Current Literature Edward Jewitt Wheeler, Frank Crane, 1913 **Diary of an Angry Targeted Individual: Mind Invasive Technology (Mind Control Technology Book Series) Book 4 of 7** Renee Pittman, 2014-03-31 The key to the success of weaponized beamed technology derived from the Electromagnetic Spectrum depends on several factors One of the most successful is the strategic effort to discredit victims by applying the mental illness tag and hoping it will stick For success the use of anyone around victims especially family members become crucial Renee Pittman continues her mission of exposing the hidden evil today by pulling back the shroud of secrecy This is not only done through the testimony of professionals and compiled open literature evidence but through her personal experiences and the testimony of victims both men women and even children confirming legalized ongoing human experimentation on steroids In a diary like setting the author gives explicit details of her continued day to day battle to combat covert technological terrorism She details the continued hope of many for justice system intervention and coping with the roadblocks faced as an inability to effectively litigate against a Goliath in these cases high powered government agencies of the United States of America Sadly many attorneys will not touch these difficult to prove cases due to the invisible beamed weapons being used As a result thousands of lives are being destroyed without recourse However to the dismay of those seeking to keep the widespread use of advanced psychotronic technology under wraps and its capabilities Pittman details not only its machination but also provides

excellent examples of precise heinous manipulative techniques for example the creation of sexual deviance as well as a means of controlling targets and even blackmailing into submission With the focus on women many report covert efforts to turn women into sex slaves by the men of depraved minds who are some of the more perverse at the helm of these advancements The battle to bring the truth before the public continues with the assurance that the truth will ultimately prevail and inevitably always has

This anthology showcases a unique blend of realism and moral inquiry characteristic of Tolstoy's style where psychological complexity meets social critique. Vivid characterizations and philosophical underpinnings allow readers to immerse themselves in a tapestry of Russian life from the mundane to the transcendent painted against the backdrop of 19th century society. Leo Tolstoy, a towering figure in world literature, became renowned not only for his expansive novels such as War and Peace and Anna Karenina but also for his powerful and insightful short stories that reflect his personal moral dilemmas and societal observations. Influenced by profound spiritual awakenings, Tolstoy's later writings epitomize his quest for truth and ethical living, offering a window into his evolving convictions about life, faith, and humanity. This collection serves as an essential compendium for both new and seasoned readers of Tolstoy, encapsulating his concern for the spiritual and the social. By navigating these compelling narratives, readers will gain a deeper appreciation for Tolstoy's exploration of existential themes that remain relevant today.
