

# The Making of Détente

East-West and West-East European Relations  
1945-1990

Edited by  
Norberto Lacort and  
Giovanna-Helena Brundage

Routledge Taylor & Francis Group

# The Making Of Detente

**Stephan Kieninger**

## **The Making Of Detente:**

**The Making of Détente** Keith L. Nelson, 2019-12-01 Originally published in 1995 In the early 1970s largely as a result of the debilitating struggle in Vietnam the United States began to reassess and redefine its basic approach to East West relations At the same time the Soviet Union was awakening to the liabilities that a continuing and unregulated state of hostility would impose on its own internal and external agenda Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War In this important study Keith Nelson explains the detente period in an imaginative convincing and impressively scholarly manner Although there have been scores of books and memoirs on the subject none have done the job quite like Nelson's In particular he has used post glasnost Russian memoirs and monographs and especially his own interviews with such key players as Dobrynin and Arbatov to present one of the most intelligent Kremlinological studies I have ever seen Melvin Small Wayne State University

*The Making of Détente* Wilfried Loth, George Soutou, 2010-04-05 Containing essays by leading Cold War scholars such as Wilfried Loth Geir Lundestad and Seppo Hentil this volume offers a broad ranging examination of the history of détente in the Cold War The ten years from 1965 to 1975 marked a deep transformation of the bipolar international system of the Cold War The Vietnam War and the Prague Spring showed the limits of the two superpowers who were constrained to embark on a wide ranging détente policy which culminated with the SALT agreements of 1972 At the same time this very détente opened new venues for the European countries French policy towards the USSR and the German Ostpolitik being the most evident cases in point For the first time since the 1950s Western Europe began to participate in the shaping of the Cold War The same could not be said of Eastern Europe but ferments began to establish themselves there which would ultimately lead to the astounding changes of 1989 90 the Prague Spring the uprisings in Gdansk in 1970 and generally the rise of the dissident movement That last process being directly linked to the far reaching event which marked the end of that momentous decade the Helsinki conference The Making of Détente will appeal to students of the Cold War international history and European contemporary history

**The Making of Détente** Keith L. Nelson, 2019 In *The Making of Detente* historian Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War He shows that this occurred because historical developments combined in both countries to create a scarcity of the resources needed to maintain the existing activities of their societies economies and governments Given ample means and apparent success each nation would have almost certainly been inclined to continue established policies even if these had meant perpetuation of the Cold War But in the face of substantial shortages deriving from setbacks with regard to domestic unity and morale the performance of the economy and relations with allies realistically conservative leaders on both sides those with little interest in transcendent change found themselves irresistibly attracted by the possibility of an arrangement with their foreign opponent that would

reduce the demands being put on them      **The Making of Détente** Keith L. Nelson, 1995-03 In *The Making of Detente* historian Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War He shows that this occurred because historical developments combined in both countries to create a scarcity of the resources needed to maintain the existing activities of their societies economies and governments Given ample means and apparent success each nation would have almost certainly been inclined to continue established policies even if these had meant perpetuation of the Cold War But in the face of substantial shortages deriving from setbacks with regard to domestic unity and morale the performance of the economy and relations with allies realistically conservative leaders on both sides those with little interest in transcendent change found themselves irresistibly attracted by the possibility of an arrangement with their foreign opponent that would reduce the demands being put on them      **The Rise and Fall of Détente** Jussi M. Hanhimäki, 2013 From Kennedy to Reagan

The Limits of Detente Craig Daigle, 2012-10-30 In the first book length analysis of the origins of the October 1973 Arab Israeli War Craig Daigle draws on documents only recently made available to show how the war resulted not only from tension and competing interest between Arabs and Israelis but also from policies adopted in both Washington and Moscow Between 1969 and 1973 the Middle East in general and the Arab Israeli conflict in particular emerged as a crucial Cold War battleground where the limits of détente appeared in sharp relief By prioritizing Cold War détente rather than genuine stability in the Middle East Daigle shows the United States and the Soviet Union fueled regional instability that ultimately undermined the prospects of a lasting peace agreement Daigle further argues that as détente increased tensions between Arabs and Israelis these tensions in turn negatively affected U S Soviet relations      First Steps Toward Détente Richard D. Williamson, 2012-01-01 This book is a history of negotiations associated with the Berlin crisis from 1958-1963 Events include Khrushchev's visit to the United States in 1959 the Paris 1960 and Vienna 1961 summits the stalemate at Checkpoint Charlie the Cuban Missile Crisis and the Limited Test Ban Treaty all linked by ongoing diplomatic activities      Unmaking Détente

Milorad Lazic, 2022-06-29 This book examines the global history of the Cold War in the 1970s through the perspective of Yugoslavia's activism in the Global South and its relations with the superpowers The author shows that Yugoslavia's anxiety over a new Yalta required a disruptive role toward détente which it saw as the superpowers attempt to divide the spheres of influence Yugoslavia's global activism in the 1970s reflected not only its desire to undermine alleged superpowers agreements but also its desire to promote the Yugoslav revolutionary model as a distinctive form of political social and economic organization The author traces the complex interactions between Yugoslavia and the world but also investigates the limitations of Yugoslavia's global activism Drawing on a novel and wide source base from the archives in the former Yugoslavia the United States and Great Britain the book shows the web of opportunities problems and challenges that détente and the Cold War in the 1970s offered to and imposed on a small state in the Balkans      **The Crisis of Détente in Europe**

Leopoldo Nuti, 2008-11-11 This edited volume is the first detailed exploration of the last phase of the Cold War taking a critical look at the crisis of détente in Europe in the late 1970s and early 1980s The transition from détente to a new phase of harsh confrontation and severe crises is an interesting indeed crucial phase of the evolution of the international system This book makes use of previously unreleased archival materials moving beyond existing interpretations of this period by challenging the traditional bipolar paradigm that focuses mostly on the role of the superpowers in the transformation of the international system The essays here emphasize the combination and the interplay of a large number of variables political ideological economic and military and explore the topic from a truly international perspective Issues covered include human rights the Euromissiles the CSCE Commission on Security and Cooperation in Europe the Revolution in Military Affairs economic growth and its consequences *Dynamic Détente* Stephan Kieninger, 2016-03-23 This book examines the dynamic evolution of Western détente policies which sought to transform Europe and overcome its Cold War division through more communication and engagement Kieninger challenges the traditional Cold War narrative that détente prolonged the division of Europe and precipitated America's decline in the aftermath of the Vietnam War Rather he argues that policymakers in the U S Department of State and in Western Europe envisaged the stability enabled by détente as a precondition for change as Communist regimes saw a sense of security as a prerequisite for opening up their societies to Western influence over time Kieninger identifies the Helsinki Accords Lyndon Johnson's bridge building and Willy Brandt's Ostpolitik as efforts aimed at constructive changes in Eastern Europe through a multiplication of contacts communication and cooperation on all societal levels This study also illuminates the longevity of America's policy of peaceful change against the background of the nuclear stalemate and the military status quo *Detente, Hearings Before ..., 93-2, Aug. 15, 20, and 21, Sept. 10, 12, 18, 19, 24, and 25, and Oct. 1 and 8, 1974* United States. Congress. Senate. Foreign Relations, 1975 **Britain, Détente, and the Helsinki CSCE** Kai Hebel, 2025-09-15 This book offers the first in depth account of the United Kingdom's contribution to the rapprochement between East and West that culminated in the successful negotiation of the Helsinki Final Act of 1975 Britain's role in this historic achievement has been understudied and understated This book rectifies this shortcoming by tracing London's important contribution to East West diplomacy with a special focus on the negotiations of the Helsinki Final Act 1972-75 The Final Act was the product of almost three years of intense bargaining in the context of the Conference on Security and Cooperation in Europe Along with 34 other states the UK negotiated core aspects of European international relations including the political territorial and normative order of the divided continent Taking full advantage of its new role as a member of the European Community and its traditional part in NATO British negotiators skillfully navigated the opportunities and pitfalls of multilateral diplomacy Their success in hammering out several of the most contested and most innovative provisions of the Helsinki Accord earned them the moniker of Fathers of the Final Act Based on extensive archival research in eleven countries on three continents this book traces the evolution of the negotiations providing a compelling

bottom up account of how diplomacy works in practice against the backdrop of inter state conflict and unequal power This book will be of much interest to students of Cold War History European history British history and International Relations

International History of the Twentieth Century Antony Best,Jussi Hanhimäki,Joseph A. Maiolo,Kirsten E. Schulze,Jussi M. Hanhimäki,2004-02-24 This major new global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the past one hundred years Among the areas this book covers are the decline of European hegemony over the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the three major global conflicts of the twentieth century the Great War the Second World War and the Cold War This is an absolutely essential book in the study of twentieth century history Students will find themselves lacking without it

The Columbia Guide to the Cold War Michael Kort,2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes

*The Rise and Fall of Détente* Richard W Stevenson,1985-07-22 **Development of the Idea of Detente** Michael B. Froman,2016-01-28 Since the early 1950s there has been agreement in the US concerning the desirability of improving relations with the Soviet Union Policymakers have often disagreed however about how to implement policy and this book looks at the policy of individual administrations

*The Diplomacy of Détente* Stephan Kieninger,2018-05-20 This book investigates the underlying reasons for the longevity of détente and its impact on East West relations The volume examines the relevance of trade across the Iron Curtain as a means to facilitate mutual trust as well as the emergence of new habits of transparency regardless of recurring military crises A major theme of the book concerns Helmut Schmidt's foreign policy and his contribution to the resilience of cooperative security policies in East West relations It examines Schmidt's crucial role in the Euromissile crisis his Ostpolitik diplomacy and his pan European trade initiatives to engage the Soviet Union in a joint perspective of trade industry and technology Another key theme concerns the crisis in US Soviet relations and the challenges of meaningful leadership communication between Washington and Moscow in the

absence of backchannel diplomacy during the Carter years The book depicts the freeze in US Soviet relations after the Soviet invasion in Afghanistan the declaration of martial law in Poland and Helmut Schmidt s efforts to serve as a mediator and interpreter working for a relaunch of US Soviet dialogue Eventually the book highlights George Shultz s pivotal role in the Reagan Administration s efforts to improve US Soviet relations well before Mikhail Gorbachev s arrival This book will be of interest to students of Cold War studies diplomatic history foreign policy and international relations The Emergence of Détente in Europe Arne Hofmann,2007-06-11 This book examines the key relationship between Willy Brandt the former Mayor of West Berlin and future West German Chancellor and the administration of President John F Kennedy Arne Hofmann focuses on the administration s influence on the development of Brandt s policy of small steps and the formation of his later Ostpolitik the centrepiece of European détente Brandt s interaction with the Kennedy administration is traced through the Berlin Wall crisis of 1961 together with Kennedy s search for a modus vivendi based on the status quo the 1962 crisis in German American relations Brandt s disillusionment campaign the development of his programmatic statements Brandt s three meetings with the President including Kennedy s famous visit to Berlin the limited nuclear test ban treaty and Brandt s Berlin pass agreement of Christmas 1963 While the narrative focuses on the gradual change in Brandt s position systematic parts concentrate on Brandt s and Kennedy s détente concepts the triangular relationship between West Berlin Washington and Bonn with its implication for domestic politics and the role of images campaigning and public opinion The Emergence of Détente in Europe will appeal to students of Cold War history foreign policy international relations and international history in general **Britain, Detente and Changing East-West Relations** Brian White,2002-06-01 There is little systematic analysis available of Britain s contribution to East West relations since 1945 and in particular of Britain s contribution to East West détente In general British attempts to act as mediator between East and West have been regarded as ineffectual and a rather desperate attempt to prove that Britain could still wield influence on the world stage In this new contribution to the study of the evolution of post war international relations Brian White argues that Britain s contribution to détente cannot so easily be dismissed Through narrative and analysis he examines the persistent theme of Britain s attempts to steer East West relations in a co operative direction In doing so he has provided both an important revaluation of Britain s role in the post war world and an invaluable case study in foreign policy formation and execution Italy in the International System from Détente to the End of the Cold War Antonio Varsori,Benedetto Zaccaria,2017-11-10 This edited collection offers a new approach to the study of Italy s foreign policy from the 1960s to the end of the Cold War highlighting its complex and sometimes ambiguous goals due to the intricacies of its internal system and delicate position in the fault line of the East West and North South divides According to received opinion during the Cold War era Italy was more an object rather than a factor in active foreign policy limiting itself to paying lip service to the Western alliance and the European integration process without any pretension to exerting a substantial international influence Eleven contributions by leading Italian historians

reappraise Italy's international role addressing three complex and intertwined issues namely the country's political diplomatic dimension the economic factors affecting Rome's international stance and Italy's role in new approaches to the international system and the influence of political parties cultures in the nation's foreign policy

## Unveiling the Magic of Words: A Review of "**The Making Of Detente**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**The Making Of Detente**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.

### **The Making Of Detente Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Making Of Detente has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Making Of Detente has opened up a world of possibilities. Downloading The Making Of Detente provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Making Of Detente has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Making Of Detente. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Making Of Detente. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Making Of Detente, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Making Of Detente has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Making Of Detente Books

**What is a The Making Of Detente PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Making Of Detente PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Making Of Detente PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Making Of Detente PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Making Of Detente PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
