Materials Management Eugene L. Magad,2013-03-09 Materials management has become an important activity in both manu facturing and service organizations Rapid changes in the industrial envi ronment such as the introduction of automation and Just In Time and demands for increased productivity and quality have increased the need for all personnel to be concerned with total control of materials Clearly this trend will continue and materials management will play an increasingly vital role in organizational success especially for operations that are be coming automated Materials management will be more critical in many service organizations where the materials group has received little attention in the past This book covers the basic materials management function and provides valuable insights into various other major functions related to it We believe that each of these manufacturing marketing finance quality assurance and engineering is vitally involved in materials management and any coverage of the subject that excludes these functions offers too narrow a perspective With increasing demand for materials managers human resource re quirements will be satisfied by individuals trained within the discipline and by personnel who have worked in other fields The dimensions of materials management have grown so rapidly that many practicing managers are not aware that they are fulfilling material management functions It is impor tant that all individuals have the basic knowledge required to performn their roles in these organizations

Management Laureates Arthur G. Bedeian,2018-04-17 First published in 1998 This volume compiles the autobiographies of the management discipline s most distinguished laureates Prior to this publication the available management literature provided little insight into the personal and intellectual lives the frustrations as well as the triumphs of the individuals in the management discipline Although such understanding could be conveyed in many forms perhaps the most intimate and fascinating of these for gaining behind the scenes insights is the autobiography Thus the autobiographies in this volume as in the five companion volumes offer the reader not only a glimpse of the subjective determinants and personal experiences of the management discipline s most distinguished laureates but also a deeper understanding of what management is and what it is becoming The various accounts reflect a diversity of approaches interests and experiences **Organizational**
