destructive behavior Yet his creative impulses never foundered He began directing and producing controversial off Broadway plays that explored social and sexual taboos He also found personal happiness in a relationship with male actor Courtney Burr Tragically on the cusp of turning a new page in his life Mineo's life was cut short in a botched robbery Revealing a charming mischievous creative and often scandalous side of Mineo few have known before now Sal Mineo is an intimate moving biography of a distinctive Hollywood star

Nonconformity Nelson Algren, 2011-01-04 The struggle to write with deep emotion is the subject of this extraordinary book the previously unpublished credo of one of America's greatest 20th century writers You don't write a novel out of sheer pity any more than you blow a safe out of a vague longing to be rich writes Nelson Algren in his only longer work of nonfiction adding A certain ruthlessness and a sense of alienation from society is as essential to creative writing as it is to armed robbery *Nonconformity* is about 20th century America Never on the earth of man has he lived so tidily as here amidst such psychological disorder And it is about the trouble writers ask for when they try to describe America Our myths are so many our vision so dim our self deception so deep and our smugness so gross that scarcely any way now remains of reporting the American Century except from behind the billboards where there are still defeats in which everything is lost and victories that fall close enough to the heart to afford living hope In *Nonconformity* Algren identifies the essential nature of the writer's relation to society drawing examples from Dostoyevsky Chekhov Twain and Fitzgerald as well as utility infielder Leo Durocher and legendary barkeep Martin Dooley He shares his deepest beliefs about the state of literature and its role in society along the way painting a chilling portrait of the early 1950s Joe McCarthy's heyday when many American writers were blacklisted and ruined for saying similar things to what Algren is saying here
