The Power of Soul Zhi Gang Sha, 2009-01-06 Outlines a program that fuses Eastern and Western medicine and philosophies to discuss how to bolster health and longevity while promoting personal success and explains the importance of having a healthy soul in order to enable physical well-being. ***Journey Through the World of Spirit*** David L. Oakford, 2007-07 David Oakford's story is true, real, and utterly profound. Although street drugs were clearly the initial for this NDE, what happened next was a full-blown ascended state of consciousness that is well documented in the spiritual and scientific literature. This book is once again revealing that NDEs are not magic nor do they produce saints. And we can think David for baring his soul as to the psychic struggles and the depression that followed his awakening. Because ultimately there emerged a transformed man who knew positively knew that there is more to life and death than we are taught in our religious organizations and more to God's greater plan for us than we can imagine today. *BELIEVE* Angel Vazquez, 2013 *Believe A Journey of Love* is my first book. A Real-Life Christian Spiritual Journey Richard Ferguson, 2011-09-20 Richard

Ferguson grew up a rough kid in a rough neighborhood and yet he went on to become a Reiki master with a pilots license and two masters degrees How did he rise above his early circumstances It started with a godly epiphany high in the sky above the Pacific Ocean Since then he has been a spiritual seeker and as the good book says those who seek will ultimately find Follow his riotous path in A Real Life Christian Spiritual Journey Fergusons Christian transformation was not immediate Once upon a time he hated everything to do with religion Part I uses Fergusons life journey as a template for the paths of all human life We all go through stages and each stage equates to who we ultimately will be and what we will believe in Part II traces the unity of our stages in the earthly realm Part III sets foot into the great beyond Ferguson lost his wife to death but he has come to realize that death is not an ending it is a graduation to a higher more joyful existence in eternity With the guidance of psychologists Erik Erikson and James Fowler as well as spiritual greats St Paul and the Buddha Ferguson looks back on a life well lived proving that when you seek first a higher power all knowledge will be given to you Life's Journey Marlenne Schilperoord, 2019-12-03 Often we hear people say that all religions should be forbidden because they only bring misery These reactions are understandable when we see or hear the daily news But where does all this misery come from Is it because former religious leaders pursued self interest too much instead of the Christian faith from the source Or is it our indifferent attitude that offers negative forces a free path To find the answer we must go back to our source of life to the reason for our earthly existence It teaches us that what we call religion is the development of a spiritual consciousness to elevate the human soul the very self And that the words of our Creator do not stop on the last page of the bible He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father Whoever reads the book may realize how important it is to ask yourself life questions How you can give substance to your earthly existence That this book may help you on your way to find your purpose in your life's journey
