**Uncle Sam's War of 1898 and the Origins of Globalization** Thomas D. Schoonover, 2013-07-24 The roots of American globalization can be found in the War of 1898 Then as today the United States actively engaged in globalizing its economic order its political institutions and its values Thomas Schoonover argues that this drive to expand political and cultural reach the quest for wealth missionary fulfillment security power and prestige was inherited by the United States from Europe especially Spain and Great Britain Uncle Sam's War of 1898 and the Origins of Globalization is a pathbreaking work of history that examines U S growth from its early nationhood to its first major military conflict on the world stage also known as the Spanish American War As the new nation's military industrial and economic strength developed the United States created policies designed to protect itself from challenges beyond its borders According to Schoonover a surge in U S activity in the Gulf Caribbean and in Central America in the late nineteenth and early twentieth centuries was catalyzed by the same avarice and competitiveness that motivated the European adventurers to seek a route to Asia centuries earlier Addressing the basic chronology and themes of the first century of the nation's expansion Schoonover locates the origins of the U S goal of globalization U S involvement in the War of 1898 reflects many of the fundamental patterns in our national history exploration and discovery labor exploitation violence racism class conflict and concern for security that many believe shaped America's course in the twentieth and twenty first century **Prologue**, 1975 **Library of Congress Catalogs** Library of Congress, 1976 **Admirals of the New Steel Navy** James C Bradford, 2013-01-15 This collection of interpretive biographical essays on the admirals of the new steel navy continues the story of the development of the American naval begun so successfully in Command Under Sail and Captains of the Old Steam Navy During the period of 1880 to 1930 the U S Navy underwent a significant transformation as it adapted to new technologies and grew to meet the responsibilities thrust upon it by America's new role as a world power This book offers readers an entertaining yet informative history that allows amateur and professionals alike to better appreciate the U S Navy's dramatic period of development and adjustment **Pacific Estrangement** Akira Iriye, 1994 **Events That Changed America in the Nineteenth Century** John E. Herman Mark Schwartz, 2018-11-28 Now in its fourth edition this highly regarded and critically acclaimed textbook offers an authoritative introduction to international political economy. It is unique in offering an accessible broad introduction to the development of the global economy from its inception to today's complex relationship between states and markets in the midst of economic crises. Herman Mark Schwartz deftly shows that globalization is not a novel phenomenon but a recurrent process whereby markets have since the 16th century periodically redistributed economic activity. It links the production of goods and services in one region to the markets for those goods and shows how this can lead to conflicts among states that try to create, enhance or subdue the markets. Taking into account the continued rise of China and the recent shift towards populism in the West, this book has been extensively rewritten and updated throughout. This is a thought-provoking text which will encourage upper-level undergraduate and postgraduate students to think analytically about the inevitability of a global market influencing a state's policies and geo-economic position and to locate their own thinking within the IPE tradition. New to this Edition: Thoroughly updated to cover all major developments in global political economy since the financial crisis. Timelines in most chapters show key events in the evolution of the global economy. Offers a particularly clear account now with chapter summaries, updated examples and a glossary of key terms. An index to periodical literature. 4th suppl., Jan. 1, 1897- Jan. 1, 1902, by W.I. Fletcher and M. Poole William Frederick Poole, 1903 **Bradstreet's**, 1899 **Books in Print**, 1991 Poole's Index to Periodical Literature: Fourth supplement, January 1, 1897-January 1, 1902 William Frederick Poole, William Isaac Fletcher, 1903
