The Leader and His God Zacharias Tanee Fomum, 2016-05-16 This book is an expository study of spiritual leadership. The author Z. T. Fomum taught extensively on leadership, training thousands of spiritual leaders across the world, being himself the leader of a growing missionary movement currently established in over 140 countries. The content of the book is not theological discussions but words from a heart to hearts. Several leaders have become experts in the presence of men in the guise of the ministry they render. But God's plan was that the leader be His companion, a man of His presence. The Lord Jesus established leaders first to be with HIM and then serve Him from a position

of overflow The entire life and ministry of the leader depend on it The author elaborates on two schools of leadership the home and the workplace where one is moulded to provide the model of a God approved heart for others to imitate This book will not leave you indifferent Read it and may God transform you into a leader in His presence **Apostolic Leadership** Mosy Madugba,2020-09-22 Apostles After Christ's resurrection from the dead and ascension into Heaven what could have possibly transformed a handful of His unknown uneducated average followers into an unstoppable revolutionary global force that turned their world upside down In this book Apostolic Leadership The Bold Leadership That Laid The Foundation of God's Conquering Church master teacher and international Christian leader Dr Mosy Madugba presents the spirit ideology philosophy methods skills principles and resolute passion with which those first century apostles pursued their cause to success a cause that continues to this day When and where apostolic leadership is applied today these tools will produce amazing results *Ofensivo y escandaloso* Jeffrey D. De León,Joel Van Dyke,2009-06-01 Se casaron y fueron felices para siempre casi Después de una amistad de dos años se casaron unos jóvenes creyentes y maduros Pero no fueron felices para siempre Algo terrible sucedió con su relación aunque vivieron felices en sus primeros años de matrimonio El esposo empezó a jugar con fuego sin planearlo y pronto se involucró con otra mujer El nombre de la esposa es GRACIA y el nombre de la amante es LEY El estilo de liderazgo en la iglesia de hoy está facilitando esta clase de relación adultera entre el cristiano la ley y la gracia En nuestro afán de liderar terminamos manipulando y controlando en lugar de influenciar El modelo perfecto de liderazgo Jesús mismo se ganó el derecho de influenciar en su humanidad a través de las relaciones Este libro tiene el fin de ayudarnos a evaluar nuestra condición como líderes Bienvenido a la gran aventura de evaluar nuestro propio liderazgo y proyectarnos a un liderazgo ofensivo y escandaloso **Discipleship in Education** Joseph Allotta,2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential

Leadership Training in the Hands of the Church Joseph Nehemiah,2020-12-31 The church is a contextualized reality and if it is to flourish its leaders must be raised up to serve their own communities Yet our very techniques for teaching and

learning are culturally defined If the church is to be effective in developing the leaders it needs our approach to training must be informed by its local context In this immensely practical text Joseph Nehemiah combines sound pedagogical research with rich cultural insight to provide a framework for training leaders in an Arab context Examining principles of adult education in light of Arab cultural dynamics Nehemiah offers a paradigm for experiential learning that is biblically rooted and contextually appropriate Informed by the experience of professors in the Arab Gulf along with extensive interviews from local church leaders Leadership Training in the Hands of the Church seeks to place the development teaching and training of leaders into the hands of the local church
