

The Magdalene

David Lyle Jeffrey

The Magdalene:

The Magdalene Path Claire Sierra, 2013-10-25 a marvelous tapestry of insights discoveries tools and resources that gives us all hope for Heaven on Planet Earth Rev Ruth L Miller PhD author of Marys Power Claires deep work of Sacred Feminine wisdom could not come at a better time Tim Kelley author of True Purpose an important contribution to mending a world torn in half Lion Goodman author of Creating on Purpose Feminine wisdom revealed and reclaimed Unveil this hidden power within and transform your life Recent discoveries of ancient manuscripts have shined a light on Mary Magdalene as a powerful teacher and luminous feminine spirit In The Magdalene Path Claire Sierra shares her inspiring communication with Mary Magdalene about the awakening of the Divine Feminine as a means to shift and up level our lives as women in the modern world The Magdalene Path is a guidebook of compelling ideas skills and practices to bring your Feminine Soul into daily life Regardless of your spiritual orientation or previous connection to Mary Magdalene you will bask in the inspiring wisdom and practical insights in this empowering illuminating book Revitalize your mind and body to tap into more energy for what you love Ignite your connection to Spirit through simple rituals and Soul care practices Embrace your authentic radiant beauty as you reclaim your innate feminine power Replenish your passions and feel empowered to live your purpose Embody your creativity and live as the vibrant woman you truly are

The Magdalene Awakening L. Shannon Andersen, 2006 This book is the result of a deep and profound quest for origins meaning and healing written at a time when the human condition appears more fractured from within than at any other time in history In writing The Magdalene Awakening Shannon Anderson has successfully journeyed to that sacred space and has lifted the veil for her readers revealing the atrium of immortality and enticing them to come and join her on her high mission The smooth narrative style of the book weaves together a magical journey through the author s quest for the true Magdalene energy the origins of the Cathars the Gematria that holds the sacred key and in the end a call for transformation This story is a page turner written by someone who knows and who allows her readers the rare opportunity to discover these mysteries for themselves but with the benefit of her company and wisdom to help them on their path Maria Magdalena Colavito Ph D author of The Pythagorean Intertext in Ovid s Metamorphoses The New Theogony Mythology for the Real World

The Magdalene Mystique Betty Conrad Adam, 2006-10-01 The early Christians formed communities to follow the risen Jesus One such community wrote down its gospel story but sometime in those early years the Gospel of Mary Magdalene disappeared In the late nineteenth century it surfaced in the Cairo marketplace and today contemporary Christians are embracing the message of this Magdalene Gospel The Magdalene Mystique invites readers into the spiritual life of an actual community that celebrates Mary Magdalene as mystic and visionary beloved companion of Jesus and first witness to the resurrection Following Mary s gospel the community seeks to embody an ethos of equality and justice With historic background based on the scholarship of prominent researchers including Karen King and Jane Schaberg plus prayers liturgies and real life stories this is a powerful

book for group study and private devotion **The Magdalene Lineage** Reena Kumarasingham, 2020-03-27 NOW IS THE TIME FOR THE DIVINE FEMININE For two thousand years Mary Magdalene has been a veiled silhouette a shadow of her vibrant self An enigmatic figure she was shrouded in mystery a feminine caricature of either the purest of saints or the most repentant of sinners Two thousand years have buried her her lineage and her legacy Through past life regression backed by academic research and oral tradition journey with Mary Magdalene from the age of six to sixty Discover intimate knowledge of her as a daughter a sister a wife a mother and a spiritual teacher Her daughter Tamar the product initiate and bearer of her legacy continues her sacred teachings This is their story the story of the feminine in spirituality **Reimagining the Magdalene** Siobhán Jolley, 2025-03-20 This book offers a new intersectional feminist approach to utilising and interpreting the visual reception of Mary Magdalene Through employment of Liberative Reception Criticism which develops traditional reception theory in line with liberative hermeneutics via the insights of intersectionality as critical theory Siobhán Jolley provides a novel means of analysing how women and particularly the Magdalene are imaged in Christian tradition Knowledge of both the biblical figure of Mary Magdalene and her cultural reception continue to be dominated by long discredited ideas about her life and sexuality which bear the hallmarks of their development under patriarchy Through close study of relevant biblical texts and extracanonical accounts and a comprehensive survey of the Magdalene's presentation in the Italian art of the Counter Reformation Jolley demonstrates that the patriarchal portrayal of the Magdalene as a sexualised penitent and mournful witness to the resurrection is sustained by its mythic attachment to biblical text Rather than adopting the same tropes uncritically we are invited to look again at artworks and related texts in order to explore what happens when the influence of patriarchy is actively and intersectionally resisted Ultimately the Magdalene is transformed from a reductive and patriarchally mythologised figure to a multidimensional character who is relatable and liberative as an exemplar **The Magdalene Version: Secret Wisdom from a Gnostic Mystery School** Stuart Wilson , Joanna Prentis, Here is the real voice of Mary Magdalene giving secret teachings from her Mystery School During the years that followed the crucifixion a Gnostic group met in Midsummer Gatherings on the island of Cyprus Channeling by the angelic source Alariel has revealed eight Keynote Speeches by Mary Magdalene during these Gatherings These speeches show a profound understanding of the Way that Jeshua taught This is forbidden knowledge forbidden by the Church because it could lead to the enlightenment and empowerment of those who heard it and applied it in their lives The Pure Transmission which forms the teachings of Mary Magdalene has been restored to us through angelic intervention at the end of the planetary cycle These teachings will change your perception of Mary Magdalene forever **Ireland and the Magdalene Laundries** Claire McGettrick, Katherine O'Donnell, Maeve O'Rourke, James M. Smith, Mari Steed, 2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried

mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State s own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland s Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State s response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state s investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care

Origins of the Magdalene Laundries Rebecca Lea McCarthy, 2010-03-08 The convents asylums and laundries that once comprised the Magdalene institutions are the subject of this work Though originally half way homes for prostitutes in the Middle Ages these homes often became forced labor institutions particularly in Ireland Examining the laundries within the context of a growing world capitalist economy the work argues that the process of colonization and of defining a national image determined the nature and longevity of the Magdalene Laundries This process developed differently in Ireland where the last laundry closed in 1996 The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization from an affluent strong supporter of Jesus to a simple fallen woman

Magdalene's Ascension Annine van der Meer, 2025-01-21 Examines the lives of Jesus and Mary Magdalene using biblical historical apocryphal and recent channeled sources as well as regression reports Explains the concept of ascension through a quantum physics framework detailing Mary Magdalene s ascension along the Tree of Life Explores Mary s family background her education in Egypt her mission in Western Europe and her life and work alongside Jesus including her role as his wife and his appointed successor Expanding the scholarship and understanding of the early Christian period and the world of the Essenes from a feminine perspective religious historian Annine van der Meer offers a detailed new account of the life of Mary Magdalene also known as Mary of Bethany or Miryam the Migdalah showing how Mary s spiritual path is intimately connected to our current times of ascension The author explores Mary s family background her education in Egypt her mission in Western Europe her life and work alongside Jesus also known as Yeshua and her anointing as his wife and his appointed successor Though not recognized by the patriarchal disciples Peter Andrew and Paul the author presents the evidence of Mary s role through biblical historical apocryphal and recent channeled sources and regression reports including those of Dolores Cannon Stuart Wilson Joanna Prentis and Claire

Heartsong Van der Meer then reveals Mary's ascension process through seven branches along the Tree of Life detailed in The Gospel of the Beloved Companion written by Mary herself and scientifically explains ascension the changing of the physical body into a light body through recent developments in quantum physics She takes the reader through seven portals from individual ascension to collective ascension illuminating not only Mary's heavenly journey of becoming light but also its spiritual significance for each of us as individuals and for the world as a whole , **"Faith, Gender and the Senses in Italian Renaissance and Baroque Art "** ErinE. Benay,2017-07-05 Taking the Noli me tangere and Doubting Thomas episodes as a focal point this study examines how visual representations of two of the most compelling and related Christian stories engaged with changing devotional and cultural ideals in Renaissance and Baroque Italy This book reconsiders depictions of the ambiguous encounter of Mary Magdalene and Christ in the garden John 20 11 19 known as the Noli me tangere and that of Christ's post Resurrection appearance to Thomas John 20 24 29 the Doubting Thomas as manifestations of complex theological and art theoretical milieus By focusing on key artistic monuments of the Italian Renaissance and Baroque periods the authors demonstrate a relationship between the rise of skeptical philosophy and empirical science and the efficacy of the senses in the construction of belief Further the authors elucidate the differing representational strategies employed by artists to depict touch and the ways in which these strategies were shaped by gender social class and educational level Indeed over time St Thomas became an increasingly public and therefore masculine symbol of devotional verification juridical inquiry and empirical investigation while St Mary Magdalene provided a more private model for pious women celebrating mostly behind closed doors the privileged and active participation of women in the faith The authors rely on primary source material paintings sculptures religious tracts hagiography popular sermons and new documentary evidence By reuniting their visual examples with important often little known textual sources the authors reveal a complex relationship between visual imagery the senses contemporary attitudes toward gender and the shaping of belief Further they add greater nuance to our understanding of the relationship between popular piety and the visual culture of the period

The Magdalene Lars Muhl,2017-06-13 This real life gnostic thriller offers an esoteric biography of Mary Magdalene her training in the Egyptian mystery school her marriage to Jesus and her escape to France after his death A story that for too long has been crying out to be told Henry Lincoln author of Holy Blood Holy Grail Mary Magdalene is arguably one of Jesus best known disciples and yet we know very little about her From the writing of the New Testament to the filming of The Da Vinci Code her image has been repeatedly conscripted contorted and contradicted Mary is considered by many as an outcast underserving of Jesus's love In this follow up book to The Seer we join Lars Muhl as he seeks to find out more about the intimate relationship between Jesus Yeshua and Mary Magdalene This is the story of a forgotten feminine power recounted in parallel to the author's journey The Magdalene is the second book in the Grail Trilogy otherwise known as The O Manuscript

Roger Ebert's Movie Yearbook 2006 Roger Ebert,2005-11 Now fully updated this annual yearbook includes every review

Ebert had written from January 2007 to July 2009 It also includes interviews essays tributes and all new questions and answers from his Questions for the Movie Answer Man columns Feeling Things Stephanie Downes, Sally Holloway, Sarah Randles, 2017-12-30 This interdisciplinary essay collection investigates the various interactions of people feelings and things throughout premodern Europe It focuses on the period before mass production when limited literacy often prioritised material methods of communication The subject of materiality has been of increasing significance in recent historical inquiry alongside growing emphasis on the relationships between objects emotions and affect in archaeological and sociological research The historical intersections between materiality and emotions however have remained under theorised particularly with respect to artefacts that have continuing resonance over extended periods of time or across cultural and geographical space Feeling Things addresses the need to develop an appropriate cross disciplinary theoretical framework for the analysis of objects and emotions in European history with special attention to the need to track the shifting emotional valencies of objects from the past to the present and from one place and cultural context to another The collection draws together an international group of historians art historians curators and literary scholars working on a variety of cultural literary visual and material sources Objects considered include books letters prosthetics religious relics shoes stone and textiles Many of these have been preserved in international galleries museums and archives while others have remained in their original locations even as their contexts have changed over time The chapters consider the ways in which emotions such as despair fear grief hope love and wonder become inscribed in and ascribed to these items producing emotional objects of significance and agency Such objects can be harnessed to create affirm or express individual relationships as for example in religious devotion and practice or in the construction of cultural communal and national identities Rediscovering the Marys Mary Ann Beavis, Ally Kateusz, 2020-01-23 This interdisciplinary volume of text and art offers new insights into various unsolved mysteries associated with Mary Magdalene Mary of Bethany Mary the Mother of Jesus and Miriam the sister of Moses Mariamic traditions are often interconnected as seen in the portrayal of these women as community leaders prophets apostles and priests These traditions also are often inter religious echoing themes back to Miriam in the Hebrew Bible as well as forward to Maryam in the Qur an The chapters explore questions such as which biblical Mary did the author of the Gospel of Mary intend to portray Magdalene Mother or neither Why did some writers depict Mary of Nazareth as a priest Were extracanonical scriptures featuring Mary more influential than the canonical gospels on the depiction of Maryam in the Qur an Contributors dig deep into literature iconography and archaeology to offer cutting edge research under three overarching topics The first section examines the question of which Mary and illustrates how some ancient authors and contemporary scholars may have conflated the biblical Marys The second section focuses on Mary of Nazareth and includes research related to the portrayal of Mary the Mother of Jesus as a Eucharistic priest The final section Recovering Reception of Mary in Art Archeology and Literature explores how artists and authors have engaged with one or more of the Marys from

the early Christian era through to medieval and modern times

Vulnerability and Resilience in English Literature of the Long 19th Century Raffaella Antinucci, Adrian Grafe, 2024-11-14 The nineteenth century was a time of accelerated change and stark contradictions It was marked by stability advancement and reform but also by widening inequalities spiritual crisis and social unrest Identity and gender came under pressure religious belief was called into question and the condition of women and children seemed to belie the much vaunted idea of progress Essays in this book explore how these contradictions and concerns are reflected in nineteenth century literature In discussing historical figures characters and plots that are variously vulnerable and or resilient the essays reflect the breadth of nineteenth century literature from realist and sensational fiction to autobiography and poetry Besides providing insights into the transfigurative role writing played both as a means to express vulnerability and as a resilience process the essays also foster further reflection on two timeless dimensions of the human condition

The "Divine" Guido Richard E. Spear, Guido Reni, 1997-01-01 In this highly original study of Italian baroque master Guido Reni 1575 1642 Richard Spear paints a compelling portrait of the artist his complexities his formative experiences his cultural surroundings and his unique sensibilities Spear views Reni s career from a wide variety of perspectives and sets his life and works in social economic historical artistic religious and psychological contexts The author focuses first on Reni s peculiar character a man at once deeply religious rabidly misogynist reportedly virginal neurotically fearful of witches and addicted to gambling The author considers the enduring charisma of Reni s Crucifixions weeping Marys and repentant saints in the light of the Catholic doctrinal meaning of grace in Reni s time the Church s attitude toward Mary and women and the gendered implications of visual grace Chapters on Reni s pricing policies selling strategies use of assistants and attitude toward what constituted an original expose the motivating importance of money for Reni and the concerns even among seventeenth century collectors about how to distinguish original paintings from studio replicas or copies The book investigates the ways renaissance and baroque attitudes toward art making affected Reni and closes with a fresh view of Reni s unfinished canvases and last style including the Divine Love the beautiful and unusual painting that remained in Reni s studio at the time of his death

Holy People of the World Phyllis G. Jestice, 2004-12-15 A cross cultural encyclopedia of the most significant holy people in history examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired The first reference on the subject to span all the world s major religions *Holy People of the World* A Cross Cultural Encyclopedia examines the impact of individuals who through personal charisma and inspirational deeds served both as glorious examples of human potential and as envoys for the divine *Holy People of the World* contains nearly 1 100 biographical sketches of venerated men and women Written by religious studies experts and historians each article focuses on the basic question How did this person come to be regarded as holy In addition the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam Buddhism and African religions as well as 64 comparative articles on aspects of holiness and veneration across

cultures such as awakening and conversion experiences heredity gender asceticism and persecution Whether exploring by religion culture or historic period this extensively cross referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions

The Ephemeral History of Perfume Holly Dugan, 2011-09-14 In contrast to the other senses smell has long been thought of as too elusive too fleeting for traditional historical study Holly Dugan disagrees arguing that there are rich accounts documenting how men and women produced consumed and represented perfumes and their ephemeral effects She delves deeply into the cultural archive of olfaction to explore what a sense of smell reveals about everyday life in early modern England In this book Dugan focuses on six important scents incense rose sassafras rosemary ambergris and jasmine She links these smells to the unique spaces they inhabited churches courts contact zones plague ridden households luxury markets and pleasure gardens and the objects used to dispense them This original approach provides a rare opportunity to study how early modern men and women negotiated the environment in their everyday lives and the importance of smell to their daily actions Dugan defines perfume broadly to include spices flowers herbs animal parts trees resins and other ingredients used to produce artificial scents smokes fumes airs balms powders and liquids In researching these Renaissance aromas Dugan uncovers the extraordinary ways now largely lost that people at the time spoke and wrote about smell objects ambered civited expired fetored halited resented and smeeked or were described as breathful embathed endulced gracious halited incensial odorant pulvil redolent and suffite A unique contribution to early modern studies The Ephemeral History of Perfume is an unparalleled study of olfaction in the Renaissance a period in which new scents and important cultural theories about smell were developed Dugan's inspired analysis of a wide range of underexplored sources makes available to scholars a remarkable wealth of information on the topic

A Dictionary of Biblical Tradition in English Literature David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today's students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout
