Peter M. Rinaldi

The Man In The Shroud:

The Man in the Shroud Jose F. Hernandez, 1979 **The Man in the Shroud: this is the Face of Christ** Peter M. Rinaldi, *The Turin Shroud* Lynn Picknett, Clive Prince, 2007-03-13 Long held to be Jesus burial garb the Shroud of Turin has been the most fiercely guarded and oft debated religious relic in the history of Christianity These authors contend that the image on the shroud is not Jesus of Nazareth but Leonardo da Vinci Photos **THE TRUTH OF THE ORIGIN OF THE UNIVERSE** Dr. Sabrie Soloman, 2024-08-01 The topic of undeserving credit given to the Big Bang and UFOs is a controversial one with many people having strong opinions on the matter While both the Big Bang theory and the existence of UFOs have been widely accepted the author argues that they are given too much credit and recognition without sufficient evidence to support their claims The Big Bang theory is widely accepted as the most plausible explanation for the origin of the universe Some critics argue that it is not the only possible explanation for the universe's origins Some alternative theories such as the steady state theory or the oscillating universe theory have been proposed as alternatives to the Big Bang theory Similarly the existence of UFOs is a topic that has been hotly debated for decades While there have been countless reports of UFO sightings and encounters there is a lack of concrete evidence to support the existence of extraterrestrial visitors While the Big Bang theory and UFOs may be popular topics in popular culture it is important to approach them with a critical eye and to consider the evidence before giving them undeserving credit **The Man in the Shroud** Peter M. Rinaldi, 1974 **THE TRUTH OF THE ORIGIN OF THE UNIVERSE** Sabrie Soloman, 2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to explain the intricate complexities of living organisms and their unique design as well as the existence of the human soul It is clear that we are not the product of blind chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the

universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made it all **Behold the Man!** Don Touchton,2013-06 Scripture says three times to Behold look intently upon Jesus The first is the beginning of his ministry when John the Baptist exclaimed Behold the Lamb of God John 1 36 Another is when none in heaven or earth is qualified to take the little book the title deed to the earthly kingdoms from the hand of Him sitting on the throne the Apostle John is told Behold the Lion of the tribe of Judah Rev 5 5 The third is when Pilate after finding no fault in Jesus presented him before his accusers saying Behold the Man John 19 5 Beholding the Lamb we see the sacrificial Lamb that atones for sin Beholding the Lion we see the sovereign King that will make all things new Beholding the Man we see the second Adam who lived a perfect life among us Knowing about this man s humanity is as important as knowing about the other two aspects of his being So what kind of a man was Jesus This book introduces the reader to the individual his contemporaries saw while relying only on the Gospels as the source materials His contemporaries saw someone quite different from the person modern Christians imagine him to be The biblical Jesus was much more robust than contemporary teachers portray him Due to incorrect even disingenuous teaching the modern church presents a witness that is less robust than was the case in previous generations We need to behold the real biblical Jesus because The disciple is not above his master but every one that is perfect shall be as his master Luke 6 40 KJV [The Apocalypse Prophecies](#) ,2012-09-12 The Apocalypse Prophecies By Mark Bement The Apocalypse Prophecies is a study of various biblical prophecies that have been fulfilled in recent times and certain ones that will be fulfilled in the future It explains biblical prophecies concerning a global empire the Antichrist the False Prophet a cashless computerized monetary system the mark of the Beast various modern weapons including tanks guns helicopters tear gas and bombs the Third World War the Battle of Armageddon a global nuclear holocaust the destruction of Rome by a nuclear attack the Rapture the Millennium and the re created universe It points to various biblical signs of the End Times including the gathering of Jews from all over the world in Israel an increase in earthquakes and other natural disasters food shortages in various parts of the world the outbreak of numerous wars and epidemics around the world and the rise of many false messiahs and false prophets on earth *The Man Who Walked With Jesus , Salt & Light; The Complete Jesus* Jonathan Geoffrey Dean,2022-07-10 What did Jesus do What did Jesus say Who was Jesus Salt The Complete Jesus is the highly acclaimed and award winning definitive statement concerning Jesus of Nazareth history s most compelling figure The single most important book about the Historical Jesus in the last 30 years more comprehensive than Josh McDowell s Evidence That Demands a Verdict and more powerful than C S Lewis Mere Christianity However even today there is still general confusion surrounding Jesus Was Is Jesus God Did Jesus even exist Did he rise from the dead What are we to make of

the miracles Is he Peter s Jesus or Paul s Christ Or both Is there evidence for Jesus outside the Bible Should we still believe If so believe what What does ALL the evidence point to Salt Light does not shy away from addressing these and other tough questions For the first time ever after years of research using the complete body of early Christian literature and recent modern scholarship including new and exciting discoveries in many areas such as early manuscripts science New Testament studies archaeology and history the real Jesus emerges Dean offers an eminently readable yet powerful portrait of the authentic Jesus full of astonishing facts for both believers and sceptics alike So come along for an utterly fascinating journey and meet the historical Jesus learn about his mission and discover his teaching Compelling Authentic Complete www.saltandlight.ca/jesus-christ-christianity-christian-bible
