# The Making Of Charles Dickens

**VM Jensen**

## **The Making Of Charles Dickens:**

*The Making of Charles Dickens* Christopher Hibbert,1983      **The Making of Charles Dickens** Christopher Hibbert,1967 This biography of Dickens relates his life to his fiction by comparing sections of his work with personal situations in his life      *Charles Dickens and the Making of a Christmas Carol* Michael Norris,2011-10 When first published in December of 1843 Charles Dickens s A CHRISTMAS CAROL was hailed instantly as a masterpiece Since that time the work has never been out of print As well the book has been translated into dozens of languages adapted into countless stage and film versions and even made into operas and ballets In this penetrating 10 000 word study Michael Norris tells the complete story behind Dickens s writing of the book Norris dives deep into his topic to discover the altruistic angels and monetary demons which drove Dickens the public debates and rancor which informed him and the terrible childhood memories which both haunted and inspired him Here at last we have the ideal reader s companion for Dickens s Christmas classic      **The Oxford Companion to Charles Dickens** Paul Schlicke,2011-11-03 This anniversary edition of the Oxford Companion to Charles Dickens celebrates 200 years since the birth of one of Britain s most popular authors Covering his life his works his reputation and his cultural context in over 500 A Z articles this is the most reliable and accessible reference work on Dickens available      *The Oxford Handbook of Charles Dickens* Robert L. Patten,John O. Jordan,Catherine Waters,2018-09-13 The Oxford Handbook of Charles Dickens is a comprehensive and up to date collection on Dickens s life and works It includes original chapters on all of Dickens s writing and new considerations of his contexts from the social political and economic to the scientific commercial and religious The contributions speak in new ways about his depictions of families environmental degradation and improvements of the industrial age as well as the law charity and communications His treatment of gender his mastery of prose in all its varieties and genres and his range of affects and dramatization all come under stimulating reconsideration His understanding of British history of empire and colonization of his own nation and foreign ones and of selfhood and otherness like all the other topics is explained in terms easy to comprehend and profoundly relevant to global modernity      *A Companion to Charles Dickens* David Paroissien,Leon Litvack,2025-09-22 Provides an authoritative treatment of the life work and legacy of Charles Dickens A Companion to Charles Dickens is an essential resource for understanding one of the most celebrated authors in English literature This extensively revised edition features a wealth of new essays alongside select updated essays from the first edition Written by leading Dickensian scholars from around the world these contributions offer critical insights into Dickens s life works and lasting influence The Companion places Dickens s writings within their literary historical and ideological contexts equipping readers with the knowledge to engage with his fiction in a more informed and meaningful way New chapters examine Dickens s attitudes to the city and to Europe as well as his evolving literary reputation Each of his fifteen novels his Christmas Books and his sketches is explored in depth with scholars offering contemporary perspectives on their themes style and cultural impact The contributors also

consider Dickens's engagement with visual culture his use of history in fiction and the ways his works continue to resonate in modern studies An indispensable guide for those seeking a deeper understanding of Dickens's world and literary contributions A Companion to Charles Dickens Presents newly commissioned essays offering fresh critical perspectives on Dickens's life and works Explores Dickens's evolving reputation and critical reception over time Contains dedicated chapters exploring key themes and interpretations of all of Dickens's novels Discusses Dickens's literary style narrative techniques and innovations in storytelling Presents a broad range of perspectives from biographical studies to thematic and ideological analyses Includes updated references bibliographies and recommendations for further reading A Companion to Charles Dickens Second Edition is an invaluable reference for undergraduate and graduate students studying English literature Victorian studies or cultural history It is also a must have for scholars researchers educators and professionals engaged in Dickens studies as well as general readers with a deep interest in his life and works The Works of Charles Dickens ...

Charles Dickens, 1868 **Charles Dickens** Lyn Pykett, 2017-03-14 To many of his contemporaries Charles Dickens was the greatest writer of his age a one man fiction industry who produced fourteen massive novels and numerous sketches essays and stories many of which appeared in the two magazines which he founded and edited Today the work of one of the first and most successful mass circulation authors continues to enthrall readers around the world This wide ranging book examines the writings of Dickens not only in his time but also in ours It looks at the author as a Victorian man of letters and explores his cultural and critical impact both on the definition of the novel in the nineteenth century and the subsequent development of the form in the twentieth Lyn Pykett focuses on Dickens as journalist literary entrepreneur the conductor of magazines the shaper of the serial novel the manipulator of the multiple plot and the creator of eccentric characters She also assesses the modernity of the writer's alienated protagonists and their social environments as well as reassessing his representations of the vivid bleak and at times menacing spectacle of the metropolis from the late modern postmodern perspective of the twenty first century Each chapter of this text analyses the work of a particular decade in Dickens's career providing a lively contextual study which places his writings in relation to the worlds that made him and the literary worlds which he made It is essential reading for all those with an interest in one of the most popular and enduring British novelists of all time

**Palgrave Advances in Charles Dickens Studies** R. Patten, J. Bowen, 2005-11-30 Palgrave Advances in Charles Dickens Studies is a comprehensive and authoritative guide to the study of one of the most important Victorian novelists Its editors Robert L Patten and John Bowen are leading authorities on Dickens and the international team of contributors they have assembled contains some of the most exciting critics of nineteenth century fiction writing today The book covers the whole range of Dickens's writing and criticism about it including biographical theoretical and historical approaches It is based on up to the minute research and written in a lively and engaging way and will be essential reading for all students and scholars of this canonical writer **Charles Dickens's American Audience** Robert McParland, 2011-12-16 During the time when

the American nation was emerging the novels of a British author Charles Dickens contributed significantly to the making of American culture The unique contribution of Charles Dickens s American Audience is the focus upon the testimony of Dickens s American readers as a unique reading community how his fiction intersected with their real lives how he impacted American publishing literacy and educational reform and how Americans loved the theatricality that Dickens brought to their lives *Charles Dickens and His Friends* William Teignmouth Shore,1909

**Great Expectations: The Sons and Daughters of Charles Dickens** Robert Gottlieb,2012-11-27 The strange and varied lives of the ten children of the world s most beloved novelist Charles Dickens famous for the indelible child characters he created from Little Nell to Oliver Twist and David Copperfield was also the father of ten children and a possible eleventh What happened to those children is the fascinating subject of Robert Gottlieb s *Great Expectations* With sympathy and understanding he narrates the highly various and surprising stories of each of Dickens s sons and daughters from Kate who became a successful artist to Frank who died in Moline Illinois after serving a grim stretch in the Royal Canadian Mounted Police Each of these lives is fascinating on its own Together they comprise a unique window on Victorian England as well as a moving and disturbing study of Dickens as a father and as a man

**The Reception of Charles Dickens in Europe** Michael Hollington,2013-08-29 The Reception of Charles Dickens in Europe offers a full historical survey of Dickens s reception in all the major European countries and many of the smaller ones filling a major gap in Dickens scholarship which has by and large neglected Dickens s fortunes in Europe and his impact on major European authors and movements Essays by leading international critics and translators give full attention to cultural changes and fashions such as the decline of Dickens s fortunes at the end of the nineteenth century in the period of Naturalism and Aestheticism and the subsequent upswing in the period of Modernism in part as a consequence of the rise of film in the era of Chaplin and Eisenstein It will also offer accounts of Dickens s reception in periods of political upheaval and revolution such as during the communist era in Eastern Europe or under fascism in Germany and Italy in particular

**Charles Dickens and the Properties of Fiction** Ushashi Dasgupta,2020-05-20 When Dickens was nineteen years old he wrote a poem for Maria Beadnell the young woman he wished to marry The poem imagined Maria as a welcoming landlady offering lodgings to let Almost forty years later Dickens died leaving his final novel unfinished in its last scene another landlady sets breakfast down for her enigmatic lodger These kinds of characters are everywhere in Dickens s writing *Charles Dickens and the Properties of Fiction* The Lodger World explores the significance of tenancy in his fiction In nineteenth century Britain the vast majority of people rented rather than owned their homes Instead of keeping to themselves they shared space renting lodging taking lodgers in or simply living side by side in a crowded modern city Charles Dickens explored both the chaos and the unexpected harmony to be found in rented spaces the loneliness and sociability the interactions between cohabitants the complex gender dynamics at play and the relationship between space and money *Charles Dickens and the Properties of Fiction* demonstrates that a cosy secluded home life was beyond the reach

of most Victorian Londoners and considers Dickens's nuanced conception of domesticity. Tenancy maintained an enduring hold upon his imagination giving him new stories to tell and offering him a set of models to think about authorship. He celebrated the fact that unassuming houses brim with narrative potential: comedies, romances and detective plots take place behind their doors. Charles Dickens and the Properties of Fiction. The Lodger. World wedges these doors open. **The Life of Charles Dickens** Frederic George Kitton, 2004. The story of Charles Dickens's life is a truly remarkable rags to riches tale. His father's bankruptcy and imprisonment led to Dickens working in a blacking factory at an early age. These humble beginnings were to become a major influence upon his life and his writings. Dickens became a sensation in his own time and his legacy lives on. His books sold in tens of thousands. Audiences flocked to see him when he performed public readings of his works inciting Bozmania. Venues became sold out, touts sold tickets at inflated prices and women fainted at his thrilling recitals. He went on to conquer America and commanded great fees for his performances. This long overdue republication from 1902 chronologically records the events in the life of the Inimitable Boz. We discover that he was not just an author but also an actor, publisher, journalist, editor, public reader, art critic, political economist and social reformer. We learn about the characters in his books who inspired them and uncover something of the personality of Dickens himself. He was a meticulous workaholic with a desire not to be poor again and it was this desire that ultimately killed him. About the author. Frederic George Kitton 1856-1904 was born in Norwich, England. At the age of seventeen he moved to London and joined the staff of The Graphic as an apprentice. He became a skilled etcher and contributed to artistic journals before becoming an author. Kitton was one of the founders of the Dickens Fellowship and most of his publications relate to the life and works of Charles Dickens including Dickensiana: A Bibliography of the Literature Relating to Charles Dickens and His Writings as well as annotating the Rochester edition of Dickens's Works. **Charles Dickens's A Tale of Two Cities** Ruth Glancy, 2013-10-23. Since its publication in 1859, A Tale of Two Cities has remained the best known fictional recreation of the French Revolution and one of Charles Dickens's most exciting novels. A Tale of Two Cities blends a moving love story with the familiar figures of the Revolution: Bastille prisoners, a starving Parisian mob and an indolent aristocracy. Taking the form of a sourcebook, this guide to Dickens's dramatic novel offers extensive introductory comment on the contexts and many interpretations of the text from publication to the present, annotated extracts from key contextual documents, reviews, critical works and the text itself, cross references between documents and sections of the guide in order to suggest links between texts, contexts and criticism, suggestions for further reading. This volume is essential reading for all those beginning detailed study of A Tale of Two Cities and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Dickens's text. **Charles Dickens's A Tale of Two Cities** Ruth F. Glancy, 2006. Often criticised for its melodramatic soap opera plot, Dickens's bold treatment of the violence and terrors of the French Revolution is still widely read and enjoyed today. This text looks at critical themes in the novel as well as looking closely at the context in which it is set. The Complete

Works of Charles Dickens Charles Dickens, 2023-12-29 The Complete Works of Charles Dickens stands as a monumental compendium of one of the most prolific and revered authors of the Victorian era This extensive collection encapsulates Dickens's rich narrative style characterized by its intricate plots vibrant characterizations and social commentary It offers readers an unparalleled opportunity to explore his vivid portrayals of 19th century England reflecting the era's complexities through a blend of realism and romanticism Each work from the poignant struggles in *Oliver Twist* to the intricate social tapestry of *A Tale of Two Cities* illustrates Dickens's keen insights into human nature and societal intricacies making them vital for understanding the literary context of the time Charles Dickens born into modest means experienced the stark realities of poverty and social injustice firsthand experiences that profoundly shaped his writing His early life marred by hardship and a brief stint in a factory fueled his passion for reform and empathy towards the downtrodden As a public figure he became a champion of the underprivileged using his literary prowess to advocate for social change crafting works that remain relevant even in contemporary discussions on inequality This comprehensive collection is an essential read for scholars and casual readers alike as it not only showcases Dickens's storytelling genius but also invites reflection on enduring themes of class struggle redemption and morality Engaging with his complete works enriches our understanding of literary history and offers timeless insights into the human condition

*The Scriptures of Charles Dickens* Vincent Newey, 2016-12-05 This study focuses on Dickens's response to questions of identity conduct and social organization that emerged in an era of major cultural unsettlement and change not least with the decline of religious certainty and the rise of materialism An analysis of *A Christmas Carol* as a paradigm of his concerns and strategies in these fields is followed by close readings of novels from different stages of his career *Oliver Twist* *David Copperfield* *Great Expectations* and *Our Mutual Friend* These and other works by Dickens are seen to reflect ideologies currently at work in his society but also more importantly to participate in the construction of needful value systems and codes for regulating behaviour Liberal humanism and middle class hegemony feature largely in this process of culture formation where Dickens played a crucial role in formulating and promulgating such salient guiding principles as those of sympathy marriage and the family economic responsibility and hierarchy within and between groups His treatment of the self is on one level driven by this project in shaping and stabilizing attitudes among a confederacy of readers in that it offers positive models of development of how to function and fit in yet on another especially in his sustained imaginative preoccupation with the figure of the outsider or misfit this is one pre eminent area where his writing transcends purposes of enculturation and paradoxically challenges its own ideological positions His female characters in particular as well as more obviously his anti heroes criminals and other dissidents are shown to question and subvert the moulds in which they are formally cast The novels are confirmed not only as great creative achievements an aspect this book consistently salutes nor simply as a primary site of the evolving Victorian dispensation and revolution of ideas but as a territory that predicts engages and illuminates our own complex modernity

Reference is made throughout the volume to other contemporary writings including sociological philosophic and medical discourse to recent cognate theory and to traditions like that of Puritan spiritual autobiography which Dickens adapted to new ends     The Cambridge Companion to Charles Dickens John O. Jordan, 2001-06-18 The Cambridge Companion to Charles Dickens contains fourteen specially commissioned chapters by leading international scholars who together provide diverse but complementary approaches to the full span of Dickens's work with particular focus on his major fiction The essays cover the whole range of Dickens's writing from Sketches by Boz through The Mystery of Edwin Drood Separate chapters address important thematic topics childhood the city and domestic ideology Others consider formal features of the novels including their serial publication and Dickens's distinctive use of language Three final chapters examine Dickens in relation to work in other media illustration theatre and film Each essay provides guidance to further reading The volume as a whole offers a valuable introduction to Dickens for students and general readers as well as fresh insights informed by recent critical theory that will be of interest to scholars and teachers of the novels

## **The Making Of Charles Dickens Introduction**

In today's digital age, the availability of The Making Of Charles Dickens books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Making Of Charles Dickens books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Making Of Charles Dickens books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Making Of Charles Dickens versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Making Of Charles Dickens books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Making Of Charles Dickens books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Making Of Charles Dickens books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Making Of Charles Dickens books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Making Of Charles Dickens books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Making Of Charles Dickens Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
