The Judgments Of God:

Judgments of God Tumisang Mabe, 2024-08-07 What comes to your mind when you think about judgment How do one live with the knowledge we will be judged by God at the end of time How do we please God to make sure we secure His good judgment Do you imagine God sitting on His throne and pronouncing judgments to His creation Judgments for me is what brings balance to the imbalance caused by right and wrong What is judgment for you Do you see judgment as something right to do to correct wrong In human society we perceive God not to be a God that can judge or cast one to hell fire All the theories about hell are all speculations in modern minds or in all generations of men We understand there is life after death but we don't perceive we can be casted to hell fire as a judgment for our sins Do you see hell and heaven as good judgments from God If we believe there is God in heaven then we ought to think this God should be a person with principles and a way in which He disciplines wrong Hell is a place God created for Satan and those who refuse to accept the offer of mercy on the cross will unfortunately be casted there I have come to believe when one disciplines for example their children that could be explained as good judgment Is hell a good judgment One of the greatest truth about God is He is Love God reveals His love to us in different ways We cannot imagine God to be a God that can destroy or bring terrible judgment To be honest most of us know the love side of God not the judgment side This is good but we must not forget God is a judge and as a judge it means He has to do some things according to justice For example when men sinned and God wanted to judge them three things happened in God the judgment of God says The wages of sin is death Romans 6:23 Mercy says Mercy prevails over judgment James 2:13 And the Love of God says Men cannot die because you love them According to the justice system of heaven these three must balance Now to balance justice God decide to leave His glory in heaven and put on flesh and die for men whom He had created In dying the claims of divine justice were being satisfied [The Seven Judgments of God](#) Linda T.

Legg, 2022-08-01 The God of the Bible is a God of Love But He is also a God of judgment If this were not true there would be no difference between right and wrong good and bad He is also a God of sevens seven days in a week seven seals seven vials seven bowls seven sevens in prophecy and so on Many Christians believe that there is only one judgment but Scripture speaks of seven judgments and each of these involves a distinct group and occurs at a different time This book explores each of those judgments establishing as closely as possible a timeline for their occurrences as well as a description of who is being judged and the criteria and consequences of that judgment Scriptural references are provided throughout to support the author's description of each judgment **The Only True and Righteous Judge** Desmond Michael Coverley Ph

WORLD The Judgment J. N. Andrews, 2006 John Nevins Andrews in the late 1800 s released this classic study on The Judgment outlining its events and their order This work covers the following points The Investigative Judgment Examination of the Books God the Father the Judge Offices of Christ Messages to the World The Sanctuary in Heaven The Crowning of Christ The Executive Judgment and The Saints Sitting in Judgment Andrews clearly explains and disproves many long held misbeliefs about God s work to remove sin from His people His greatest desire was to explain Christian beliefs from the scriptures in a logical and easily understandable manner *God of Love and God of Judgement* Stephen K.

Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God s judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God s love and downplay his judgment The problem with this approach is that God s judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God s image we can fuse love and judgment together constructively in our own daily lives **God and Value Judgments** Kevin Kinghorn, 2024-01-31 Humans

continually make judgments that some things have more value than others Plausibly it is largely through our value judgments that God intends to guide us in setting priorities and goals This Element surveys leading accounts of what value judgments are exactly It then explores the particular values we are apparently sensitive to when making two judgments endemic to human life about what makes a life good and about who deserves a good life Connections are made between differing analyses of human value judgments and views about God s character and the goals God is prompting us to pursue
