The March Of Musicians:

Grove's Dictionary of Music and Musicians George Grove, John Alexander Fuller-Maitland, Waldo Selden Pratt, Charles Newell Boyd, 1911 **The Wind and Wind-Chorus Music of Anton Bruckner** Keith Kinder, 2000-01-30 This

comprehensive study treats the wind works of Anton Bruckner as a complete genre and uses them to illustrate how the composer evolved in style throughout his career A major nineteenth century composer organist and church musician Bruckner's compositional style changed dramatically in the early 1860s dividing his career into two distinct parts During his early career he immersed himself in the study of traditional musical principles including form harmony counterpoint and orchestration The second phase of his career in which he composed the symphonies upon which much of his current reputation rests was marked by his experimental approaches to harmony and tonality Many of his early compositions exhibit landmarks of his later style The wind instrument pieces incorporate the best aspects of both of Bruckner's styles and reflect the progress of his professional life Organized chronologically the music is studied and classified within set time periods Each wind work of a particular period is reviewed according to the historical circumstances contributing to its creation its specific musical content and its success as a musical work in relation to wind music and specifically to Bruckner's development The analyses of Bruckner's compositions are enhanced by musical examples throughout the text **The**

Kate Guthrie, Christopher Chowrimootoo, 2024-12-03 This handbook seeks to reanimate the music institutions and audiences that made up the cultural middle in the nineteenth and twentieth centuries by investigating the wealth of middlebrow culture that bridged the space between highbrow and lowbrow music With case studies ranging from symphonic concerts to Broadway musicals from opera criticism to rock journalism it brings together scholars of classical and popular music to present a new enriched narrative of music history

[Music Along the Rapidan](#) James Andrew Davis, 2014-05-01 In December 1863 Civil War soldiers took refuge from the dismal conditions of war and weather They made their winter quarters in the Piedmont region of central Virginia the Union's Army of the Potomac in Culpeper County the Confederacy's Army of Northern Virginia in neighboring Orange County For the next six months the opposing soldiers eyed each other warily across the Rapidan River In *Music Along the Rapidan* James A Davis examines the role of music in defining the social communities that emerged during this winter encampment Music was an essential part of each soldier's personal identity and Davis considers how music became a means of controlling the acoustic and social cacophony of war that surrounded them Music also became a touchstone for colliding communities during the encampment the communities of the enlisted men and officers or Northerners and Southerners on the one hand and the shared communities occupied by both soldier and

civilian on the other enabling them to define their relationships and their environment emotionally socially and audibly

New Musical Figurations Ronald M. Radano, 2009-05-20 *New Musical Figurations* exemplifies a dramatically new way of configuring jazz music and history By relating biography to the cultural and musical contours of contemporary American life Ronald M Radano observes jazz practice as part of the complex interweaving of postmodern culture a culture that has eroded conventional categories defining jazz and the jazz musician Radano accomplishes all this by analyzing the creative life of Anthony Braxton one of the most emblematic figures of this cultural crisis Born in 1945 Braxton is not only a virtuoso jazz saxophonist but an innovative theoretician and composer of experimental art music His refusal to conform to the conventions of official musical culture has helped unhinge the very ideologies on which definitions of jazz black music popular music and art music are founded *New Musical Figurations* gives the richest view available of this many sided artist Radano examines Braxton s early years on the South Side of Chicago whose vibrant black musical legacy inspired him to explore new avenues of expression Here is the first detailed history of Braxton s central role in the Association for the Advancement of Creative Musicians the principal musician run institution of free jazz in the United States After leaving Chicago Braxton was active in Paris and New York collaborating with Philip Glass Steve Reich Frederic Rzewski and other composers affiliated with the experimental music movement From 1974 to 1981 he gained renown as a popular jazz performer and recording artist Since then he has taught at Mills College and Wesleyan University given lectures on his theoretical musical system and written works for chamber groups as well as large opera scale pieces The neglect of radical challenging figures like Braxton in standard histories of jazz Radano argues mutes the innovative voice of the African American musical tradition Refreshingly free of technical jargon *New Musical Figurations* is more than just another variation on the same jazz theme Rather it is an exploratory work as rich in theoretical vision as it is in historical detail *The Music Sound* Nicolae Sfetcu, 2014-05-07
