DIVSimon Crane is an ex cop with a bad leg a small pension and a former lover Joanne who works for Sal Aiello undisputed  
crime boss of a dusty southwestern city When Aiello and his millions disappear the city s underworld whips into a frenzy that  
could get Joanne killed To save her life Crane must find the dead mobster s cash before anyone else does Somebody put a hit  
out on Aiello and if Crane can t find out who he will be taking the bullet himself divDIV divDIVIn this special edition ebook  
The Hit is paired with The Marksman a tense novella about a combat veteran caught up in criminal dealings far more violent  
than anything he saw in the Middle East Garfield s prose is spare and his storytelling is electric from page one Both novellas  
overflow with grim relentless action div

*The Marksman* Robin G. Mercier,2023-08-29 A troubled rancher on the Arizona  
border becomes the unlikely defender of a young Mexican boy desperately fleeing the cartel assassins who ve pursued him  
into the U S Off-Wire D. Avraham,2014-08-25 Israeli and American intelligence agents must scramble to uncover the  
secret ancient Muslim sect risen from the annals of history and stop them before they are able to remake the world in their  
own bloody image It s 1990 and Israeli and American intelligence agents must scramble to uncover the secret ancient  
Muslim sect risen from the annals of history and stop them While the various intelligence and investigation agencies trip and  
stumble often over each other they seem helpless against an ancient Bedouin sect who is careful not to leave any loose ends  
But the clock is ticking Secret formulas for a powerful chemical weapon have been stolen from a disintegrating USSR arsenal  
An ancient sect whose very name caused the Crusaders to shake with fear is back and have recovered the formula They plan  
to use it to usher in a new age of Muslim supremacy Will the Western powers be able to stop them before it s too late

**Combat Modeling** Alan Washburn,Moshe Kress,2009-08-14 Combat Modeling is a systematic learning resource and  
reference text for the quantitative analysis of combat After a brief overview authors Washburn and Kress present individual  
chapters on shooting without feedback shooting with feedback target defense attrition models game theory and wargames  
search unmanned aerial vehicles and terror and insurgency Three appendices provide a review of basic probability concepts  
probability distributions and Markov models an introduction to optimization models and a discussion of Monte Carlo  
simulations Drawing on their many years of experience at the Naval Postgraduate School in Monterey California Washburn  
and Kress have created a reference that will provide the tools and techniques for analysts involved in the underpinnings of  
combat decisions This is a book that can be used as a military manual reference book and textbook for military courses on  
this vital subject

**Tree and Forest Measurement** Phil West,2013-03-09 Everyone who works with forests must measure  
them foresters forestry students scientists or forest owners This book summarises modern forest measurement techniques  
for all those people It describes how to measure forests why they are measured and the basis of the science behind the  
measurements Trees and forests are large and complex but even something as difficult as the amount of wood they contain

can be measured with quite unsophisticated equipment This is a book written for all from professional foresters to the lay person in fact anyone who needs to measure forests anywhere in the world      **Storytelling** Josepha Sherman,2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions Storytelling An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions      **Use of Speed Monitoring and Communications Display for Traffic Control** Jon Michael Wertjes,1996 A research report to identify or develop a speed monitoring display suitable for use in interstate highway work zones evaluate the display s effectiveness in reducing speeds in interstate work zones A review of the literature current practice was conducted to identify product availability other state transportation use Speed monitoring display alternatives were identified evaluated according to essential requirements project evaluation criteria A lidar laser radar device was tested with a changeable message sign The speed monitoring display was effective in reducing speeds higher than 70 mph      **Torn Asunder** Kevin Ruesch,2003-07 d20 combat is efficient yet abstract While the concept of hit points works well when envisioning a tense fight of sweat parrying near misses and fatigue it falls on its knees the minute your character takes a solid and brutal blow to the head How exactly are you supposed to adjudicate a broken arm a gouged eye a lacerated liver or a crushed spine Torn Asunder provides a complete and comprehensive system for critical hits in any d20 game The system is elegant and easy to use it does not do away with hit points or even alter the combat rules it simply provides an optional way to deal with critical hits besides piling on additional damage Critical hits are real hits disabling function mangling body parts and leaving real wounds behind Torn Asunder pulls no punches it provides a realistic and effective injury system for d20 covering all creatures anatomies and body types Included as well are rules for natural healing scarification and herbal treatments Torn Asunder also provides a wide variety of resources allowing characters to take advantage of the new system from quick and precise prestige classes to devastating weapons to powerful and essential magical devices Don t just beat your opponents into submission tear them limb from limb      **Report** Pennsylvania.
