The Sunday Magazine ,1866 **Parliamentary Debates** New Zealand. Parliament, 1927 The Sunday Magazine Rich Man's War, Poor Man's Fight Daniel Thompson, 2011-09-25 Rich Man's War Poor Man's Fight is the story of two Scot Irish families who left Ireland for the promise of a better life in America While accurately set in time and place this is not a battle by battle account of Civil War history It is the story of a determined people who were pressed into a war by a country who spurned their kind and used them as pawns so their wealthy sons could be kept out of harm s way One family a young man who hoped to use his family trade as a sword smith entered through the port of New York in 1862 New York was in the midst of the conscription riots as Abraham Lincoln's cabinet desperately fought to fill the ranks of an Army to hold the Union together A second family left Dublin for New Orleans They arrived as organizers tried to convince young Irish men that the South's fight for independence from the federal government is a struggle that the Irish should understand Fate brings the young men together on opposing sides of a Virginia battlefield where they collapse in exhaustion and come to realize the irony of their meeting and the cruel circumstances that brought them together as enemies Niles' Weekly Register ... Hezekiah Niles, 1836 The Wonder Clock Howard Pyle, Katharine Pyle, 2021-11-05 Within the pages of The Wonder Clock readers are invited into a world where the strokes of midnight bridge the realms of reality and fantasy This anthology masterfully edited by Howard and Katharine Pyle showcases an intriguing fusion of literary styles marrying the traditional folklore narrative with a Victorian flair for the dramatic and the whimsical The collection stands out for its cohesive yet diverse range of tales each corresponding to an hour of the clock symbolizing the cyclic and all encompassing nature of storytelling throughout human history. The stories while rooted in folklore are imbued with a freshness and vitality that speak to the enduring power of myth and legend The Pyles work is not just a recounting of tales but an ambitious reimagining bringing these narratives into a new literary context The backgrounds of Howard and Katharine Pyle as pioneers in the field of children's literature and illustration significantly enrich The Wonder Clock Their collective expertise bridges the gap between the oral and visual storytelling traditions aligning the anthology with both the Arts and Crafts Movement and the golden age of illustration This partnership of siblings illustrates a convergence of historical cultural and creative forces offering a comprehensive exploration of folklore s adaptability and resilience The Wonder Clock is more than a collection it is an invitation to traverse the landscape of human experience through the lens of folklore Readers seeking an immersive journey into the heart of storytelling enriched by the unique blend of the Pyles imaginative visions and literary craftsmanship will find this anthology a treasure trove of cultural wisdom and artistic expression. The anthology not only educates but also inspires encouraging a dialogue between the past and the present between the story and the reader
