The Mamur Zapt and the Girl in the Nile Michael Pearce, 1995-09 *The Mamur Zapt and the Girl in Nile (Mamur Zapt, Book 5)* Michael Pearce, 2017-10-05 A classic historical mystery from award winning Michael Pearce in which the body of a young woman washes up in the Nile and the Mamur Zapt is drawn into the seedy world of Egyptian politics **The Girl in the Nile** Michael Pearce, 2017-07-12 1909 Egypt It's easy to go adrift in the complex political currents swirling through a country that has long been advised by the British after the mess it made of its finances but now swelling with nationalism And you can't discount the self interest of the Khedive the Royal Family and of the country's pashas Nevertheless Captain Gareth Owen Head of the Cairo Secret Police has to ask Where's the body The girl perhaps a woman of ill repute but one definitely lost overboard had been glimpsed lying on a sandbank in the Nile Then she vanished Why had Prince Narouz hired the dahabeeyah Surely not just to cruise to Luxor the man has no interest in antiquities And why was Miss Sekhmet on the boat anyway Was it for the Prince's pleasure or to embarrass him Under heavy pressure from politicians and his own mistress the strong minded Zeinab Owen steers a difficult course after a murderer *Spies and Holy Wars* Reeva Spector Simon, 2010-11-15 Illuminating a powerful intersection between popular culture and global politics *Spies and Holy Wars* draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an Islamic holy war or crusade against the West Published over the past century the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism Demonstrating the social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from being the malleable victim before World War II to the international techno savvy figure in today's crime novels She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre particularly in recent years Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam skepticism Moving beyond stereotypes Simon examines the relationships between publishing trends political trends and popular culture at large giving voice to the previously unexamined truths that emerge from these provocative page turners
