The Mandalay Dream:

The Mandalay Dream Fielding Dawson,1971 **Las Vegas Dreams** , **Dreams of a Youth** Subhas Chandra Bose,1928 **American Dreams** ,1999 Follows the historical saga of the Crown family German immigrants who settle in Chicago as they participate in the events of the early twentieth century *Agnes's Broken Dreams* Judy King,2023-01-20 It has been thirty years since Agnes last visited the country of her birth and upbringing While it is at the request of her aging narcissistic mother she has her own reasons for making the journey to Australia from her home on Mallorca Something has blighted her life since childhood Something has cast such a long shadow over her existence that her ability to grasp at life fully to appreciate her own sense of self worth to attain any semblance of happiness to trust without reservation has been damaged Those whom she chooses and who choose her seem to want only to exploit her Having undergone a long period of psychotherapy Agnes can now return to re experience the places that featured in her youth in the hope that burning questions will be answered haunting mysteries solved and buried memories let out into the light This is the vibrant heartening and often amusing tale of a buoyant and irrepressible woman whose natural energy and determination continue to drive her forward Having reached middle age she is determined to grapple with and heal the ills that have beset her

Ferguson,2024-03-31 In a tour de force study of sixty years of cinematic entertainment *Silver Screens and Golden Dreams* traces the veins of Burmese popular movies across three periods in history the colonial era the parliamentary democracy period and the Ne Win Socialist years Author Jane M Ferguson engages cinema as an interrogator of mainstream cultural values providing political and cultural context to situate the films as artistic endeavors and capitalist products Exploring how filmmakers eschewed colonial control and later selectively toed the ideological lines of the Burmese Way to Socialism *Silver Screens and Golden Dreams* offers a serious yet enjoyable investigation of leisure during difficult times of transition and political upheaval By skillfully blending historical and anthropological approaches Ferguson shows how Burmese cinema presents a lively unique take on the country's social history The world tends to see Myanmar Burma as an ancient idyllic land of emerald green rice paddies dotted with golden pagodas yet sadly tarnished by a contemporary reality

of grinding poverty a decades long civil war and the most enduring military dictatorship in modern history Burmese society is frequently stereotyped as isolated hidebound to Buddhist cultural foundations or embroiled in military rule and civil strife Its thriving cosmopolitan film industry not only questions such orientalist archetypes but also provides an incisive lens to explore social history through everyday popular practices Emerging from a vibrant literary and performing arts scene Burmese talent and ingenuity spurred a century of near continuous motion picture production Dozens of local film companies have churned out thousands of films bringing to life popular folk tales tear jerking dramas and epic adventures for millions of adoring fans Even during the purportedly isolated Burmese Way to Socialism years local movie production continued and ticket sales even increased Glamorous stars adopted international fashions yet inspired Burmese cultural pride in the face of foreign economic and political domination From silent films depicting moral perils to Hollywood remakes to socialist realism and ethnic unity films locally made motion pictures have captured the imaginations of Burmese people for over a century
