## **The Kennedy Assassination:**

**Kennedy Assassination** Peter Knight, 2007-09-03 November 22nd 1963 Dealey Plaza As a seminal event in late twentieth century American history the Kennedy assassination has permeated the American and world consciousness in a wide variety of ways It has long fascinated American writers filmmakers and artists and this book offers an authoritative critical introduction to the way the event has been constructed in a range of discourses It looks at a variety of historical political and cultural attempts to understand Kennedy's death Representations include journalism from the time historical accounts and memoirs official investigations government reports and sociological inquiries the huge number of conspiracy minded interpretations novels plays and other works of literature and the Zapruder footage photography avant garde art and Hollywood films Considering the continuities and contradictions in how the event has been represented the author focuses on how it has been seen through the lens of ideas about conspiracy celebrity and violence He also explores how the arguments about exactly what happened on 22 November 1963 have come to serve as a substitute way of debating the significance of Kennedy's legacy and the meaning of the 1960s more generally Key Features presents information about the event itself the cultural context of the period and the consequences of the event considers the ways in which the event has been represented in subsequent years in a variety of discourses includes an annotated bibliography and 10 B W illustrations Crime of the Century Michael L. Kurtz, 1993 Addressing developments since the book's initial publication in 1982 Kurtz provides a new introduction and updated bibliography He discusses the publicity and controversy surrounding Oliver Stone's film JFK the new books and television programs that have dealt with the different conspiracy theories new information about the possible role of organized crime in the assassination and certain materials from the Kennedy autopsy that have only recently come to light The Assassination of John F. Kennedy Alice L. George, 2013 This book traces the events of Kennedy's assassination and Lyndon B Johnson's subsequent ascension to the presidency Covering both the political shifts of the time and the cultural fallout of the national tragedy this book introduces both an iconic event and the context in which that event was heralded as iconic Drawing on newspaper articles political speeches letters and diaries the author critically re-examines the event of JFK's death and its persistent political and cultural legacy *A Cruel and Shocking Act* Philip Shenon, 2013-10-29 Groundbreaking new history of the Kennedy assassination investigative reporter and bestselling author Phil Shenon writes the ultimate inside account of what has become the most controversial murder investigation of the 20th century the aftermath of the assassination of President John F Kennedy Based on groundbreaking research deep reporting and unprecedented access the book is character driven dialogue rich with facts and incidents that will stun and surprise "The President Has Been Shot!": The Assassination of John F. Kennedy James L. Swanson, 2013-09-24 A breathtaking and dramatic account of the JFK assassination by the NEW YORK TIMES bestselling author of CHASING LINCOLN'S KILLER In his new young adult book on the Kennedy assassination James Swanson will transport readers back to one of the most shocking sad

and terrifying events in American history As he did in his bestselling Scholastic YA book CHASING LINCOLN S KILLER Swanson will deploy his signature you are there style a riveting ticking clock pace with an unprecedented eye for dramatic details and impeccable historical accuracy to tell the story of the JFK assassination as it has never been told before The book will be illustrated with archival photos and will have diagrams source notes bibliography places to visit and an index

November 22, 1963 William E. Scott,1999-03-18 November 22 1963 A Reference Guide to the JFK Assassination provides an up to date scholarly reference to the assassination of President John F Kennedy It identifies over six hundred medical and ballistics experts law enforcement and government officials involved in the event and its aftermath It also includes an extensive bibliography listing over 2 300 books magazine and journal articles academic papers government publications and audio visual sources divided into 18 separate categories The nature of this book makes it an excellent resource for both the experienced researcher and any interested citizen *The Kennedy Half-Century* Larry Sabato,2013-10-15 Published to coincide with the anniversary of JFK s assassination a renowned political scientist explores the profound impact his short presidency had on the media on the general public and on each of his nine presidential successors This book was previously featured in Forecast **The Road to Dallas** David Kaiser,2008-03-31 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government s campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency s links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources *The Road to Dallas* adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath **The Hidden History of the JFK Assassination** Lamar Waldron,2013-10-21 INSIDE THE CRIME OF THE CENTURY This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the

assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered The Hidden History of JFK s Assassination draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello s own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent documentation This book builds on the work of the last Congressional committee to investigate JFK s murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century **End of Days** James Swanson,2013-11-12 In End of Days James L Swanson the New York Times bestselling author of Manhunt The 12 Day Chase for Lincoln s Killer brings to life the minute by minute details of the JFK assassination from the Kennedys arrival in Texas through the shooting in Dealey Plaza and the shocking aftermath that continues to reverberate in our national consciousness fifty years later The assassination of John F Kennedy on November 22 1963 has been the subject of enduring debate speculation and numerous conspiracy theories but Swanson s absorbing and complete account follows the event hour by hour from the moment Lee Harvey Oswald conceived of the crime three days before its execution to his own murder two days later at a Dallas Police precinct at the hands of Jack Ruby a two bit nightclub owner Based on sweeping research never before collected so powerfully in a single volume and illustrated with photographs End of Days distills Kennedy s assassination into a pulse pounding thriller that is sure to become the definitive popular account of this historic crime for years to come
