormous difficulty for Bundists. Like millions of other European Jews, they faced the challenge of resurrecting their lives so gravely disrupted by the Holocaust. Not only had the organization lost many members but its adherents were also scattered across many continents. In this book, David Slucki charts the efforts of the surviving remnants of the movement to salvage something from the wreckage. Covering both the Bundists who remained in communist Eastern Europe and those who emigrated to the United States, France, Australia and Israel, the book explores the common challenges they faced: building transnational networks of friends, family and fellow Holocaust survivors while rebuilding a once local movement under a global umbrella. This is a story of resilience and passion, passion for an idea that only barely survived Auschwitz.
