

Genesis 37 - Joseph Narrative

The Joseph Narrative In Genesis

Matthew C. Genung

The Joseph Narrative In Genesis:

Joseph Claus Westermann, 1996-01-01 Westermann's unique gift of linking biblical study with basic human experience is clearly evident in each of the eleven studies in this book. This simple wisdom will be invaluable to students and general readers alike. From Prisoner to Prince Samuel Emadi, 2022-07-12 How should we understand the significance of the story of Joseph within redemptive history? This NSBT volume from Samuel Emadi offers a comprehensive canonical treatment of the Joseph narrative considering Genesis 37-50 in its own literary and theological context and culminating in the New Testament's portrayal of Jesus as an antitypical new and final Joseph. **The Joseph Narrative in Genesis**, 1973 **The Joseph narrative in Genesis : an interpretation** Eric I. Lowenthal, 1973 **The Joseph Paradox** Hillel I. Millgram, 2014-01-10 This book is a reader-friendly treatment of the Joseph story, one of the most popular tales in the Bible. Instead of the usual interpretation as an Horatio Alger success story, the text proposes that we are presented with a cautionary tale of high achievement and the pursuit of success. In the context of the larger biblical narrative, Joseph's short-term success leads to the enslavement of his descendants and the centuries-long derailment of the destiny of the Children of Israel. The self-limiting nature of the pursuit of power is just one of the themes illuminated in this work. *The Composition of Genesis 37* Matthew C. Genung, 2017-08-01 Genesis 37 narrates the basis of Israel's descent into Egypt. It is a chapter where literary tensions have given rise to several incompatible interpretations. Matthew C. Genung provides a fresh analysis of Genesis 37 along with a new explanation of its compositional history. The results impact the interpretation of the Joseph Story and pentateuchal criticism. **A Study of the Biblical Story of Joseph (Genesis 37-50)** Redford, 2014-09-03 Preliminary material Donald B. Longacre, 2003 In this fully revised second edition of *Joseph: A Story of Divine Providence*, Robert Longacre approaches the Joseph story as a paradigm for an approach incorporating the interests of the Old Testament scholar and critic with the interests of the contemporary textlinguist. His study seeks to explore several questions: How does one approach an ancient text? What does one hope to gain from its study? How do we orient ourselves in regard to this story? Does our orientation provide a key to our understanding of the story, or does it simply hinder our approaching the story in an unbiased and objective manner? The book is comprised of four parts: the first three exploring the connection Longacre seeks to establish between textlinguistics and biblical studies. The fourth part is a constituent display of the entire Joseph pericope. This new edition of Longacre's landmark work incorporates a more user

friendly format particularly noticeable in Part 4 Constituent Display of Joseph The book also includes new textlinguistic insights and updated references **The Story Within a Story in Biblical Hebrew Narrative** David A.

Bosworth,2023-09-28 This book is a revision of a dissertation that studies three texts Genesis 38 1 Samuel 25 and 1 Kings 13 11 32 Kings 12 15 20 in which the author finds examples of the literary device mise en abyme placement of the abyss

Covenant, Typology, and the Story of Joseph Samuel Cyrus Emadi,2016 This dissertation defends the notion that Joseph understood according to a literary canonical analysis functions as the resolution to the plot of Genesis and that this story typologically influences how later biblical authors narrate redemptive history culminating in the NT's portrayal of Jesus as an antitypical Joseph My research explores two questions First what is the literary and biblical theological significance of the Joseph narrative as the conclusion to Genesis Second how do later biblical authors interpret and reuse the Joseph narrative Chapter 1 explains the rationale for this project and introduces readers to the supposed problem of Joseph's prominence in Genesis and relative absence in the rest of the canon In this chapter I survey the dominant approaches to the Joseph story with regard to his role in Genesis in particular and more generally in the canon Most historical critical scholars posit that Joseph's story is largely disconnected from the rest of the Genesis narrative This chapter also surveys the history of the interpretation of the Joseph narrative I note that almost all pre modern interpreters saw Joseph primarily as a typological character a tradition which continues among many evangelical interpreters of Scripture Chapter 2 explains the methodology of this dissertation In this chapter I defend my understanding of biblical theology and my approach to typology as one regulated by the interpretive practices of the New Testament authors I argue that types are historical prospective textual covenantal and that they exhibit escalation in moving from type to antitype Chapter 3 examines the story of Joseph within the context of Genesis I explore Joseph's place with the toledot structure of Genesis his relationship to the Abrahamic covenant and his role in the storyline of Genesis By considering Joseph's relationship to the land seed blessing and kingship promises of the Abrahamic covenant I conclude that Joseph is an anticipatory fulfilment of the covenant promises Furthermore I demonstrate how Joseph reverses fraternal conflict and famine two major themes in Genesis In light of these and other evidences I argue that even within the context of Genesis itself Joseph is a typological figure Chapter 4 investigates the explicit mentions of Joseph in the OT in order to discern how later biblical authors interpreted the Joseph story I argue that Psalm 105 interprets Joseph within the framework of the Abrahamic promises The psalmist sees Joseph as God's instrument for fulfilling those promises in a provisional anticipatory way This chapter also explores allusions to the Joseph narrative in Daniel and considers Joseph's contribution to the canonical motif of the exalted Jew in a foreign court I conclude that the OT authors interpreted Joseph's life as a harbinger of the exodus and as an archetypal figure whose life anticipated later events in Israel's history Finally chapter 5 investigates two explicit references to Joseph in the NT Acts 7 and Hebrews 11 In Hebrews 11 Joseph is presented as a moral exemplar on account of his faith in God's promises My analysis of Acts 7 shows

that Stephen interpreted Joseph's story as a microcosm of Israel's history. Joseph and Moses exemplify Israel's rejection of their deliverers, a pattern which culminates in their rejection of Jesus. Jesus makes the same point in the parable of the tenants: Israel's constant rebellion against God's messengers typifies their ultimate rejection of the beloved son, an event anticipated by the patriarchs' rejection of Joseph. These passages then explicitly confirm what appears suggested throughout the OT: namely, Joseph is a type of the Messiah.
