The General Prologue And The Physicians Tale:

The Canterbury Tales Geoffrey Chaucer, 2003-02-04 Nevill Coghill's masterly and vivid modern English verse translation with all the vigor and poetry of Chaucer's fourteenth century Middle English A Penguin Classic In The Canterbury Tales Chaucer created one of the great touchstones of English literature a masterly collection of chivalric romances moral allegories and low farce A story telling competition between a group of pilgrims from all walks of life is the occasion for a series of tales that range from the Knight's account of courtly love and the ebullient Wife of Bath's Arthurian legend to the ribald anecdotes of the Miller and the Cook Rich and diverse The Canterbury Tales offer us an unrivalled glimpse into the life and mind of medieval England For more than sixty five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 500 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Chaucer's Squire's Tale, Franklin's Tale, and Physician's Tale Kenneth Bleeth, 2018-11-19 The latest volume in the Chaucer Bibliographies series meticulously assembled by Kenneth Bleeth is the most comprehensive record of scholarship on Chaucer's Squire's Tale Franklin's Tale and Physician's Tale

Approaches to Teaching Chaucer's Canterbury Tales Peter W. Travis, Frank Grady, 2014-01-01 Chaucer's Canterbury Tales was the subject of the first volume in the Approaches to Teaching series published in 1980 But in the past thirty years Chaucer scholarship has evolved dramatically teaching styles have changed and new technologies have created extraordinary opportunities for studying Chaucer This second edition of Approaches to Teaching Chaucer's Canterbury Tales reflects the wide variety of contexts in which students encounter the poem and the diversity of perspectives and methods instructors bring to it Perennial topics such as class medieval marriage genre and tale order rub shoulders with considerations of violence postcoloniality masculinities race and food in the tales The first section Materials reviews available editions scholarship and audiovisual and electronic resources for studying The Canterbury Tales In the second section Approaches thirty six essays discuss strategies for teaching Chaucer's language for introducing theory in the classroom for focusing on individual tales and for using digital resources in the classroom The multiplicity of approaches reflects the richness of Chaucer's work and the continuing excitement of each new generation's encounter with it

Chaucer's Pilgrims Robert Thomas Lambdin, Laura Lambdin, 1999-04-30 Chaucer's Canterbury Tales is one of the oldest and most widely studied works of English literature The tales provide a glimpse of medieval life and the professions of the pilgrims figure prominently in the poetry To have a clear understanding of Chaucer's work the reader needs to know about the vocations of the pilgrims For some 600 years this information has been difficult to locate This reference work conveniently synthesizes and discusses information about the occupation of each of Chaucer's pilgrims and provides an historical context The volume contains individual entries for each of

Chaucer's pilgrims and the entries share a similar format to foster comparison. Each entry includes three parts: First, the pilgrim's profession is discussed in terms of the daily routine of the medieval occupation. Second, the vocation is examined in terms of its reflection in the tale told by the pilgrim. Third, the vocation and the tale are discussed when possible in relation to the descriptions of the characters provided in the General Prologue. Each entry includes a bibliography, and the volume concludes with a list of works for further reading.

Bad Chaucer Tison Pugh, 2024. Acclaimed for centuries as the Father of English Literature, Geoffrey Chaucer rightfully enjoys widespread and effusive praise for his classic *Canterbury Tales*. However, by analyzing his various missteps, missed opportunities, and other blunders, *Bad Chaucer: The Great Poet's Greatest Mistakes in the Canterbury Tales* reveals that even the greatest authors cannot claim perfection. From a vexing catalog of trees in the *Knights Tale* to the flirtations with blasphemy in the *Parsons Tale*, this volume progresses through the *Canterbury Tales* story by story, tale by tale, pondering the most egregious failing of each in turn. Viewed collectively, Chaucer's troubles stem from clashing genres that disrupt interpretive clarity, themeless themes that undermine any message a tale might convey, mischaracterized characters who act without clear motivation, purposeful and otherwise, pleasurable badness that shows Chaucer's appreciation for the humor of bad literature and outmoded perspectives that threaten to alienate modern readers. Badness can be celebrated for badness; it infuses artistic creations with the vitality that springs from varied responses, spirited engagements, and the inherent volatility of enjoying literature. On the whole, *Bad Chaucer* swerves literary criticism in a new direction by examining the long overlooked question of what Chaucer got wrong.

Pilgrims in Medicine: Conscience, Legalism and Human Rights Thomas Faunce, 2005-02-01. This arrestingly novel work develops a normative synthesis of medical humanities, virtue ethics, medical ethics, health law, and human rights. It presents an ambitious, complex, and coherent argument for the reconceptualisation of the doctor-patient relationship and its regulation, utilising approaches often thought of as being separate, if not opposed: virtue-based ethics and universal human rights. The case is argued gracefully with moderation but also with respect for opposing positions. The book's analysis of the foundational professional virtue of therapeutic loyalty is an original departure from the traditional discourse of patient autonomy and the ethical and legal duties of the medical practitioner. The central argument is not merely presented as bookends in the introduction and conclusion; it is cogently represented in each chapter and section and measured against the material considered. A remarkable feature is the use of aptly selected canonical literature to inform the argument. These references run from Hesse's *The Glass Bead Game* in the abstract to Joyce's *Ulysses* in the conclusion. They include excerpts from and discussion about Bergman, Borges, Boswell, Tolstoy, de Beauvoir, Chekhov, Dostoevsky, Samuel Johnson, Aristotle, Orwell, Osler, Chaucer, Schweitzer, Shakespeare, Thorwalds, Kafka, and William Carlos Williams. Such references are used not merely as an artistic and decorative leitmotif but become a critical narrative element and another complex and rich layer to this work. The breadth and quality of the references are testimony to the author's clear understanding of the modern law and literature movement. This

work provides the basis of a medical school course As many medical educators as possible should also be encouraged to read this work for the insights it will give them into using their own personal life narratives and those of their patients to inform their decision making process This thesis will also be of value to the judiciary whose members are often called upon to make normatively difficult judgments about medical care and medical rules The human rights material leads to a hopeful view of an international movement toward a universal synthesis between medical ethics and human rights in all doctor patient relationships

The Canterbury Tales - Second Edition Geoffrey Chaucer,2012-04-16 The Broadview Canterbury Tales is an edition of the complete tales in a text based on the famous Ellesmere Manuscript Here one may read a Middle English text that is closer to what Chaucer s scribe Adam Pinkhurst actually wrote than that in any other modern edition Unlike most editions which draw on a number of manuscripts to recapture Chaucer s original intention this edition preserves the text as it was found in one influential manuscript A sampling of facsimile pages from the original manuscript is also included along with a selection of other works that give the reader a rich sense of the cultural political and literary worlds in which Chaucer lived The second edition includes a new Middle English glossary a timeline of Chaucer s life and times and detailed page headers showing the fragment and line numbers to assist readers in finding a specific section of the poem

Hysteria, Perversion, and Paranoia in "The Canterbury Tales" Becky Renee McLaughlin,2020-07-20 Beginning with the spectacle of hysteria moving through the perversions of fetishism masochism and sadism and ending with paranoia and psychosis this book explores the ways that conflicts with the Oedipal law erupt on the body and in language in Chaucer s Canterbury Tales for Chaucer s tales are rife with issues of mastery and control that emerge as conflicts not only between authority and experience but also between power and knowledge word and flesh rule books and reason man and woman same and other conflicts that erupt in a macabre sprawl of broken bones dismembered bodies cut throats and decapitations Like the macabre sprawl of conflict in the Canterbury Tales this book brings together a number of conflicting modes of thinking and writing through the surprising and perhaps disconcerting use of shadow chapters that speak to or against the four central chapters creating both dialogue and interruption

The Idea of the Canterbury Tales Donald R. Howard,2023-11-10 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1976
