novels Love Is a Journey Mo Guernon, 2025-05-06 Love is a Journey is the remarkable story of Albino Luciani known to the world as Pope John Paul I from his harrowing birth to his tragic death just 33 days into his 1978 pontificate the shortest pontificate in history After years of dedicated archival research and after interviewing dozens of figures in the Catholic hierarchy as well as Pope John Paul I's niece author Mo Guernon explores Luciani's family history personality and character to reveal the very essence of the man who became known as the Smiling Pope Guernon analyzes Luciani's major public pronouncements and his most significant writings which shed considerable light on his fundamental beliefs and worldview In the concluding chapters of the book Guernon assesses Pope John Paul I's legacy and journey toward sainthood and the beguiling question of how the Catholic Church might have evolved had his pontificate endured through the 1980s and beyond The events of Luciani's life are so compelling so remarkable so fast moving that the narrative reads like a novel Guernon paints a multi-dimensional portrait of the man that prominently displays his virtues and shortcomings successes and failures heroic deeds and personal doubts about his own courage He highlights Luciani's progressive views of issues of his time the crises in his personal and priestly life his discomfort with the spotlight and his anxiety about succeeding the popular Pope Paul VI the relative simplicity of his inauguration as pope and the unprecedented power he wielded on those with whom he came into contact both personally and through the mass media Above all Guernon attempts to capture the pope's mysterious ability to engender love among people of all faiths and nonbelievers too with his inimitable humility and almost divine smile A striking example of his influence came from punk rocker Patti Smith who was so enamored of Luciani that she wrote a song about the pope and dedicated her 1979 album Wave to him Pope John Paul I's impact on the world during his 33 day pontificate was simultaneously profound and perplexing and until now underappreciated In little more than a month the Luciani dazzled people of all ages races and nations while modernizing the papacy and establishing an ambitious agenda for promoting peace and dialogue among all peoples a program subsequently carried out by his successors particularly Pope Francis And in fact Pope Francis established the Vatican Pope John Paul I Foundation in memory of his beloved mentor Never has a world leader accomplished so much in so little time **State**, 1983 **The Papacy in the Modern World, 1914-1978** J. Derek Holmes, 1981 Analyse van het pauselijk beleid in een politiek bewogen tijd en een veranderde maatschappij **Andrew M. heavily invoked until the twentieth century there is a vast store of rich material to work from and Fred Baumgartner uses it to its utmost detailing the bickering and blatant politicking that goes on behind the locked doors of the Sistine Chapel in this important and timely book

Pontiff Gordon Thomas,Max Morgan-Witts,2014-07-01 The story of Paul VI John Paul I and John Paul II and an assassination plot by the New York Times bestselling coauthors of The Day the World Ended The Vatican has

remained one of the last unexamined mysteries of the modern world For centuries pomp and pageantry have hidden from view the dramatic sometimes sinister realities that haunt the office of Supreme Pontiff and the men who make up his papacy Gordon Thomas and Max Morgan Witts now bring their tremendous investigative talent to this most secret of institutions

offering us an unrivaled portrait and day to day account of the lives personalities and relationships of the three most recent popes an equally fine account of the hour by hour deliberations of the closely guarded conclaves at which two popes were elected in the fateful year of 1978 and a remarkable rendering of the concrete issues facing the institutional papacy in

foreign affairs economic matters and the human factor the highly individual ambitions loyalties and hatreds that characterize the men and women who serve the Holy Father The result is a book that is ahead of the world s headlines a book that makes headlines of its own Not only have the authors brought the world of the Vatican into the open their sleuthing has uncovered

several major news stories Pontiff includes a day to day account of the assassination attempt by Mehmet Ali Agca upon John Paul II Agca s history and family his right wing political connections his activities and jailing in Turkey his escape from jail aided by the KGB his movements through terrorist training camps in Libya and Syria and a complete investigation of the

Bulgarian connection that led to the shooting in St Peter s Square Here also is the story of John Paul II s involvement with the creation of Solidarity in Poland and his almost daily secret contacts with Lech Walesa as well as the unprecedented letter to Brezhnev threatening his resignation from the papal throne In addition owing to the authors intricate web of connections at

the Vatican including many cardinals the book contains previously unknown information about the man entrusted with the Church s money Paul Marcinkus and his relationship with the shadowy Michele Sindona Pontiff is a fascinating revelation of a world previously unknown to us and an intimate view of a few men in Rome trying to lead an increasingly unwilling world

to their own vision of salvation

Becker, 2000-08-30 The volume approaches Greeleys novels by comparing him to the 19th century French writer Honor de Balzac A prolific and popular author Balzac recorded his milieu in tremendous detail created a fictional universe peopled by hundreds of characters and explored the role of Catholicism in his world Because of his training as a sociologist Greeley brings to his novels a thorough knowledge of popular culture and social theory And because of his experience as a Roman Catholic priest he has gained special knowledge of vice virtue and the workings of the Church Like Balzac now a major canonical author Greeley has created a world of numerous fictional persons mapped the details of his culture and explored the place of Catholicism in contemporary life

**Faith and Leadership** Michael P. Riccards, 2012-04-19 This study is a comprehensive history of the papacy the oldest elective office in the world and how it has managed over the centuries the most complex voluntary association of faith The book argues that in fact through most of its existence the papacy has adapted managerial models of the secular world and applied them to the Catholic Church Since its emergence from the Jewish synagogues to a persecuted minority in the Roman Empire to becoming the established religion of the West the Church and the papacy engaged the world on its own terms It is only after the Council of Trent did the Church become somewhat more divorced and estranged from the environment around it This book focused on those changes and on the great popes across the centuries who reformed and altered Catholicism Special attention is directed to Gregory I Innocent I Innocent III Pius IX Leo XIII Pius XI Pius XII John XXVII Paul VI and John Paul II The conclusion is that the persistence of the Catholic Church for so many centuries was due to its ability to preserve the faith but re establish its forms and managerial class

Good Intentions Steven P Millies, 2018-04-11 The 2016 presidential election was unlike any other in American history Polls tell us that millions of American Catholics who care about moral issues and who descended from immigrants supported Donald Trump Why didn t Trump s rhetoric on immigration and his promises to close the borders trouble more American Catholics Despite his own vulgar behavior his unconcealed selfishness or his still recent support for abortion rights why were some serious Catholics drawn to Trump In Good Intentions Steven P Millies uncovers the history of how American Catholics came to this More than that Good Intentions offers an explanation for why Catholics behaved the way they did in 2016 with some practical reflections about how to put Catholic faith to better use in American politics
