The Mafia An Expose Hoffa:

FBI Case Files Michigan Greg Stejskal, 2018-06-18 A retired Michigan FBI special agent recounts some of his biggest cases including Jimmy Hoffa the Detroit mob and numerous grisly homicides Across the Mitten and through the Upper Peninsula the Wolverine State has witnessed some thrilling and historic federal cases In Detroit FBI agents took point investigating the kidnapping and safe return of a GM executive's son and in a manhunt for an armed killer in the north woods near Escanaba The Bureau was called in to discover who poisoned patients at the Ann Arbor Veterans Hospital and for a grisly double homicide solved by a persistent and determined fingerprint examiner Michigan agents spearheaded the first ever investigation and prosecution of an Internet threat and legendary football coach Bo Schembechler inspired an epic international undercover operation targeting the illegal distribution of steroids Retired Special Agent Greg Stejskal recalls these stories and others from more than thirty years as a G man in Michigan **In Hoffa's Shadow** Jack

Goldsmith, 2019-09-24 The Irishman is great art but it is not as we know great history Frank Sheeran surely didn't kill Hoffa But who pulled the trigger For some of the real story and for a great American tale in itself you want to go to Jack Goldsmith's book In Hoffa's Shadow Peggy Noonan The Wall Street Journal In Hoffa's Shadow is compulsively readable deeply affecting and truly groundbreaking in its re-examination of the Hoffa case a monumental achievement James Rosen The Wall Street Journal As a young man Jack Goldsmith revered his stepfather longtime Jimmy Hoffa associate Chuckie O'Brien But as he grew older and pursued a career in law and government he came to doubt and distance himself from the man long suspected by the FBI of perpetrating Hoffa's disappearance on behalf of the mob It was only years later when Goldsmith was serving as assistant attorney general in the George W Bush administration and questioning its misuse of surveillance and other powers that he began to reconsider his stepfather and to understand Hoffa's true legacy In Hoffa's Shadow tells the moving story of how Goldsmith reunited with the stepfather he'd disowned and then set out to unravel one of the twentieth century's most persistent mysteries and Chuckie's role in it Along the way Goldsmith explores Hoffa's rise and fall and why the golden age of blue collar America came to an end while also casting new light on the century old surveillance state the architects of Hoffa's disappearance and the heartrending complexities of love and loyalty **The Mafia's President** Don Fulsom, 2017-11-14 The

first ever full account of Nixon's extensive ties to the American Mafia from a veteran White House reporter Unbeknownst to most people even now the election of 1968 placed the patron saint of the Mafia in the White House In other words Richard Nixon would go on to not only lead a criminal presidency he would be totally indebted to our nation's top mobsters By 1969 thanks in large part to his long time campaign manager and political advisor Murray Chotiner a lawyer who specialized in representing mobsters Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen Mob financial guru Meyer Lansky Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello And with Chotiner as one of his key behind the scenes advisors in the White House Nixon's ties to the Mafia didn't

end there The Mafia s President reveals a mind blowing litany of favors Nixon exchanged with these sinister characters over decades ranging from springing Jimmy Hoffa from prison to banning the federal government from using the terms Mafia and La Cosa Nostra Drawing on newly released government tapes documents and other fresh information The Mafia s President by Don Fulsom offers a carefully reported deeply researched account of Richard Nixon s secret connections to America s top crime lords

The Dunes Hotel and Casino: The Mob, the connections, the stories Geno Munari,2022-04-07 The intent behind this book is to record classic Las Vegas history that would be lost forever if not memorialized The Dunes operation was a spectrum of information that is intricate and mysterious at times protected by a shroud of secrecy and intrigue that is virtually impossible to decipher It featured different operators and Mob characters who at various times in the history of the hotel were involved in various ventures including gambling bookmaking real estate investment and many other business arrangements There are more than 390 footnotes and an index I have been working on this book for almost four years which included many hours of research and the development of a timeline My research helped bring forth answers to questions regarding notable gambling operators Mafia chiefs U S Senators Governors and memorable events One such event solves a mystery of a bomb assassination plot and a shooting politicians were compromised Hoffa pulled strings and there are heretofore undisclosed facts that involve President Kennedy s assassination I never dreamed these details would ever be uncovered

The Mafia at Apalachin, 1957 Michael Newton,2014-01-10 On November 14 1957 state troopers raided an estate in Apalachin New York and arrested 59 affluent men with nearly as many more escaping through the surrounding woods The next morning s headlines hailed the gathering as a summit meeting of organized crime alerting America to the reality of a national Mafia whose existence had been hotly debated This first in depth study of that historic meeting chronicles how it changed the course of American history by inspiring federal legislation to crack down on labor racketeering forcing drastic policy revisions within the U S Department of Justice and prompting charges of criminal

fraud in one of America's most heatedly contested presidential elections. By explaining the context and consequences of the raid, this volume establishes the gathering at Apalachin as a pivotal event in the history of syndicated crime and of the government's response to the Mafia. *Watergate: The Hidden History* Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style. The New York Observer While Richard Nixon's culpability for Watergate has long been established, what's truly remarkable is that after almost fifty years, conventional accounts of the scandal still don't address Nixon's motive. Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks? What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate? What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes? For the first time, the groundbreaking investigative research in *Watergate: The Hidden History* provides documented answers to all of those questions. It adds crucial missing pieces to the Watergate story: information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein. This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions: What were the Watergate burglars after? And why was Nixon willing to risk his Presidency to get it? *Watergate: The Hidden History* reexamines the historical record including new material only available in recent years. This includes thousands of recently declassified CIA and FBI files, newly released Nixon tapes, and exclusive interviews with those involved in the events surrounding Watergate, ranging from former Nixon officials to key aides for John and Robert Kennedy. This book also builds on decades of investigations by noted journalists and historians, as well as long overlooked investigative articles from publications like *Time* magazine, the *Los Angeles Times*, and the *New York Times*. **Bringing Down the Mob** Thomas Reppetto, 2006-10-31 The sequel to *American Mafia* chronicles the fifty-year attack by the federal government that virtually extinguished the nation's most powerful crime syndicate. In the critically acclaimed *American Mafia*, Thomas Reppetto narrated the ferocious ascendancy of organized crime in America. In this fascinating sequel, he follows the mob from its peak into a shadowy period of decline as the government, no longer able to deny its existence, made subduing the Mafia a matter of national priority. Reppetto draws on a lifetime of field experience to tell the stories of the Mafia's twentieth-century leadership, showing how men such as Sam Giancana and John Gotti became household names. Crusaders like Robert Kennedy led concerted if sometimes sporadic attacks against organized crime. As the battles between the feds and the Mafia moved from the streets to the courtrooms, Reppetto describes how it came to resemble a conflict between sovereign powers. In direct, shoot-from-the-hip prose, Reppetto chronicles a turning point in American Mafia history and offers the provocative theory that, given the right formula of connections and shrewd business, a new generation of multinational criminals may be poised to take up the Mafia's mantle. Reppetto is one of the rare

commentators on the contemporary Mafia who has been able to view the Mob's power grabs and struggles from the inside an exhaustive and fascinating study
