The Joys of Being a Parent Philip Strax, 1993-05-01 **The Joy of Parenting... With Confidence** Howard H Smith, 2023-06-07 Confidence in parenting Is that a joke Nobody has much confidence in that But why not When the author of this book originally written as a gift to his grandchildren so they would not forget the why of how they had been parented began teaching these concepts to young parents and a few grandparents the most common comment was Why didn't I know this before There are plenty of books and studies on Christian parenting but as one pastor reader expressed You must publish this I've never seen anything like this in print before Then the first grandchildren to have a child said they were sharing it with their friends and also mentioned how helpful it would be in book and study form Your servant the author is pleased that others might prosper from this information and will be strongly successful and confident Christian parents Within the pages of God's revelation to mankind are so many helps and so much encouragement for the parent who follows God's design they can't help but be successful First this plan has been tested by the author and his wife before being presented to you Their discovery it works very effectively Second God is in charge with this style of parenting No guesswork about what we should do just His magnificent leadership revealed Third the plan is laid out by easily understood sessions by age by special circumstances and finally by God's blessing Finally you will be introduced to how to be the agent of God's blessing to your children grandchildren and to those in your sphere of influence Be confident Parenting is a joy under the Lord's care Included in the pages of this book is a complete teaching outline with suggestions for the group leader for each session
